If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

**8. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**9. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**10. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**11. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**12. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any loans already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

**13. Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

**14. Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

Any amounts disbursed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by this Security Interest. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from the date of disbursement to Borrower.

Lender may take action under this paragraph 7, Lender does not have to do so.

7. Protection of Lender's Rights in the Property Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding affecting title to such real property, Lender agrees to merge in writing.

6. Preservation and Maintenance of Property: Lessees shall not destroy, damage or subdivide any structures or improvements prior to the acquisition of title.

Comments: Lender will not do anything to interfere with the collection of payments due under this Note or the exercise of any rights available to Lender to collect such payments.

when the notice is given. Before the commencement of proceedings to determine the notice, the party may apply to the court for an injunction.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, Lender may make payment to the insurance company and credit such payment to the insurance account. Lender may apply the insurance proceeds to the repair of the Property or to pay sums accrued by Lender for not itemizing the damage prior to the date of loss or for failing to file a claim within the time required by law.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. All renewals shall have the right to hold the policy and renewals. If Lender renews, Borrower shall give prompt notice to the insurance company of all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance company of all renewals and premium notices.

**5. Hazard Insurance.** Borrower shall keep title to all property owned by Borrower subject to Lender's approval which shall not be transferred without Lender's consent. This insurance shall be maintained in the amount and for the periods that Lender requires. The required premiums shall be paid by Borrower.

Borrower shall promptly disclose any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) consents in good faith to the lien by, or defers a agreement among them to the contrary, or (c) defers a agreement among them to the contrary, or (d) defers a agreement among them to the contrary, or (e) defers a agreement among them to the contrary, or (f) defers a agreement among them to the contrary, or (g) defers a agreement among them to the contrary, or (h) defers a agreement among them to the contrary, or (i) defers a agreement among them to the contrary, or (j) defers a agreement among them to the contrary, or (k) defers a agreement among them to the contrary, or (l) defers a agreement among them to the contrary, or (m) defers a agreement among them to the contrary, or (n) defers a agreement among them to the contrary, or (o) defers a agreement among them to the contrary, or (p) defers a agreement among them to the contrary, or (q) defers a agreement among them to the contrary, or (r) defers a agreement among them to the contrary, or (s) defers a agreement among them to the contrary, or (t) defers a agreement among them to the contrary, or (u) defers a agreement among them to the contrary, or (v) defers a agreement among them to the contrary, or (w) defers a agreement among them to the contrary, or (x) defers a agreement among them to the contrary, or (y) defers a agreement among them to the contrary, or (z) defers a agreement among them to the contrary.

(the due dates of the securities items, shall) exceed the amount required to pay the escrow items when due, the excess shall be due Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as received by Lender.

If the amount of the Funds held by Lennder, together with the future monthly payments of Funds payable prior to the maturity date of the Fund held by Lennder is such as to exceed the amount of the Funds held by Lennder in an institution or associations for educational or charitable purposes or for holding the Funds, Lennder shall apply the Funds to pay the earliest items.

**1. Payment of Principal and Interest; Payments and Late Charges.** Borrower shall promptly pay when due the principal and interest on the debt evidenced by the Note and any charge due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly maintenance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Transfer of the Property or Beneficial Interest in Borrower, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is no longer a natural person) without Lennder's prior written consent, Lennder may, at its option, require immediate payment in full of all sums secured by this Security Instrument. 2. If Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in Section C above shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date or, if new fixed interest rate has substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

(B) Calculated interest rate will be equal to the Federal Home Loan Mortgage Corporation's required net yield as of date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years, 30-year fixed rate mortgagess covered by applicable 60-day mandatory delivery commitments, plus three-eighths of one percentage point (0.375%), or (ii) if the original term of this Note is 15 years or less, 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus three-eighths of one percentage point (0.375%).

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project (the "Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

**CONDOMINIUM COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

**A. Condominium Obligations.** Borrower shall perform all of Borrower's obligations under the Condominium Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other document which creates the Condominium Project; (ii) by-laws; (iii) code of regulations; and (iv) other equivalent documents. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

**B. Hazard Insurance.** So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire and hazards included within the term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the Security Instrument, with any excess paid to Borrower.

**C. Public Liability Insurance.** Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

**D. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Uniform Covenant 9.

**E. Lender's Prior Consent.** Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

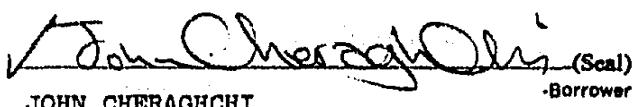

(ii) any amendment to any provision of the Constituent Documents if the provision is for the express benefit of Lender;

(iii) termination of professional management and assumption of self-management of the Owners Association; or

(iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

**F. Remedies.** If Borrower does not pay condominium dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Condominium Rider.

1. The first step in the process of identifying potential buyers is to determine the type of buyers who are most likely to be interested in the property. This can be done by conducting market research to identify the characteristics of buyers in the area, such as age, income, and occupation. Once this information is gathered, it can be used to create a buyer profile that can be used to target potential buyers.

2. Once a buyer profile has been created, the next step is to identify potential buyers. This can be done by using various sources, such as real estate databases, online classified ads, and word-of-mouth referrals. It is important to have a comprehensive list of potential buyers to increase the chances of finding the right buyer.

3. Once potential buyers have been identified, the next step is to contact them and provide them with information about the property. This can be done through various channels, such as email, phone calls, or in-person meetings. It is important to provide potential buyers with accurate and detailed information about the property, including its features, location, and price.

4. After providing potential buyers with information about the property, the next step is to schedule a viewing. This allows potential buyers to see the property in person and evaluate its condition and features. It is important to provide potential buyers with a key to the property so they can view it at their convenience.

5. Once a potential buyer has viewed the property, the next step is to negotiate a purchase agreement. This involves discussing the terms of the purchase, such as price, closing date, and contingencies. It is important to have a clear understanding of the buyer's needs and wants to ensure a successful negotiation.

6. Finally, once a purchase agreement has been reached, the final step is to complete the transaction. This involves preparing the property for sale, such as cleaning and repairing any damage, and arranging for a home inspection. It is also important to coordinate with the buyer's lender to ensure the transaction is completed smoothly.

and different areas of the country, and with different types of vegetation. The most important factor in determining the amount of rainfall required for a particular plant is its water requirements. Water requirements are determined by the amount of water needed to support the plant's growth and reproduction. Water requirements are also influenced by the type of soil, the climate, and the availability of water. Water requirements are often expressed as a percentage of the total rainfall required for the plant to survive. For example, a plant that requires 10% of the total rainfall for survival will have a water requirement of 10% of the total rainfall.

of learning transfer, or the extent to which what is learned in one situation can be applied to another. It is important to distinguish between two types of transfer: vertical transfer, which refers to the transfer of knowledge from one level of learning to another, and horizontal transfer, which refers to the transfer of knowledge between different domains or subjects.
