In case of the refusal or neglect of the Mortgagor to make such payments, or to satisfy any prior lien or incumbrance other than that for taxes or assessments on said premises, or to keep said premises in good repair, the Mortgagee may pay such taxes, assessments, and insurance premiums, when due, and may make such repairs to the property herein mortgaged as in its discretion it may deem necessary for the proper preservation thereof, and any moneys so paid or expended shall become so much additional indebtedness, secured by this mortgage, to be paid out of proceeds of the sale of the mortgaged premises, if not otherwise paid by the Mortgagor.

It is expressly provided, however (all other provisions of this mortgage to the contrary notwithstanding), that the Mortgagee shall not be required nor shall it have the right to pay, discharge, or remove any tax, assessment, or tax lien upon or against the premises described herein or any part thereof or the improvements situated thereon, so long as the Mortgagor shall, in good faith, contest the same or the validity thereof by appropriate legal proceedings brought in a court of competent jurisdiction, which shall operate to prevent the collection of the tax, assessment, or lien so contested and the sale or forfeiture of the said premises or any part thereof to satisfy the same.

And the said Mortgagor further covenants and agrees as follows:

That privilege is reserved to pay the debt in whole, or in part, on any installment due date.

That, together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, the Mortgagor will pay to the Mortgagee, on the first day of each month until the said note is fully paid, the following sums:

(a) An amount sufficient to provide the holder hereof with funds to pay the next mortgage insurance premium if this instrument and the note secured hereby are insured, or a monthly charge (in lieu of a mortgage insurance premium) if they are held by the Secretary of Housing and Urban Development, as follows;

(I) If and so long as said note of even date and this instrument are insured or are reinsured under the provisions of the National Housing Act, an amount sufficient to accumulate in the hands of the holder one (1) month prior to its due date the annual mortgage insurance premium, in order to provide such holder with funds to pay such premium to the Secretary of Housing and Urban Development pursuant to the National Housing Act, as amended, and applicable Regulations thereunder; or

(II) If and so long as said note of even date and this instrument are held by the Secretary of Housing and Urban Development, a monthly charge (in lieu of a mortgage insurance premium) which shall be in an amount equal to one-twelfth (1/12) of one-half (1/2) per centum of the average outstanding balance due on the note computed without taking into account delinquencies or prepayments;

(b) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments; and

(c) All payments mentioned in the two preceding subsections of this paragraph and all payments to be made under the note

secured hereby shall be added together and the aggregate amount thereof shall be paid by the Mortgagor each month in a single payment to be apportioned by the Mortgagee to the following items in the order set forth:

(I) premium charges under the contract of insurance with the Secretary of Housing and Urban Development, or monthly charge (in lieu of mortgage insurance premium), as the case may be;

(II) ground rents, if any, taxes, special assessments, fire, and other hazard insurance premiums;

(III) interest on the note secured hereby;

(IV) amortization of the principal of the said note; and

(V) late charges.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage. The Mortgagee may collect a "late charge" not to exceed four cents (4¢) for each dollar (\$1) for each payment more than fifteen (15) days in arrears, to cover the extra expense involved in handling delinquent payments.

If the total of the payments made by the Mortgagor under subsection (b) of the preceding paragraph shall exceed the amount of the payments actually made by the Mortgagee for ground rents, taxes, and assessments, or insurance premiums, as the case may be, such excess, if the loan is current, at the option of the Mortgagor, shall be credited on subsequent payments to be made by the Mortgagor, or refunded to the Mortgagor. If, however, the monthly payments made by the Mortgagor under subsection (b) of the preceding paragraph shall not be sufficient to pay ground rents, taxes, and assessments, or insurance premiums, as the case may be, when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such ground rents, taxes, assessments, or insurance premiums shall be due. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor all payments made under the provisions of subsection (a) of the preceding paragraph which the Mortgagee has not become obligated to pay to the Secretary of Housing and Urban Development, and any balance remaining in the funds accumulated under the provisions of subsection (b) of the preceding paragraph. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under subsection (b) of the preceding paragraph as a credit against the amount of principal then remaining unpaid under said note and shall properly adjust any payments which shall have been made under subsection (iv) of the preceding paragraph.

And as additional security for the payment of the indebtedness aforesaid the Mortgagor does hereby assign to the Mortgagee all the rents, issues, and profits now due or which may hereafter become due for the use of the premises hereinabove described.

That he will keep the improvements now existing or hereafter erected on the mortgaged property, insured as may be required from time to time by the Mortgagee against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Mortgagee and will pay promptly, when due, any premiums on such insurance provision for payment of which has not been made hereinbefore.

The consequences between contumacious wife and, and the sentiments  
and affections shall attain, so the respective persons, and the sentiments  
and characters shall prevail, and the parties.

If it is particularly agreed that the extension of the time for payment does not affect the right to sue for payment in respect of the original debt given by the assignor to the assignee in the interim period, the assignee may sue for payment in respect of the original debt given by the assignor to the assignee in the interim period.

It is also important to note that while all the above factors are important, the most critical factor is the quality of the soil. Soil quality is determined by its texture, pH, organic matter content, and nutrient availability. The soil must be well-drained and have a balanced nutrient profile to support healthy plant growth.

And where shall we be if we do not get out of the decree of the law? For we have died to the law through the trespass of the enemy. But now we are delivered from the law, having died to that which had power over us, that we should not be given over to the power of sin. For when we were in the flesh, the lusts of sins, which work death, did rule over us; for all in those days we lived according to the flesh.

Upon and preservation of the property.  
possessions, places, insurances, and other items necessary for the purpose.

And in the event that the whole of said debt is declared to be due, the lessor-agents shall have the right immediately to repossess this mortgagor, and upon the filing of any bill for trial purpose, either before or after trial, and without notice to the said debtor, either in which such bill is filed may at any time determine, whether before or after trial, and without notice to the said debtor, regarding to the solvency of insolvency or insolvent of the person or persons liable for the payment of the independent demand hereby, at the time of such application for appointment of a receiver, or for an order to place mortgagor in possession of the premises, and without which the owner of the said premises or wherther the same shall then be occupied by the owner of the equity of redemption, as a homestead, under an order placing the mortgagor in possession of the premises, in case of sale and a deficiency, during life; until satisfaction is paid, in case of sale and such rents, issues, and profits when period of redemption, and a deficiency, and profits when collected may be applied: and the payment of the indebtedness,

In the event of default in making any monthly payment pro-  
vided for herein and in the note secured hereby for a period of  
thirty (30) days after the due date thereof, or in case of a breach  
of any other covenant of agreement herein stipulated, when the  
whole of said principal sum remains unpaid together with ac-  
crued interest thereon, shall, at the election of the holder,  
without notice, become immediately due and payable.

the notes received hereby note be at gibbles for: Insu: aces under the  
National Housing Act which [REDACTED] days from the date  
hereof will be delivered of any notices in the Department of  
Housing and Urban Development or authorized agents of  
Secretary of Housing and Urban Development dated subsequent  
to the [REDACTED] days from the date of this memorandum  
declining to insure said note and this mortgage, being deemed  
conclusive proof of such insurability), the Vice-Chairman of the
