UNIFORM COVENANTS, THE BORROWER AND LENDER AGREE AS FOLLOWS:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums, and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. A charge assessed by Lender in connection with Borrower's entering into this Security Instrument to pay the cost of an independent tax reporting service shall not be a charge for purposes of the preceding sentence. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to his Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

OCCUPANCY RIDER TO SECURITY INSTRUMENT

FOR VALUE RECEIVED, the undersigned ("Borrower") agrees that the following provisions shall be incorporated into the Security Instrument (which may be a deed of trust, mortgage, security deed or other security instrument) as well as the Promissory Note of the same date which is secured by said Security Instrument. During such time that the provisions of said Security Instrument or Promissory Note, the provisions of this Rider shall prevail and shall supersede any such inconsistent provisions.

If the Federal Home Loan Mortgage Corporation ("FHLMC"), the Federal National Mortgage Association ("FNMA"), or any other third party buys all or some of Lender's rights under said Security Instrument and Promissory Note, this Rider will no longer have any force or effect. If, thereafter, FHLMC, FNMA, or any other third party should transfer said Security Instrument and Promissory Note to Lender or Lender's successor in interest or assigns, the provisions of this Rider shall thereupon be reinstated.

OWNER-OCCUPANCY REQUIREMENT

As an inducement for Lender to make the loan secured by the Security Instrument, Borrower has agreed to

- (1) occupy as Borrower's primary residence, the real property commonly known as
3605 LEATHERLEAF COURT, HOFFMAN ESTATES, ILLINOIS 60195
("Real Property") within 30 days of the date the Security Instrument is recorded and
- (2) continue to occupy said Real Property through the one-year anniversary date of the recordation of the Security Instrument. Lender may waive this one-year occupancy requirement if Lender, in its sole discretion, determines that Borrower failed to meet this requirement for reasons beyond his/her control.

Borrower acknowledges that Lender would not have agreed to make the loan if the Real Property were not to be owner-occupied and that the interest rate set forth on the face of the Promissory Note, as well as other terms of the loan, were determined as a result of Borrower's representation that the Real Property would be owner-occupied.

Borrower further acknowledges that, among other things, purchasers of loans (including agencies, associations and corporations created by the federal and state governments for the purchases of loans) typically require that properties securing loans acquired by such purchasers be owner occupied, and will reject loans for which the security properties are not owner-occupied, the risks involved and the costs of holding and administering a loan are often higher in the case of a loan where the security property is not owner-occupied, and, if and when Lender makes a loan on non-owner-occupied property, Lender typically makes such a loan on terms different from those of loans secured by owner-occupied properties.

Accordingly, in the event the Real Property is not occupied as Borrower's primary residence within 30 days of the recordation of the Security Instrument and through the one-year anniversary date of the recordation of the Security Instrument, the holder of the Promissory Note may, soley at the holder's option, either:

- (a) declare all sums owed under the Promissory Note and secured by the Security Instrument to be immediately due and payable, or
- (b) if the loan's interest rate is fixed, increase the interest rate set forth in the Promissory Note by one percentage point (1.00%), effective the date the Security Instrument was recorded, with all subsequent monthly payments adjusted accordingly; or if the loan's interest rate is adjustable, increase the interest rate, the margin and the limits on adjustments to the interest rate by one-half of one percentage point (.50%), effective the date the Security Instrument was recorded, with all subsequent monthly payments adjusted accordingly.

Notwithstanding the above, in no event shall any of the provisions contained herein result in an interest rate in excess of the maximum permitted by law.

If any court of competent jurisdiction determines that any term, covenant, condition or provision herein, or the application thereof to any circumstance is invalid, void or unenforceable, the same shall be deemed severable from the remainder and shall in no way affect any other term, covenant or provision or the application thereof to circumstances other than those to which it is held invalid.

The rights of the Lender hereunder shall be in addition to any other rights of Lender under the Security Instrument or as allowed by law.
