

UNIFORM COVENANTS, Borrower and Lender covenants and agreements

9

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement), before sale of the property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment entitling this Security Instrument to any power of sale contained in this Security Instrument, but under all sums which can be due under this Security Instrument and the Note had no acceleration; (c) payment of all expenses incurred in enforcing this Security Instrument; (d) any other circumstances or agreements set forth in this Security Instrument.

If Leender exercises this option, Leender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this note less than 30 days from the date the notice is given. If Borrower fails to pay these sums prior to the expiration of this period, Leender may invoke any security instrument, if Borrower fails to pay these sums without further notice or demand on Borrower.

I will make my scheduled payments at1700.N..Broadway.,Rochester.,Minnesota.55904..... or at a different place if required by the Note Holder.

B. FUNDS FOR TAXES AND INSURANCE

[Mark one]

- Uniform Covenant 2 of the Security Instrument is waived by the Lender.
 Uniform Covenant 2 of the Security Instrument is amended to read as follows:

2. SCHEDULED PAYMENTS FOR TAXES AND INSURANCE

(A) Borrower's Obligations

I will pay to Lender all amounts necessary to pay for taxes, assessments, leasehold payments or ground rents (if any), and hazard insurance on the Property and mortgage insurance (if any). I will pay those amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless the law requires otherwise. I will make those payments on the same day that my scheduled payments of principal and interest are due under the Note.

Each of my payments under this Paragraph 2 will be the sum of the following:

- (i) The estimated yearly taxes and assessments on the Property which under the law may be superior to this Security Instrument, divided by the number of scheduled payments in a year; plus,
- (ii) The estimated yearly leasehold payments or ground rents on the Property, if any, divided by the number of scheduled payments in a year; plus,
- (iii) The estimated yearly premium for hazard insurance covering the Property, divided by the number of scheduled payments in a year; plus,
- (iv) The estimated yearly premium for mortgage insurance (if any), divided by the number of scheduled payments in a year.

Lender will estimate from time to time my yearly taxes, assessments, leasehold payments or ground rents and insurance premiums, which will be called the "escrow items." Lender will use existing assessments and bills and reasonable estimates of future assessments and bills. The amounts that I pay to Lender for escrow items under this Paragraph 2 will be called the "Funds."

(B) Lender's Obligations

Lender will keep the Funds in a savings or banking institution which has its deposits or accounts insured or guaranteed by a federal or state agency. If Lender is such an institution, Lender may hold the Funds. Except as described in this Paragraph 2, Lender will use the Funds to pay the escrow items. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds, for using the Funds to pay escrow items, for analyzing my payments of Funds; or for receiving, verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest or earnings on the Funds unless either (i) Lender and I agree in writing, at the time I sign this Security Instrument, that Lender will pay interest on the Funds; or (ii) the law requires Lender to pay interest on the Funds.

Rider.

(C) Adjustments to the Funds

If Lender's estimates are too high or if rates and insurance rates go down, the amounts that I pay under
this Paragraph 2 will be too large. If this happens at a time when I am keeping all of my promises and agreements
made in this Security Instrument, I will have the right to have the excess amount either promptly repaid to me
as a direct refund or credited to my future scheduled payments. There will be excess amounts if, at
any time, the sum of (i) the amount of funds which Lender is holding or keeping, plus (ii) the amount of the
scheduled payments of funds which I still must pay between that time and the due dates of escrow items is
greater than the amount necessary to pay the escrow items when they are due.
If, when payments of escrow items are due, Lender has not received enough funds to make those payments,
I will pay to Lender whatever additional amount is necessary to pay the escrow items in full. I must pay that
additional amount in one or more payments as Lender may require.
When I have paid all of the sums secured, Lender will promptly refund to me any funds that are
being held by Lender. If, as a result of the exercise by Lender of any of its rights under this Security Instrument,
Lender acquires the Property or the Property is sold, then immediately before the acquisition or sale,
Lender will use any funds which Lender is holding at the time to reduce the sums secured.
