If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

7. Protection of Lenders' Rights in the Property; Mortgage Lien. If Borrower fails to perform the covenants and agreements contained in this Security Instrument that may significantly affect Lenders' rights in the Property (such as a bankruptcy, proceeding for collection, or reorganization), Lenders may do and pay for whatever is necessary to protect the value of the Property and Lenders' rights in the Property, Lenders' actions may include paying any sums secured by a lien which has priority over this Security Instrument, applying reasonable attorney's fees and costs and entering on the Property to make repairs. Although Lenders' actions may take action under this paragraph 7, Lender does not have to do so.

8. Security Instruments. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from SecuritY Instruments. Lenders' debt of Borrower secured by this security instrument, unless Borrower pays Lender to the date of disbursement, shall be paid in monthly installments of \$ until the principal balance is paid in full.

Unless Lennder and Borrower otherwise agree in writing, any application of proceeds to principle, shall not exceed or postpone the monthly payment due date of the monthly payments referred to in paragraphs 1 and 2 of the change in insurance policy amounts of the payments. If under paragraph 19 the property is pre-claimed by Lennder, Borrower's right to any insurance policies and proceeds resulting from damage to the property prior to the acquisition shall pass to Lennder to the extent of the sums secured by this instrument immediately prior to the acquisition.

Unless Lender and Borrower otherwise agree, insurance proceeds shall be applied to restoration or repair of the property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security is lessened, if the repair or restoration of the property in writing, insurance proceeds shall be applied to repair or restore the property or to pay sums secured by this Security instrument, whether or not then due. The period will begin offered to settle a claim, when Lender may collect the insurance proceeds. Lender may use the proceeds to restore or repair the property or to pay sums secured by this Security instrument, whether or not then due. The period will begin offered to settle a claim, when Lender may collect the insurance proceeds. Lender may use the proceeds to restore or repair the property or to pay sums secured by this Security instrument, whether or not then due. The period will begin

All insurance policies and renewals shall be acceptable to Lennder and shall include a standard mortgage clause, unless otherwise specified by the Lender.

If the due amounts of the Funds held by Lennder, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be paid by Lennder, held by Lennder to pay the escrow items when due, Borroower shall pay to Lennder any amount necessary to make up the difference in one or more payments as required by Lennder.

Upon payment in full of all sums secured by this Security Instrument, Lennder shall promptly return to Borroower any Funds held by Lennder. If under Paragraph 19 the Property is sold or acquired by Lennder, any Funds held by Lennder at the time of any immediate transfer to the sale of the Property or its acquisition by Lennder, any Funds held by Lennder at the time of any immediate transfer to the sale of the Property or its acquisition by Lennder, Lennder shall apply, no later than immediately prior to the date of the transfer, unless applicable law otherwise, all payments received by Lennder under Paragraphs 1 and 2 shall be applied, unless applicable law otherwise, to principal charges due under the Note; second, to prepayment charges due under the Note; and last, to principal due.

3. Application of Payments. Unless applicable law otherwise, all payments received by Lennder under Paragraphs 1 and 2 shall be applied, to late charges due under the Note, to interests due; and last, to principal due.

Note: third, to amounts payable under Paragraph 2; fourth, to interests due; and last, to principal due.

4. Charges. Lennder, Borroower shall pay all taxes, assessments, charges, fees and impositions attributable to the property which may arise over this Security Instrument, and leasehold payments or ground rents, if any.

Borroower shall pay the amounts provided in Paragraph 2, or if not paid in that manner, Borroower shall pay them on time directly to the person named in the instrument. Borroower shall promptly furnish to Lennder notices of amounts to be paid under this instrument.

If Borroower fails to pay these amounts directly to the person named in the instrument, Borroower shall pay amounts to be paid under this instrument.

1. Payment of Principal and Interest and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and timely prepayment of the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay one-twelfth of: (a) yearly taxes and assessments which may strain priority over this Security Instrument; (b) yearly household payments of ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the funds due on the basis of current data and reasonable estimates of future escrow items.

