HOME EQUITY LINE OF CREDIT

GENERALLY: When we use the term "loan account balance" in this agreement, we mean the sum of the unpaid principal of loans made under this plan, plus unpaid finance charges which have accrued, plus credit insurance premiums which are due. The term "transaction account" means the account you have with us, the account number of which is listed at the top of the form on the line labeled "Trans. Acct. #". The term "Line of Credit" means the maximum amount we will ordinarily allow the unpaid principal of your loan account balance to be at any one time.

If any term in this agreement violates any law or for some other reason is not enforceable, that term will not be a part of this agreement. The other terms in this agreement will remain effective, however. This agreement is subject to the laws of the state where we are located.

REQUESTING A LOAN: You request a loan under this plan whenever you: write a check for at least the minimum advance listed above using one of the special checks you have for that purpose.

HOW THE LOAN IS ADVANCED: When you request a loan by one of these methods, we will advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed above. We will make the advance by depositing the amount in your transaction account, by advancing the money directly to you, or by paying a designated third person or account, depending on how we agree to make the advance. We will record the amount as a loan in your loan account.

If your request is for less than the minimum advance, we may, at our option, grant the request. However, granting the request does not mean we will be required to grant requests for less than the minimum advance in the future. We always have the option to deny any such request.

However, we will not ordinarily grant any request for a loan which would cause the unpaid principal of your loan account balance to be greater than the Line of Credit listed above. We may, at our option, grant such a request without obligating ourselves to do so in the future.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge, we will apply a periodic rate of finance charge each billing cycle to the "average daily balance" of your loan account for the billing cycle. The "average daily balance" is computed as follows: First, we take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) that are due. Next, we subtract the portion of any payments or credits received that day which apply to the repayment of your loans. (A portion of each payment you make is applied to finance charges and credit insurance premiums (if any).) Then we add any new loans made that day. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

The periodic rate of FINANCE CHARGE is 9.92% which is equal to an ANNUAL PERCENTAGE RATE of 11.00%.

VARIABLE RATE: The annual percentage rate may change, and will always be 1/2 percentage point above the following "base rate": equal to the prime rate as quoted in The Wall Street Journal - Money Rate section. If at any time The Wall Street Journal - Money Rate section quotes more than one prime rate and/or quotes a range of prime rates, the interest rate being applied will be equal to the highest prime rate then being quoted in The Wall Street Journal - Money Rate section. The annual percentage rate may increase if the "base rate" increases. An increase will take effect on the first day of each month. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will not increase more often than once a month. A decrease will have the opposite effect of an increase disclosed above.

If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day we adjust the annual percentage rate to determine the new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between annual percentage rate adjustments.

The "annual percentage rate" referred to in this section is the amount, rate which corresponds to the periodic rate applied to the balance as described above. This corresponding ANNUAL PERCENTAGE RATE will never exceed 19.90%, and also will never exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

If at any time The Wall Street Journal - Money Rate section no longer quotes a prime rate, then the bank will choose a new interest rate index which is based upon comparable information and give the borrower notice of its choice.

HOW YOU REPAY YOUR LOANS: You agree to pay accrued finance charges and credit insurance premiums (if any) on each payment date listed at the top of the form. The unpaid principal of loans made under this plan will be due September 9, 1994. You can prepay all or any part of what you owe at any time. However, even if you prepay part of what you owe, you will still have to pay accrued finance charges and credit insurance premiums (if any) on the next scheduled payment date.

Check one You authorize us to automatically withdraw your payment from your transaction account on each payment date (see top of form). (other) monthly billing.

SECURITY: To secure the payment of what you owe, we have the right of set-off. This means we can pay the amount you owe us out of money that we are required to pay you (such as money in your savings or checking account). However, we cannot use in this way money in your IRA or other tax-deferred retirement account. State law may further limit our right of set-off. However, we will have no right of set-off if you can obtain credit under this plan by using a debit or a credit card.

We have also secured your obligations under this plan by taking a security interest (by way of a separate security agreement, mortgage or other instrument dated September 9, 1989) in the following property, described by item or type:

Junior mortgage on the property commonly known as 321 Wyoma Lane, Schaumburg, IL, 60193 and held in the name of Martin J. and Mary L. Froelich, his wife.

If checked, collateral securing other loans you have with us may also secure loans under this agreement. Filing fees \$ NONE. If this agreement is secured by real property, we agree to pay any expenses involved in releasing the security interest. You may buy property insurance from anyone you want who is acceptable to us. If you buy the insurance from or through us, your premium will be n/a.

CHANGING THE TERMS OF THIS AGREEMENT: We reserve the right to change any terms in this agreement. Such change will be effective immediately or upon the expiration of any required notice period. If we are required to send notice of a change in terms, we will send the notice to your address listed above. (You should inform us of any change in address.) This agreement can be ended by you or by us at any time, upon giving notice. However, you still must pay all you owe under this agreement even if it is ended.

ADDITIONAL FEES: You agree to pay the following additional fees: A late charge on any payment not paid within 10 days of the payment date of 5% of the payment or \$5.00, whichever is less. The following closing costs: appraisal \$ none; title search \$ none; documentation fees \$ none; (other) Application Fee \$ 250.00 (PAID 08-10-89). A fee of \$20.00 per year in order to participate in this plan. We will add this amount to your loan account balance on an annual basis.

ATTORNEY'S FEES: You agree to pay all our costs, including reasonable attorney's fees, that we incur in legal proceedings to collect or enforce this debt should you be in default.

NOTICE: See the reverse side for additional terms and for information about your rights in the event of a billing error.
