UNIFORM COVENANTS, Borrower and Lender, dated [REDACTED] and executed [REDACTED]

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extreme coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remodelate. If Borrower meets certain conditions, Borrower shall have the right to have each occurrence of this security instrument discontinued or modified at any time prior to the earlier of (a) 5 days after payment of such amounts due in this security instrument, or (b) entry of a judgment entitling this security instrument to the power of sale conditions are satisfied. Before any application for remodelling, Borrower shall have the right to have each occurrence of this security instrument discontinued or modified at any time prior to the earlier of (a) 5 days after payment of such amounts due in this security instrument, or (b) entry of a judgment entitling this security instrument to the power of sale conditions are satisfied.

If Leender exercises this option, Leender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums accrued by this SecuritY instrument. If Borrower fails to pay these sums prior to the expiration of this period, Leender may invoke any remedies permitted by law without further notice or demand on Borrower.

16. Borrower shall be given one copy of the Note and of this Security Instrument.
 17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in Borrower is sold or transferred without written consent, Lender may, at his option, require immediate payment in full of all sums accrued by this Security Instrument. However, this option shall not be exercisable by Lender if it is prohibited by federal law as of the date of this Security Instrument.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision of this Security Instrument or the Note is held to be contrary to the applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note and the remaining provisions will remain in full force and effect.

14. Notices. Any notice to Borrower unless specifically provided for in this Security Agreement shall be given by mail unless otherwise agreed by the parties, or by telecopy, facsimile, electronic mail or other means of communication which produces a paper copy that is equivalent to delivery by mail, or by personal delivery, or by telephone if confirmed in writing. Any notice given by telephone shall be deemed to have been given to Borrower at the time it is delivered to Borrower. Any notice provided for in this Security Agreement shall be deemed to have been given to Borrower at the time it is delivered to Borrower. Any notice given by mail to Lender, or to any other addressee listed herein or to any other address, Lender or designees shall be deemed to have been given to Lender at the time it is received by Lender. Any notice to Lender shall be deemed to have been given by Lender at the time it is received by Lender. Any notice given by facsimile, electronic mail or other means of communication which produces a paper copy that is equivalent to delivery by mail, or by personal delivery, or by telephone if confirmed in writing, shall be deemed to have been given to Lender at the time it is received by Lender. Any notice given by telephone shall be deemed to have been given to Lender at the time it is delivered to Lender.

13. **Legislation**. After terminating a Right, if an amendment or a variation of applicable laws (the effect of which may require immediate payment by the Notee or this Security Instrument) occurs during the term, Lender has the right to rescind such amendment or variation and make any remedy permitted by this option available.

12. **Loan Charges.** If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that it authorizes or other loans charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the loan charged to the permitted limits; and (b) any sums already collected from Borrower under the Note or by making a direct payment to Borrower, if it is referred and reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

11. Successors and Assignees
This Security Instrument shall bind in its entirety the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 17. Borrower's co-ventures shall be joint and several. Any Borrower who co-signs this Security Instrument or any co-signer of Lender and Borrower, subject to the provisions of Paragraph 17, shall be liable to Lender and Borrower and his/her/its successors and assigns in the same manner as if he/she/it had signed this Security Instrument personally.

by the original Borrower or his successor, in interest. Any further exercise by Lender in exercising any right or remedy

10. **Borrower's Net Release:** Borrower shall provide written notice to Lender of the date of each monthly payment thereafter in writing, any application of principal shall not extend or postpone the due date of such payments referred to in paragraphs 1 and 2 or change the amount of such payments. In the event of a total taking of the Property, the proceeds shall be applied to the sum accrued by the Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree, the sum secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (A) the total amount of the sums secured immediately before the taking, divided by (B) the fair market value of the Property immediately before the taking. CONDOMINIUM RIDER 16-131579-3
UNOFFICIAL COPY

THIS CONDOMINIUM RIDER is made this 28TH day of NOVEMBER 1989, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to ARLINGTON HEIGHTS FEDERAL SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:
501 NORTH WELLS STREET UNIT W-2, CHICAGO, ILLINOIS 60610
(Property Address)

