#### A. ADJUSTABLE INTEREST RATE PROVISIONS.

I agree that the interest rate on the Note will be adjusted on each Interest Rate Adjustment Date, as defined below, to be equal, on and after such date until the next Interest Rate Adjustment Date, to the sum of (i) the most recently sval able monthly weighted average cost of funds for Eleventh District Members of the Federal Home Loan Bank (such monthly weighted average cost of funds being hereafter referred to as the percentage points. "Index"); plus (ii) TWO AND 10/100-----

#### Interest Rate Autustments.

Changes in the interest rate on the Note will become effective commencing on AUGUST 1, 1989 , and on the same uave each month thereafter, each of which dates is called an "Interest Rate Adjustment Date." No adjustment to the interest rate on any Interest Rate Adjustment Date shall result in an interest rate that is greater than --- 3,2500% per annum.

#### Payment Adjustments.

The monthly payment amount shall be adjust d on MARCH 1, 1990 he same date each 121H month thereoffer, each of which dates is called a "Payment and on the same date each Adjustment Date". If an interest rate change has been made on an Interest Rate Adjustment Date, the amount of the regular monthly principal and interest payments will be adjusted on the next Payment Adjustment Date so as to be sufficient to amortize the remaining principal because as of the Due Date at the interest rate accruing during the month prior to the month that the new payment is due. Except as provided below, during the 12-month period following the date of this first monthly paymen and during each 12-month period thereafter (each of which 12-month periods is called a "Loan Year") no increase or decrease in a monthly principal and interest payment will be greater than 7 1/2% of (i) the repount of the first regular monthly payment in the case of the first Loan Year, or (ii) the amount of the last regularly scheduled payment of the immediately preceding Loan Year in the case of each Loan Year after the fire. Loan Year.

#### Principal Balance Adjustments.

If any monthly payment is less than the amount of interest accrued for a month either because of an interest rate adjustment or because of the 7 1/2% limitation on increases or decleas in the monthly payment amount, such accrued but unpaid interest will be added monthly to the unpaid principal balance and will thereafter bear interest at the interest rate that is from time to time payable on the Note. Notwithstanding any other provisions of the Note, including the 7 1/2% limitation contained in the preceding subparagraph (b), commencing on FEBRUARY 1, 1994 and on the same date every date five years thereafter, the amount of the regular monthly principal and interest payments on the Note will be adjusted to be sufficient so as to amortize the remaining principal balance as of the Due Date at the rate of interest accruing during the month prior to the month that the new payment is due if such interest rate were to continue in effect until the Due Date.

If the outstanding principal balance of your loan should equal or exceed 125% of the original principal balance, the monthly payments on your loan will be recalculated to fully amortize the outstanding principal balance at the interest rate accruing during the month prior to the month that the new payment is due, for the remaining loan term, assuming there are no further changes to the interest rate. Such new payment will continue until the earlier of the next payment adjustment date or the month after the loan balance again equals or exceeds 125% of the original principal balance.

On the final Payment Adjustment Date, the amount of the monthly principal and interest payments will be adjusted so as to be sufficient to amortize the remaining principal balance as of the Due Date at the interest rate accruing during the month prior to the month that the new payment is due. The final monthly payment due at maturity may be more than the scheduled monthly payment. Since the loan plan provides that the monthly payment is fixed for the last year of the loan term but the interest rate is subject to change

every month, the monthly payments may not be sufficient to pay the loan in full if the interest rate increases. If the interest rate decreases, the final payment may be less than the scheduled payment.

#### (d) Waiver of Increases.

Interest rate increases on each Interest Rate Adjustment Date are at the holder's option, but if the holder does not invoke a permissible interest rate increase in whole or in part, this will not constitute a waiver of the holder's right later to invoke such an increase, subject to the other provisions of the Note.

#### (e) Alternative Index.

If, at any time during the term of the Note, the Index is no longer available or is otherwise unpublished, the holder may select an alternative published Index over which the holder has no control, in which case such alternative Index will become the Index provided in paragraph 2 of the Note. Holder shall next determine the adjustment to the loan factor provided in paragraph 2 of the Note based upon the value of the substituted Index as of the last preceding Interest Rate Adjustment Date on which the prior Index was available or the date of the Note, whichever occurs later, such that the sum of the substituted Index and the adjusted logic factor equals the sum of the prior Index and the loan factor set forth in paragraph 2 of the Note as of such date. The most recent value of the substituted Index, as announced from time to time, and such adjusted loan factor shall become the Index and the loan factor for purposes of paragraph 2 of the Note.

#### (f) Modices.

Notices of any change in the interest rate or amount of the regular monthly installment shall be deemed given by the holder when deposited in the United States mail, postage prepaid, addressed to the maker, or, to the person shown on the holder's records as transferee at the time of giving notice.

#### B. LOAN CHARGES

It could be that the loan securic by this Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan, would exceed permitted limits. If this is the case, then (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make the refunded by reducing the principal owed under the Note, or by making a direct payment to Borrower.

#### C. PRIOR LIENS

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of this Security Instrument, or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
