Borrower and Lender covenant and agree as follows:

1. **Borrower's General Agreements.** Borrower shall (a) promptly repair, restore or rebuild any buildings or improvements now or hereafter on the Property which may become damaged or be destroyed; (b) keep said Property in good condition and repair, without waste, and free from mechanics' liens or other liens or claims for lien not expressly subordinated to the lien hereof; (c) pay when due any indebtedness which may be secured by a lien or charge on the Property superior to the lien hereof, and upon request exhibit satisfactory evidence of the discharge of such prior lien to Lender; (d) complete within a reasonable time any building or buildings now or at any time in process of erection upon said Property; (e) comply with all requirements of law, municipal ordinances, or restrictions of record with respect to the Property and the use thereof; (f) make no material alterations in said Property except as required by law or municipal ordinance, or improvement without the express written approval of lender; (g) not use or suffer or permit use of the Property for any purpose other than residential occupancy; (h) initiate or acquiesce in no zoning reclassification without Lender's written consent; (i) pay each item of indebtedness secured by this Mortgage when due according to the terms hereof or of the Note.
2. **Payment of Taxes and Assessments.** Borrower shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges and other charges against the Property when due, and shall, upon written request, furnish to Lender duplicate receipts therefor. To prevent default hereunder Borrower shall pay in full under protest, in the manner provided by statute, any tax or assessment which Borrower may desire to contest. In the event, as owner of the Property, Borrower shall be entitled to the benefits of membership in any home owners' association, or similar organization affording recreational or other facilities for the use of Borrower and other property owners or occupants in the vicinity of the Property, or to the use, in common with others, of any such facilities located beyond the Property by any arrangement whereby the cost of such facilities is to be shared by the users thereof, Borrower agrees to become a member of such association (incorporated or unincorporated) and to perform all obligations of membership, including the payment of any and all dues, assessments, service fees or other obligations incurred, to maintain such membership. The term "assessments," as used in paragraph three hereof, shall be deemed to include all payments so required.
3. **Tax Deposits.** Subject to applicable law or to a written waiver by Lender, Borrower covenants and agrees to deposit with lender, on each principal and interest installment payment date, until the indebtedness secured by this Mortgage is fully paid, a sum equal to one-twelfth of the last total annual taxes and assessments for the last ascertainable year (general and special) on said Property (unless said taxes are based upon assessments which exclude the improvements or any part thereof now constructed, or to be constructed, in which event the amount of such deposits shall be based upon the Lender's reasonable estimate as to the amount of taxes and assessments to be levied and assessed). Borrower, concurrently with the disbursement of the loan, will also deposit with Lender an amount, based upon the taxes and assessments so ascertainable or so estimated by the Lender, as the case may be, for taxes and assessments on said Property, on an accrual basis, for the period from January 1, succeeding the year for which all taxes and assessments have been paid, to and including the date of the first deposit required by this paragraph. Such deposits are to be held without any allowance of interest and are to be used for the payment of taxes and assessments (general and special) on said Property next due and payable when they become due. If the funds so deposited are insufficient to pay any such taxes or assessments (general and special) for any year when the same shall become due and payable, the Borrower shall within ten (10) days after receipt of demand therefor, deposit such additional funds as may be necessary to pay such taxes and assessments (general and special) in full. If the funds so deposited exceed the amount required to pay such taxes and assessments (general and special) for any year, the excess shall be applied on a subsequent deposit or deposits.
4. **Insurance Deposits.** Subject to applicable law or to a written waiver by Lender, Borrower covenants and agrees to deposit with Lender on each principal and interest installment payment date, until the indebtedness secured by this Mortgage is fully paid, an installment of the premium or premiums that will become due and payable to renew the insurance as required by paragraph 6 hereof. Each of such installments shall be in an amount as determined by lender which, by the payment of approximately equal installments, will result in the accumulating in the hands of the Lender a sufficient amount to pay renewal premiums upon such policies of insurance at least one month prior to the expiration date or dates of the policy or policies to be renewed; such deposits to be held without any allowance of interest and to be used for renewal of such insurance policies. If the funds so deposited are insufficient to pay all premiums for such renewals, Borrower shall within ten (10) days after receipt of demand therefor deposit such additional funds as may be necessary to pay such premiums. If the funds so deposited exceed the amount required to pay such premiums, the excess shall be applied on a subsequent deposit or deposits.
