paid directly to Lender or Lender's agent.

**Enter the Property.** Lender may enter upon and take possession of the Property; demand, collect and receive from the tenants or from any other persons liable therefor, all of the Rents; institute and carry on all legal proceedings necessary for the protection of the Property, including such proceedings as may be necessary to recover possession of the Property; collect the Rents and remove any tenant or tenants or other persons from the Property.

**Maintain the Property.** Lender may enter upon the Property to maintain the Property and keep the same in repair to pay the costs thereof and all services of all employees, including their equipment, and of all continuing costs and expenses of maintaining the Property in proper repair and condition, and also to pay all taxes, assessments and water utilities, and the premiums on fire and other insurance effected by Lender on the Property.

**Compliance with Law.** Lender may do any and all things to execute and comply with the laws of the State of Illinois and also all other laws, rules, orders, ordinances and requirements of all other governmental agencies affecting the Property.

**Lease the Property.** Lender may rent or lease the whole or any part of the Property for such term or terms and on such conditions as Lender may deem appropriate.

**Employ Agents.** Lender may engage such agent or agents as Lender may deem appropriate, either in Lender's name or in Grantor's name, to rent and manage the Property, including the collection and application of Rents.

**Other Acts.** Lender may do all such other things and acts with respect to the Property as Lender may deem appropriate and may act exclusively and solely in the place and stead of Grantor and to have all of the powers of Grantor for the purposes stated above.

**No Requirement by Act.** Lender shall not be required to do any of the foregoing acts or things, and the fact that Lender shall have performed one or more of the foregoing acts or things shall not require Lender to do any other specific act or thing.

**APPLICATION OF RENTS.** All costs and expenses incurred by Lender in connection with the Property shall be for Borrower's account and Lender may pay such costs and expenses from the Rents. Lender, in its sole discretion, shall determine the application of any and all Rents received by it; however, any such Rents received by Lender which are not applied to such costs and expenses shall become a part of the indebtedness secured by this Assignment, and shall be payable on demand, with interest, at the Note rate from date of expenditure until paid.

**FULL PERFORMANCE.** If Grantor pays all of the indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Assignment and the Note, Lender shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on the evidencing Lender's security interest in the Property. Any termination fee required by law shall be paid by Grantor, if permitted by applicable law.

**EXPENDITURES BY LENDER.** If Grantor fails to comply with any provision of this Assignment, including any obligation to maintain Existing Indebtedness in good standing as required below, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Assignment also will secure payment of the amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

**DEFAULT.** Each of the following, at the option of Lender, shall constitute an event of default ("Event of Default") under this Assignment:

**Default on Indebtedness.** Failure of Grantor to make any payment when due on the indebtedness.

**Compliance Default.** Failure to comply with any other term, obligation, covenant or condition contained in this Assignment, the Note or in any of the Related Documents. If such a failure is curable and if Grantor has not been given a notice of a breach of the same provision of this Assignment within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred) if Grantor, after Lender sends written notice demanding cure of such failure: (a) cures the failure within fifteen (15) days; or (b) if the cure requires more than fifteen (15) days, immediately initiates steps sufficient to cure the failure and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

**Breaches.** Any warranty, representation or statement made or furnished to Lender by or on behalf of Grantor under this Assignment, the Note or the Related Documents is, or at the time made or furnished was, false in any material respect.

**Other Defaults.** Failure of Grantor to comply with any term, obligation, covenant, or condition contained in any other agreement between Grantor and Lender.

**Insolvency.** The insolvency of Grantor, appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor, or the dissolution or termination of Grantor's existence as a going business (if Grantor is a business). Except to the extent prohibited by federal law or Illinois law, the death of Grantor (if Grantor is an individual) also shall constitute an Event of Default under this Assignment.

**Foreclosure, etc.** Commencement of foreclosure, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor against any of the Property. However, this subsection shall not apply in the event of a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the foreclosure, provided that Grantor gives Lender written notice of such claim and furnishes reserves or a surety bond for the claim satisfactory to Lender.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or such Guarantor dies or becomes incompetent. Lender, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure the Event of Default.

**Existing Indebtedness.** Default of Grantor under any Existing Indebtedness or under any instrument on the Property securing any Existing Indebtedness, or commencement of any suit or other action to foreclose any existing lien on the Property.

**RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any event of default and at any time thereafter, Lender may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

**Accelerate Indebtedness.** Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any payment benefits which Grantor would be required to pay.

GRANTOR'S LIABILITY. The Assignment is executed by Grantor, not personally but as Trustee as provided above in the exercise of the power and the authority conferred upon and vested in it as such Trustee (and Grantor thereby warrants that it possesses full power and authority to execute this instrument), and it expressly undertakes and agrees that nothing in this Assignment or in the Note shall be construed as creating any liability on the part of Grantor personally to pay the Note or any interest thereon, or any other indebtedness under this Assignment, or to perform any covenant either express or implied contained in this Assignment, all such liability, if any, being expressly waived by Lender and by every person now or hereafter claiming any right or security under this Assignment, and that so far as Grantor and its successors personally are concerned, the legal holder of the Note and the owner or owners of any indebtedness shall look solely to the Property for the payment of the Note and indebtedness, by the enforcement of the lien created by this Assignment in the manner provided in the Note and herein or by action to enforce the personal liability of any guarantor.

Waivers and Consents. Lender shall not be deemed to have waived any rights under this Assignment (or under the Related Documents) unless such waiver is in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by any party of a provision of this Assignment shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or any of Grantor's obligations as to any future transactions. Whenever consent by Lender is required in this Assignment, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required.

Waiver of Homestead Exemption. Grantor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Illinois as to all indebtedness secured by this Assignment.

Time is of the Essence. Time is of the essence in the performance of this Assignment.

Successors and Assigns. Subject to the limitations stated in this Assignment on Grantor's interest, this Assignment shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Assignment and the indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Assignment or liability under the indebtedness.

Severability. If a court of competent jurisdiction finds any provision of this Assignment to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Assignment in all other respects shall remain valid and enforceable.

No Modification. Grantor shall not enter into any agreement, with the holder of any mortgage, deed of trust, or other security agreement which has priority over this Assignment by which that agreement is modified, amended, extended, or renewed without the prior written consent of Lender. Grantor shall neither request nor accept any future advance under any such security agreement without the prior written consent of Lender.

Applicable Law. This Assignment has been delivered to Lender and accepted by Lender in the State of Illinois. This Assignment shall be governed by and construed in accordance with the law of the State of Illinois.

Amendments. This Assignment, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Assignment. No alteration or amendment to this Assignment shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Assignment:

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Assignment, Lender shall be entitled to recover attorneys' fees at trial and on any appeal. Whether or not any court action is involved, all reasonable expenses incurred by Lender that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the Note rate. Expenses covered by this paragraph include, without limitation, Lender's subject to any limits under applicable law, Lender's attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees or bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services, the cost of searching records, obtaining the reports (including foreclosure reports), surveys, reports, and appraisal fees, and the insurance, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.

Waiver; Election of Remedies. A waiver by any party of a breach of a provision of the Assignment shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with that provision or any other provision. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an obligation of Grantor under this Assignment (or failure of Grantor to perform shall not affect Lender's right to declare a default and exercise its remedies under this Assignment.

Other Remedies. Lender shall have all other rights and remedies provided in this Assignment or the Note or by law.

Mortgages in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property, with the power to protect and preserve the Property, against the indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the indebtedness by a substantial amount.