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium project known as:

LOFTWORKS ON WELLS

(Name of Condominium Project)

(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project (the "Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property also includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Condominium Obligations. Borrower shall perform all of Borrower's obligations under the Condominium Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other document which creates the Condominium Project; (ii) by-laws; (iii) code of regulations; and (iv) other equivalent documents. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy on the Condominium Project which is satisfactory to Lender and which provides insurance coverage in the amounts for the periods, and against the hazards Lender requires, including fire and hazards included within the term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the Security Instrument, with any excess paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Uniform Covenant 9.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

(ii) any amendment to any provision of the Constituent Documents if the provision is for the express benefit of Lender;

(iii) termination of professional management and assumption of self management of the Owners Association; or

(iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay condominium dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Condominium Rider.

ADJUSTABLE RATE RIDER

(Cost of Funds Index—Rate Caps—Fixed Rate Conversion Option)

THIS ADJUSTABLE RATE RIDER is made this 28th day of NOV., 19 89, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to
ARLINGTON HEIGHTS FEDERAL SAVINGS AND LOAN ASSOCIATION
(the "Lender") of the same date and covering the property described in the Security Instrument and located at:

501 NORTH WELLS STREET UNIT W-2, CHICAGO, IL 60610

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of **9.250 %**. The Note provides for changes in the adjustable interest rate and the monthly payments, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The adjustable interest rate I will pay may change on the first day of **JAN., 19 95**, and on that day every **12th** month thereafter. Each date on which my adjustable rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the monthly weighted average cost of savings borrowings and advances of members of the Federal Home Loan Bank of San Francisco (the "Bank"), as made available by the Bank. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **TWO AND 75/100 percentage points (2.75 %)** to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than **11.250 %** or less than **8.000 %**. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than **2.000 percentage point(s) (2.000 %)** from the rate of interest I have been paying for the preceding **12 months**. My interest rate will never be greater than **14.000 %**, which is called the "Maximum Rate."

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

5. FIXED INTEREST RATE CONVERSION OPTION

(A) Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can only take place on a date(s) specified by the Note Holder during the period beginning on the **FIRST Change Date** and ending on the **THIRD Change Date**. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date."

If I under-exercised this option, I under-shall give Borrower notice of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered or accelerated within which Borrower must pay all sums specified by this Security Instrument, if Borrower fails to pay these sums prior to the expiration of this period, I under-shall sue for the amount due plus interest at the rate of 12% per annum. If Borrower fails to make any remedy permitted by this Security Instrument without further notice of demand on Borrower, my notice may invoke any remedy permitted by this Security Instrument without further notice of demand on Borrower.

Transfer of the property or a beneficial interest in borrower. If all or any part of the property or any interest in the title to the property in the event of the death of the borrower is sold or transferred and borrower is not a natural person without lender's prior written consent, lender may, at his option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by lender if exercise is prohibited by federal law as of the date of this Security Instrument.

Instrument without further notice or demand on Borrower.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than one day from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by law.

To the extent permitted by applicable law, I and/or my charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may charge a reasonable fee to Lender under this Note and in this Security instrument. Borrower will continue to be obligated under the Note and all the promises and agreements made in the Note acceptable to Lender and that obligates the transferee to sign an assumption agreement that is consistent with this Note.

I, Linda Horowitz, agree to the terms of the Conversion Option under the conditions stated in Section B of this Addendum.

C. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment to repay the principal I am entitled to owe on the Conversion Date in payment in full, which would be sufficient to repay the unpaid principal I am entitled to receive on the Conversion Date in full on the Note. The new amount of my monthly payment, beginning with my first monthly payment after the conversion date I will pay the new amount as my monthly payment until the Maturity Date.

documents the Note Holder requires to effect the conversion;

(b) I must give the Note Holder notice that I want to do so; (c) on the Conversion Date, I must not be in default under the Note; (d) the Note Holder may require me to pay a conversion premium or discount if the Note is converted.
