MORTGAGE

(Revised April 1970) (Revised July 1984)

卷之三

all debts, obligations and liabilities incurred by reason of any action taken by the Mortgagor, as provided in this Paragraph, all of which amounts so paid by the Mortgagor, with interest thereon from the date of each such payment, at the same rate of interest set forth in the note referred to above, shall be payable by the Mortgagor to the Mortgagor on demand and shall be secured by this mortgage.

4. No building or other structure or improvement, fixture or personal property mortgaged herein shall be removed or demolished without the prior written consent of the Mortgagor. The Mortgagor will not make, permit or suffer any alteration of or addition to any building or other structure or improvement now or which may hereafter be erected or installed upon the mortgaged property, or any part thereof, except the improvements required to be made pursuant to Paragraph 5 hereof, nor will the Mortgagor use, or permit or suffer the use of, any of the mortgaged property for any purpose other than the purpose or purposes for which the same is now intended to be used, without the prior written consent of the Mortgagor. The Mortgagor will maintain the mortgaged property in good condition and state of repair and will not suffer or permit any waste to any part thereof, and will promptly comply with all the requirements of Federal, state and local governments, or of any departments, divisions or bureaus thereof, pertaining to such property or any part thereof.

5. The Mortgagor will not voluntarily create, or permit or suffer to be created or to exist, on or against the mortgaged property, or any part thereof, any lien superior to the lien of this Mortgage, exclusive of the lien or liens, if any, to which this Mortgage is expressly subject, as set forth in the granting clause above and will keep and maintain the same free from the claims of all parties supplying labor or materials which will enter into the construction or installation of the improvements.

6. (a) The Mortgagor will keep all buildings, other structures and improvements, including equipment, now existing or which may hereafter be erected or installed on the land mortgaged hereby, insured against loss by fire and other hazards, casualties and contingencies, in such amounts and manner, and for such periods, all as may be required from time to time by the Mortgagor. Unless otherwise required by the Mortgagor, all such insurance shall be effected by Standard Fire and Extended Coverage Insurance policies, in amounts not less than necessary to comply with the coinsurance clause percentage of the value applicable to the location and character of the property to be covered. All such insurance shall be carried in companies approved by the Mortgagor and all policies therefore shall be in such form and shall have attached thereto loss payable clauses in favor of the Mortgagor and any other parties as shall be satisfactory to the Mortgagor. All such policies and attachments thereto shall be delivered promptly to the Mortgagor, unless they are required to be delivered to the holder of a lien of a mortgage or similar instrument to which this Mortgage is expressly subject, in which latter event certificates thereof, satisfactory to the Mortgagor, shall be delivered promptly to the Mortgagor. The Mortgagor will pay promptly when due as hereinafter provided, and any and all premiums on such insurance, and in every case in which payment thereof is not made from the deposit therefor required by this Mortgage, promptly submit to the Mortgagor for examination receipts or other evidence of such payment as shall be satisfactory to the Mortgagor. The Mortgagor may obtain and pay the premium on (but shall be under no obligation to do so) every kind of insurance required hereby if the amount of such premium has not been deposited as required by this Mortgage, in which event the Mortgagor will pay to the Mortgagor every premium so paid by the Mortgagor.

(b) In the event of loss or damage to the mortgaged property the Mortgagor will give to the Mortgagor immediate notice thereof by mail, and the Mortgagor may make and file proof of loss if not made otherwise promptly by or on behalf of the Mortgagor. Each insurance company issuing any such policy is hereby authorized and directed to make payment hereunder for such loss directly to the Mortgagor, instead of to the Mortgagor and the Mortgagor jointly, unless the amount of loss is payable first to the holder of a lien under a mortgage or similar instrument to which this Mortgage is expressly subject; and the insurance proceeds or any part thereof is received by the Mortgagor may be applied by the Mortgagor, at its option, either in reduction of the indebtedness hereby secured, or to the restoration or repair of the mortgaged property damaged. In the event of foreclosure of this Mortgage, or of any transfer of title to the mortgaged property in extinguishment of such indebtedness, all right, title and interest of the Mortgagor in and to every such insurance policy then in force, subject to the rights and interest of the holder of any such prior lien, shall pass to the grantee acquiring title to the mortgaged property together with such policy and appropriate assignment of such right, title and interest which shall be made by the Mortgagor.

