DOLLARS (U.S. \$1,244,000) (collectively, with all extensions, renewals, amendments and modifications thereto, "Letter of Credit").

D. The execution and delivery of this Assignment is a condition precedent to the performance by Assignee of its obligations under the Loan Agreement.

NOW, THEREFORE, in consideration of the recitals set forth above and incorporated herein, in order to secure the Loan any draws under and the Letter of Credit and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees as follows:

1. Assignor hereby sells, assigns and transfers unto Assignee any and all leases, whether written or verbal, and any and all lettings, and any and all agreements for the use or occupancy, of the real property legally described in Exhibit A attached hereto ("Premises"), or any part thereof, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by Assignee under the powers herein granted (collectively, "Leases"), together with all the rents, issues and profits now due and which may hereafter become due under or by virtue of any Lease, it being the intention hereby to establish an absolute transfer and assignment of all Leases and all the rents, issues, profits and avails thereunder, to Assignee. Assignor hereby irrevocably appoints Assignee its true and lawful attorney in its name and stead (with or without taking possession of the Premises as provided in Section 3 hereof) to rent, lease or let all or any portion of the Premises to any party or parties at such rental and upon such terms as Assignee shall determine, in its sole discretion, and to collect all of said avails, rents, issues and profits arising from or accruing at any time hereafter, which is now due or may hereafter become due under each and every of the Leases with the same rights and powers and subject to the same immunities, exoneration of liability and rights of recourse and indemnity as Assignee would have upon taking possession pursuant to the provisions of Section 3 below.

2. Assignor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the Premises for more than one month in advance (except as may be provided for in a Lease expressly approved by Assignee) and that the payment of none of the rents to accrue for any portion of the said Premises has been or will be waived, released, reduced, discounted or otherwise discharged or compromised by Assignor. Assignor waives any rights of set off

against any person in possession of any portion of the Premises. Assignor agrees that it will not assign any of the rents or profits of the Premises, except to a permitted purchaser or grantee of the Premises. Assignor further agrees to perform (or cause to be performed) fully and faithfully all covenants, agreements and obligations of landlord or lessor under each of the Leases. Assignor further agrees that if Assignor as landlord or lessor defaults under any Lease, Assignee shall have the right (but not the obligation) to cure such default within the cure period afforded to Assignor under the terms of such Lease or under applicable law, regardless of whether any notice or cure period granted to Assignor under the Loan Documents has then expired. To the extent Assignee has made any advances or payments or incurred any expenses, fees or costs in connection with cure of such default, all such amounts shall be repaid to Assignee by Assignor immediately upon demand with interest on all such amounts at the Default Rate as set forth in the Loan Agreement. Assignor further agrees that it shall not, without Assignee's prior written consent, enter into or agree to any amendment or modification of any Lease, or cancel, terminate or surrender any Lease, or enter into any agreement which grants any concession with respect to any Lease or which compromises, discounts or otherwise reduces the rent called for under any Lease, except as may be expressly permitted by the Loan Agreement. This assignment and grant shall continue in effect until Assignor's obligations under the Loan Agreement are fully performed and satisfied, and the Loan together with all other indebtedness secured hereby is repaid in full.

3. In the event of a default by Assignor under this Assignment, the Note, the Loan Agreement, the Letter of Credit or any other documents or instruments evidencing or securing the Loan or the obligations of Assignor under the Loan Agreement (collectively, "Loan Documents"), which remains uncured after the expiration of any applicable notice cure or grace period, (the foregoing being hereinafter called a "Default"), Assignor shall, forthwith, upon demand by Assignee, surrender to Assignee, and Assignee shall be entitled to take actual possession of, the Premises or any part thereof personally or by its agent or attorneys. In such event, Assignee in its discretion may, in accordance with law, enter upon and take and maintain possession of all or any part of the Premises together with all documents, books, records, papers and accounts of Assignor or the then owner or party in possession of the Premises relating thereto and may exclude the then owner or party in possession of the Premises relating thereto and may exclude Assignor's or said owner's or party's respective agents or servants wholly therefrom and may, as

attorney-in-fact, as agent for Assignor or in its own name as Assignee, and under the powers herein granted, hold, operate, manage and control the Premises and conduct the business, if any, thereof, either personally or by its agents, and with full power to use such measures, legal or equitable, as in its discretion or in the discretion of its successors or assigns may be deemed proper or necessary to enforce the payment of the avails, rents, issues, and profits of the Premises, including actions for the recovery of rent, actions in forcible detainer and actions in distress for rent, and with full power: (a) to cancel or terminate any lease or sublease for any cause or on any ground which would entitle Assignor to cancel the same; (b) to elect to disaffirm any lease or sublease which is then subordinate to this Assignment; (c) to extend or modify any then existing leases and to make new leases, which extensions, modifications and new leases may provide for terms to expire, or for options to lessees to extend or renew terms to expire, beyond the maturity of the Loan pursuant to the Loan Agreement or as described hereinabove, it being understood and agreed that any such leases, and the options or other such provisions to be contained therein, shall be binding upon Assignor and all persons whose interests in the Premises are subject to this Assignment; (d) to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions, betterments and improvements to the Premises as to Assignee may seem judicious; (e) to insure and reinsure the same and all risks incidental to Assignee's possession, operation and management thereof; and (f) to receive all of such avails, rents, issues and profits -- Assignor hereby granting Assignee full power and authority to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter, without notice to Assignor.

