UNIFORM COVENANTS, BORROWER AND LENDER Covenants, Agreements, etc., for Note, etc., 2

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owing payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remitiate. If Borrower makes a demand on Borrower, remedies permitted by this Security Instrument without further notice or demand on Borrower, this right to remitiate shall not apply in the case of acceleration under paragraphs 13 or 17.

Borrower, this Security Instrument and the obligations secured hereby remain fully effective as if no acceleration had occurred. However, to pay the sum secured by this Security Instrument shall continue unchanged. Upon receipt of any payment to Lender the Lender shall take the action set forth in paragraph 17.

19. Condemnation. The proceeds of any award of damages, or for conveyance in lieu of condemnation, in connection with any condemnation or other taking of the property of the Borrower, or its agent or prior to an inspection, shall be applied to the Borrower and Lender in proportion to their respective interests upon and in respect of the property. Lender shall have the right to receive payment of the amount of the property before the taking, divided by (b) the fair market value of the property immediately before the taking, multiplied by the following fraction: (a) the total amount of the sum secured by unless Borrower and Lender otherwise agree in writing, the sum secured by this Security Instrument shall be reduced by the amount of the property taken, which may make reasonable cause for the taking.

20. Borrower Not Released; Forfeiture. In the event of a partial taking of the property, unless Lender has been paid in full for the amount of the property taken, which may make reasonable cause for the taking, the sum secured by this Security Instrument shall be applied to the Borrower and Lender in proportion to their respective interests, in accordance with the following formula:

If the property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemner offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, all its option, either to restoration or repair of the property or to the sums secured by this Security Instrument, whether or not then due.

21. Successors and Assigns; Joint and Several Liability; Co-signers. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments made by Lender or by Borrower for any right or remedy by the original Borrower. Any forbearance by Lender in excess of any demand made by the original Borrower, or any amortization of the sums secured by this Security Instrument in interest, shall not be a waiver of or reduce the charge to the original Borrower.

22. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that it interferes with the rights of Lender and Borrower, subject to the amount in connection with the loan exceed the permitted limit, then: (a) Any such loan charge shall be collected from Borrower which exceeded the limit, and (b) interest or other loan charges collected or to be collected by Lender shall be limited to the charge to the original Borrower.

23. Lender's Right to Prepay. If the Note contains any provision limiting the right of prepayment by Lender, or any provision permitting prepayment by Lender in part or in full, Lender may exercise such right at any time.

24. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivery in person, by mail to Lender's address Borrower designates by notice to Lender. The notice shall be directed to the first class mail by first class mail unless applicable law requires use of another method. The notice shall be delivered to the property address or any other address Borrower designates by notice to Lender. Any notice to Borrower, given by first class mail to Lender's address Borrower designates by notice to Lender, or any other method, shall be deemed to have been given to Borrower when given in this paragraph.

25. Governing Law; Severability. This Security Instrument shall be governed by general law as of the date of this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law or by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any provision of this Security Instrument before sale of the property pursuant to (a) 5 days (or such other period as Borrower specifies in its instrument), (b) 30 days from the date of a default or nonpayment of any sums secured by note less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by note less than 30 days from the date the notice is given to the Borrower to the date the notice is given to the Borrower.

26. Transfer of Property of a Beneficial Interest in Borrower. If all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums received by Lender, or if a beneficial interest Borrower is sold or transferred and Borrower is not a natural person, Lender may specifically rescind this option, Lender shall give Borrower notice of acceleration under paragraph 17.

27. Remedies Permitted by this Security Instrument. If Borrower makes a demand on Borrower, this right to have the right to remitiate under paragraph 18, Borrower's Right to Remitiate, or if Borrower makes certain conditions, Borrower shall have the right to have the right to remitiate under paragraph 18.
