UNIFORM COVENANT, Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or other written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument, or yearly household payments of ground rents on the Property, if any; (b) yearly hazard insurance premiums; and (c) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds and the purpose for which each debit to the Funds was made accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly return to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, as later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as credit against application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charge Lien. Borrower shall pay all taxes, assessments, charges, fines and impositions attachable to the Property which may attain priority over this Security Instrument, and household payments of ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 19, or if not paid in that manner, Borrower shall pay them off to Lender directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of demands to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts certifying that payments made.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless: (a) Borrower, or agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, discharges or pays forth the lien by, or defends against enforcement of the lien in legal proceedings which in the Lender's opinion equate to payment the enforcement of the lien or forfeiture of any part of the Property, or (b) secures from the holder of the lien an assignment satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give 15 days written notice to Borrower of the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within ten days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements on the Property, or the other interests existing on the Property, insured against loss by fire, hazards included within the term "extended coverage" and any other hazard to which Lender insures insurance. This insurance shall be maintained in the amount, and to the period, that Lender requires. The insurance company providing the insurance shall be chosen by Borrower subject to Lender's approval, or Lender and the insurance company established. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall furnish to Lender all the usual proofs of good premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance company and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds, and funds derived from restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security would be lessened, at the discretion of Lender or repair is not economically feasible or Lender's security would be lessened, the maximum amount shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Lender. If damage to the Property, or does not answer within 30 days a notice from Lender that the insurance company has failed to make a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or reduce the amount of damage secured by this Security Instrument, whether or not then due. The 30-day period will begin when the damage is apparent.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to the unpaid balance, including fees, prior to the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If Lender agrees to the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by the Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not do, or cause or suffer to do, anything which will damage the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is ever breached, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and tenancy shall not terminate unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. It is the intent of the parties to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may or may not affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce a lease or easement), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's costs may include paying any sums secured by a lien which has priority over this Security Instrument, applying on court judgment costs and attorney's fees and entering on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall be an additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest upon and after demand by Lender, in Borrower's regular place of payment.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until it is terminated as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for convenience in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction, (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 10 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 4 and 5 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument pursuant to Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note (b) co-signing this Security Instrument only to mortgage, grant and convey the sums secured by this Security Instrument and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and the law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then, to the extent such loan charges shall be reduced by the amount necessary to reduce the charge to the permitted limit, and the any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower, Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or operation of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may exercise any other rights permitted paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second sentence of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower and Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law as of the date of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument Note conflicts with applicable law, such conflict shall not affect other provisions of the Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred or if a beneficial interest in Borrower is sold or transferred (and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if it exercises as provided for federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of the exercise of this option and provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may exercise such remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Lender shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the exercise of any right or remedy granted or available under applicable law to reinstate this Security Instrument before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgement enforcing this Security Instrument. These conditions are that Borrower (a) pays Lender all sums which then would be due under this Security Instrument and the Note (d) and all other debts incurred; (b) cures any default of any other covenants or agreements; (c) pays all costs incurred in repossessing this Security Instrument, including, but not limited to, reasonable attorney fees and (d) makes such other and further stay reasonably require to assure that the lien of this Security Instrument is not violated. If upon noncompliance by Borrower, this Security Instrument and the obligations secured hereby shall remain in effect thereafter notwithstanding any default or noncompliance. Clauses 17 through 24 shall remain in effect notwithstanding any default or noncompliance.

NON UNIFORM COVENANTS Borrower and Lender further covenants and agree as follows:

19. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 13 and 17 unless applicable law provides otherwise.) The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 19, including, but not limited to, reasonable attorneys' fees and costs of the evidence.

Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premium on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument.