7. (a) In order more fully to protect the security of this Mortgage, the Mortgagor shall deposit with the Mortgagor together with, and in addition to, the payment of principal and interest monthly on account of the Note secured hereby, until the Note is paid in full, an amount of money equal to the total amount of (i) ground rents, if any, next becoming due, (ii) the premiums next becoming due on the policies of fire and all other hazard insurance required by this Mortgagor with respect to the mortgaged property, (iii) taxes, assessments, water rates and other governmental charges next becoming due on the mortgaged property (all the foregoing amounts as estimated by the Mortgagor and set forth in a written notice of such estimate by the Mortgagor to the Mortgagor from time to time), less all amounts that may already have been paid therefor, divided by the number of calendar months to elapse before one calendar month prior to the date when such ground rents, premiums, taxes, assessments, water rates and other governmental charges, respectively, will become due and payable. If any amount referred to in clauses (i) through (iii) hereof is required to be deposited by the Mortgagor under a mortgage or similar instrument having priority over the lien of this Mortgage, the Mortgagor shall make the deposits required by this Paragraph 7 only in the event of the termination of such obligation under the prior mortgage or similar instrument. The Mortgagor shall give prompt notice in writing to the Mortgagor of the occurrence of the last-mentioned event. All such amounts so deposited with the Mortgagor shall be held by the Mortgagor, or any agent designated by it, in trust to be used only for the payment of such ground rents, premiums, taxes, assessments, water rates and other governmental charges. No interest shall be payable by the Mortgagor on any sum so deposited.

(b) All amounts required to be deposited within the Mortgagor monthly in accordance with Paragraph 7(a) hereof, and the amount of principal and interest to be paid each month on account of the Note shall be added together, and the aggregate amount thereof shall be paid by the Mortgagor to the Mortgagor in a single payment to be applied by the Mortgagor on account of the indebtedness of the Mortgagor pursuant to the Note and this Mortgage (to the extent that monies are available from the amount so deposited), in the order, any provision of the Note to the contrary notwithstanding, as follows:

FIRST, to the late charges, if any, referred to in the Note.

SECOND, to the amount of such ground rents, if any, fire and other hazard insurance premiums, taxes, assessments, water rates and other governmental charges required to be paid under the provisions of this Mortgage, in whatever sequence the Mortgagor may exclusively determine.

THIRD, to interest due on the Note; and

FOURTH, the remainder, to the principal due on the Note.

Any deficiency in the amount of any such aggregate monthly payment shall, unless paid by the Mortgagor prior to the due date of the next such deposit payable, constitute an event of default under this Mortgage.

(c) Any excess funds that may be accumulated by reason of the credits required under Paragraph 7(a) hereof, remaining after payment of the amounts described in clauses (i), (ii) and (iii) thereof, shall be credited to subsequent respective monthly amounts of the same nature required to be paid thereunder. If any such amount shall exceed the estimate therefor, the Mortgagor shall forthwith pay to the Mortgagor the amount of such deficiency, upon written notice by the Mortgagor of the amount thereof. Failure to do so before the due date of such amount shall be an event of default under this Mortgage. If the mortgaged property is sold under foreclosure or is otherwise acquired by the Mortgagor after default by the Mortgagor, any remaining balance of the accumulations under Paragraph 7(a) hereof, shall be credited to the principal amount owing on the Note as of the date of commencement of foreclosure proceedings for the mortgaged property, or as of the date the mortgaged property is otherwise so acquired.

8. The Improvements and all plans and specifications therefor shall comply with all applicable municipal ordinances, regulations, and rules made or promulgated by lawful authority, and upon their completion shall comply therewith.

The Mortgagor is lawfully seized of the mortgaged property and has good right, full power and lawful authority to sell and convey the same in the manner above provided, and will warrant and defend the same to the Mortgagee forever against the lawful claims and demands of any and all parties whatsoever.

21. This Mortgage and all the covenants, agreements, terms and conditions herein contained shall be binding upon and inure to the benefit of the Mortgagor and the heirs, legal representatives and assigns of the Mortgagor, and, to the extent permitted by law, every subsequent owner of the mortgaged property; and shall be binding upon and inure to the benefit of the Mortgagee and its assigns.