5. **Lender's Interest in and Use of Deposits.** In the event of a default in any of the provisions contained in this Mortgage or in the Note secured hereby, the Lender may at its option, without being required to do so, apply any moneys at the time on deposit pursuant to paragraph 3 or 4 hereof, on any of Borrower's obligations herein or in the Note contained in such order and manner as the Lender may elect. When the indebtedness secured hereby has been fully paid, any remaining deposits shall be paid to Borrower or to the then owner or owners of the mortgaged Property. Such deposits are hereby pledged as additional security for the indebtedness hereunder and shall be applied by the depository for the purposes for which made hereunder and shall not be subject to the direction or control of the Borrower; provided, however, that the Lender shall not be liable for any failure to apply to the payment of taxes and assessments any amount so deposited unless Borrower, while not in default hereunder, shall have requested said depository in writing to make application of such funds to the payment of the particular taxes or assessments for payment of which they were deposited.
6. **Insurance.** Borrower shall keep all buildings and improvements now or hereafter situated on said Property insured against loss or damage by fire, hazards included within the term "extended coverage," and such other hazards as may reasonably be required by Lender, including, without limitation on the generality of the foregoing, war damage insurance whenever in the opinion of Lender such protection is necessary. Borrower shall also provide liability insurance with such limits for personal injury and death and property damage as Lender may require. All policies of insurance to be furnished hereunder shall be in forms, companies and amounts satisfactory to Lender, with standard mortgage clauses attached to all policies in favor of and in form satisfactory to Lender, including a provision requiring that the coverage evidenced thereby shall not be terminated or materially modified without ten (10) days' prior written notice to the Lender. Borrower shall deliver all original policies, including original additional and original renewal policies, to Lender, and, in the case of insurance about to expire, shall deliver original renewal policies not less than ten (10) days prior to the respective dates of expiration.
7. **Adjustment of Losses with Insurer and Application of Proceeds of Insurance.** In case of loss, the Lender (or after entry of decree of foreclosure, the purchaser at the sale or the decree creditor, as the case may be) is hereby authorized either (a) to settle and adjust any claim under such insurance policies without consent of Borrower, or (b) to allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss. In either case Lender is authorized to collect and receipt for any such insurance money. The insurance proceeds shall be applied to restoration or repair of the Property damaged provided such restoration or repair is economically feasible. The determination of economic feasibility shall be made by lender. If such restoration or repair is not economically feasible, the insurance proceeds shall be applied to the sums secured by this Mortgage, with the excess, if any, paid to Borrower. If the Property is abandoned by Borrower or if Borrower fails to respond to Lender within fifteen (15) days after notice by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.
8. **Prepayment Privilege.** At such time as the Borrower is not in default either under the terms of the Note secured hereby or under the terms of this Mortgage, the Borrower shall have the privilege of making prepayments on the principal of said Note (in addition to the required payments) in accordance with the terms and conditions, if any, set forth in said Note.
9. **Effect of Extensions of Time.** If the payment of the indebtedness or any part thereof be extended or varied or if any part of the security be released, all persons now or at any time hereafter liable therefor, or interested in said Property, shall be held to assent to such extension, variation or release, and their liability and the lien and all provisions hereof shall continue in full force, the right of recourse against all such persons being expressly reserved by the Lender, notwithstanding such extension, variation or release.
10. **Lender's Performance of Defaulted Acts.** In case of default herein, Lender may, but need not, make any payment or perform any act herein required of Borrower in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem from any tax sale or forfeiture affecting said premises or contest any tax or assessment. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other moneys advanced by Lender to protect the Property and the lien hereof, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon from the date of disbursement at the rate stated in the Note. Inaction of Lender shall never be considered as a waiver of any right accruing to it on account of any default on the part of Borrower.

If Lender has waived the option to accelerate provided in this paragraph 18, and if Borrower's successor in interest has executed a written assumption agreement accepted in writing by Lender, Lender shall release Borrower from all obligations under this Mortgage and the Note.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 24 hereof. Such notice shall provide a period of not less than thirty (30) days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraphs 12 and 13 hereof.

19. **Lender's Right of Inspection.** Lender shall have the right to inspect the Property at all reasonable times and access thereto shall be permitted for that purpose.
