Concurrently herewith Grantor has executed a Line of Credit Agreement to open a line of credit with OAK LAWN TRUST AND SAVINGS BANK and has executed a Promissory Note made payable to OAK LAWN TRUST AND SAVINGS BANK in the principal amount of \$ 25,000.00 to evidence the maximum loan under the Line of Credit Agreement which shall bear interest on the unpaid principal balance from time to time at a per annum rate as hereinafter described. The Note evidences a revolving credit and the lien of the Trust Deed secures payment of any existing indebtedness and future advances made pursuant to the Note to the same extent as if such future advances were made on the date hereof and regardless of whether or not any advance has been made as of the date of this Trust Deed or whether there is any outstanding indebtedness at the time of any future advances. Payments of all accrued interest on the then outstanding principal balance of the Note, at 00% percent above the Prime Rate as hereafter defined, shall commence on the First day of December 1989 and continue on the 1st day of each month thereafter with a final payment of all principal and accrued interest due on October 27, 1996. The "Prime Rate" of interest is a variable rate of interest and is defined in the Note as the announced prime rate of interest of First National Bank of Chicago as determined on the first day of each month during the term hereof. In the event First National Bank of Chicago discontinues announcing or establishing a prime rate of interest the Prime Rate shall hereafter be the Prime Loan Rate on the first day of each month during the term hereof as set forth in the money rates section of the Wall Street Journal (or successor publication).