Monthly payments of principal and interest shall be due on the first day of each month beginning the first of the month following the first advance under this Note. The monthly payments shall be sufficient to pay in full the principal and following interest of my Note in substantially equal payments by the maturity date at the last payment billings cycle prior to the payment and rounded up to the next dollar. Except for the last payment billings cycle, the payments under this Note will reduce the principal balance on this Note and prepayments will result in an interest rate which results in the interest rate by prepayment failure to pay principal or interest as it becomes due.

Each month that there is an outstanding principal balance I will receive a billing which will show the outstanding principal balance carried forward from the last billing date, the date and amount of additional advance(s) of principal or payment(s) since the last billing date and the amount of interest added at the end of the billing cycle, the annual percentage rate, periodic rate, payment due, late charge date, new balance, available balance and any other items the Note Holder may choose to disclose.

5. WHEN PRINCIPAL RECEIVED

The principal of this loan represents a revolving line of credit available to me. . . . In no event shall voluntary advances be made after the twentieth anniversary of the original Note.

B. ADDITIONAL NON-UNIFORM COVENANTS

24. ADDITIONAL INSURANCE. In the event that any, either or all of the undersigned Borrowers shall elect to secure life or disability insurance or both, or insurance of similar nature, in an amount, form and company acceptable to the Lender as additional security for the indebtedness hereby secured, the Borrowers agree to pay or provide for the payment of all premiums on such insurance policies; and further agree that the Lender may advance any premiums due and payable on such insurance policies, and add the amount so advanced in payment of premiums as additional debt secured hereby, with interest at the Note rate.

25. RELEASE FEE. Notwithstanding Covenant 21 of the Security Instrument to the contrary, this Security Instrument shall be released upon cancellation of the line of credit and payment to the Lender of the indebtedness secured hereby pursuant to the terms hereof and the payment of its reasonable release fee.

26. PRIOR MORTGAGE. The Borrower's affirm that they are the obligors under a note secured by a mortgage, in the original sum of \$5,000.00 DOLLARS, dated SEPTEMBER 10, 1987 and recorded in the Recorder's Office of COOK County, Illinois, as Document No. 87586787 and hereby specifically agree that when and if they permit said note or mortgage to become in default under any of their terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

27. DEFERRAL OF TAX AND INSURANCE ESCROWS. This mortgage provides for payments to be made for tax and insurance escrows. As long as the mortgage referred to in paragraph 26 is outstanding and all taxes and insurance premiums are paid the escrow provisions in this mortgage will not be enforced. However, should said previous mortgage be repaid, the Borrower will begin making escrow payments in accordance with this mortgage.

28. STAFF ATTORNEYS' FEE. The term "attorneys' fees" shall include reasonable fees charged by the Lender for the services of attorneys on its staff.

29. DEFAULT. In the event of any default under the terms of the Mortgage, the Equity Loan Mortgage Rider or the Equity Loan Note, Lender will notify Borrower in writing pursuant to Paragraphs 13, 17 and 19 of the Mortgage, of acceleration of this loan. Upon the giving of notice of acceleration, no future advances under the Line of Credit will be permitted. If Borrower cures the default to Lender's satisfaction, future advances under the Line of Credit may be made.

30. ASSUMPTION. Notwithstanding anything in Paragraph 17 of the Mortgage to the contrary, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) the Line of Credit will be terminated. Termination of the Line of Credit pursuant to this paragraph will not affect or negate any of Lender's other rights and remedies under Paragraph 17 of the Mortgage.

31. LIEN OF MORTGAGE. The lien of this Mortgage secures payment of any existing indebtedness and future advances made pursuant to the Equity Loan Note in the same extent as if such future advances were made on the date of the execution of this Mortgage without regard to whether or not there is any advance made at the time this Mortgage is executed and without regard to whether or not there is any indebtedness outstanding at the time any advance is made. BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in that Equity Loan Mortgage Rider.
