UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day bi-weekly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twenty-sixth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the property, if any; (c) yearly hazard insurance premiums; and Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sum secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BIWEEKLY PAYMENT RIDER (Fixed Rate)

THIS BIWEEKLY PAYMENT RIDER is made this 4th day of October, 1989, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note (the "Note") to GLENVIEW STATE BANK (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1453 Church, Northbrook, Illinois 60062

[Property Address]

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. BIWEEKLY PAYMENTS

The Note provides for the Borrower's biweekly loan payments, and the termination of the Borrower's right to make the biweekly payments, as follows:

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every fourteen days (the "biweekly payments"), beginning on November 1, 1989. I will make the biweekly payments every fourteen days until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My biweekly or any monthly payments will be applied to interest before principal.

I will make my biweekly or any monthly payments at 800 Waukegan Road, Glenview, Illinois 60025 or at a different place if required by the Note Holder.

(B) Amount of Biweekly Payments

My biweekly payment will be in the amount of U.S. \$784.78

(C) Manner of Payment

My biweekly payments will be made by an automatic deduction from an account I will maintain with the Note Holder, or with a different entity specified by the Note Holder. I will keep sufficient funds in the account to pay the full amount of each biweekly payment on the date it is due.

I understand that the Note Holder, or an entity acting for the Note Holder, may deduct the amount of my biweekly payment from the account to pay the Note Holder for each biweekly payment on the date it is due until I have paid all amounts owed under this Note.

4. TERM

If I make all my biweekly payments on time, and pay all other amounts owed under this Note, I will repay my loan in full on May 29, 2002, if, on May 29, 2002, [insert applicable 15-, 20- or 30-year maturity date based on a monthly repayment schedule] I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

5. [omitted]

6. [omitted]

89481829

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any biweekly or monthly payment by the end of [fifteen] calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.00% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each biweekly or monthly payment on the date it is due, I will be in default. I also will be in default if I do not maintain the account I am required to maintain under Section 3(C) above.

(C) Termination of Biweekly Payments

If I am in default for three consecutive biweekly payments, the Note Holder may terminate my right to make biweekly payments under this Note. If the Note Holder terminates my biweekly payments, I will instead pay all amounts owed under this Note by making one payment each month on the first day of the month.

The Note Holder will determine the amount of my monthly payment by calculating the amount that would be sufficient to repay all amounts owed under this Note in full on the Maturity Date in substantially equal payments. Beginning with the first day of the month after the month in which I am given notice of termination, I will pay the new amount as my monthly payment until the Maturity Date.

B. BIWEEKLY PAYMENT AMENDMENTS TO THE SECURITY INSTRUMENT

1. Until Borrower's right to make biweekly payments is terminated under the conditions stated in Section A of this Biweekly Payment Rider, the Security Instrument is amended as follows:

(a) The word "monthly" is changed to "biweekly" in the Security Instrument wherever "monthly" appears.

(b) In Uniform Covenant 2 of the Security Instrument ("Funds for Taxes and Insurance"), the words "one-twelfth" are changed to "one twenty-sixth."