Assignor shall be deemed to have constituted and appointed Assignee its true and lawful attorney-in-fact with full power of substitution either in the name of Assignee or in the name of Assignor, to exercise any of the powers granted to Assignee pursuant to this Section 3. Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any of the Leases. Assignor shall and does hereby agree to indemnify and hold Assignee harmless of and from any and all liability, loss or damage, including, without limitation, attorneys' fees and expenses related thereto, which Assignee may or might incur by reason of its performance of any action authorized under this Section 3 and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings

on its part to perform or discharge any of the terms, covenants or agreements of Assignor (except for any such liability resulting from Assignee's gross negligence or willful misconduct). Nothing herein contained shall be construed as constituting Assignee in possession in the absence of the taking of actual possession of the Premises by Assignee pursuant to this Section 3. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being expressly waived and released by Assignor, its successors and assigns.

4. Assignee, in the exercise of the rights and powers hereinabove conferred upon it by Sections 1 and 3 hereof, shall have full power to use and apply the avails, rents, issues and profits of the Premises to the payment of or on account of the following, in such order as Assignee may determine:

(a) to the payment of the operating expenses of the Premises, including, but not limited to, the cost of the management and leasing thereof (which shall include compensation to Assignee and its agent or agents, if management be delegated to an agent or agents, and shall include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), established claims for damages, if any, and premiums on insurance hereinabove authorized;

(b) to the payment of taxes and special assessments now due or which may hereafter become due on the Premises;

(c) to the payment of all repairs, decorating, renewals, replacements, alterations, additions, betterments, and improvements of the Premises, and of placing the Premises in such condition as will, in the judgment of Assignee, make it readily rentable; and

(d) to the repayment of principal and interest on the Loan and to the payment of all other sums which Assignor is obligated to pay under the Loan Agreement, the Letter of Credit and the other Loan Documents.

5. Although it is the intention of the parties that the assignment contained herein shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that Assignee shall not

895727A3

exercise any of the rights or powers conferred upon it hereby until a Default shall occur or arise. Any avails, rents, issues and profits collected and received by Assignor after the occurrence of a Default shall be deemed collected and received by Assignor in trust for Assignee and Assignor shall account to Assignee for the full amount of such collections and receipts.

6. Assignor further agrees to assign and transfer to Assignee all future Leases upon all or any part of the Premises and to execute and deliver, at the request of Assignee, all such further assurances and assignments in the Premises as Assignee shall from time to time reasonably require. Assignor shall pay Assignee the expenses incurred by Assignee in connection with the preparation, execution and recording of any such assignment or agreement.

7. This Assignment is given as collateral security for the indebtedness and obligations described herein and the execution and delivery hereof shall not in any way impair or diminish the obligations of Assignor or any other person under any of the Loan Documents, nor shall this Assignment impose any obligation on Assignee to perform any provision of any Lease or any responsibility for the nonperformance thereof by Assignor or any other person. This Assignment is given as a primary assignment of the rights described herein and such assignment shall not be deemed secondary to any other collateral securing the performance of Assignor's obligations under the Loan Agreement or any of the other Loan Documents. Assignee shall have the right to exercise any rights under this Assignment before, together with or after exercising any other rights under any of the Loan Documents.

8. Each and all of the covenants and obligations of this Assignment shall be binding upon and inure to the benefit of the parties hereto, and except as herein otherwise specifically provided, their respective successors and assigns, subject at all times nevertheless to all agreements and restrictions contained in the Loan Documents.

9. All notices, demands, deliveries and other communications required under this Assignment or desired by the parties hereto shall be given in the manner provided, and to the addresses specified, in the Loan Agreement.

10. This Assignment shall be construed and interpreted in accordance with, and governed by, the internal laws and decisions of the State of Illinois (without giving effect to Illinois choice of law principles).

11. Whenever possible, each provision of this Assignment shall be interpreted in such manner as to be effective and valid under the applicable law, but if any provision of this Assignment shall be prohibited by, invalid, or unenforceable under such law, such provision shall be ineffective to the extent of such prohibition, invalidity, or unenforceability without invalidating the remainder of such provision or the remaining provisions of this Assignment.

12. This Assignment cannot be waived, modified or amended unless such waiver, modification or amendment is in writing and signed by each of the Assignor and Assignee.

13. This Assignment is executed by LaSalle National Bank, not personally, but as Trustee as aforesaid in the exercise of the power and authority conferred upon and vested in it as such Trustee (and said bank hereby warrants that it possesses full power and authority to execute this instrument), and it is expressly understood and agreed that nothing herein or in the Loan Agreement or the Note shall be construed as creating any liability on said Trustee or on said bank personally to pay said Note or any interest that may accrue thereon, or any indebtedness accruing hereunder, or to perform any covenant either express or implied herein contained, all such liability, if any, being expressly waived by Assignee and by every person now or hereafter claiming any right or security hereunder, and that so far as said Trustee and said bank personally are concerned, Assignee shall look solely to the Premises hereby conveyed for the payment thereof, by the enforcement of the lien hereby created in the manner herein and in the other Loan Documents; provided, however, that nothing herein shall affect or limit the personal liability of Beneficiary or any guarantor or indemnitor under the Loan Documents.
