My biweekly payment will be in the amount of U.S. \$

(C) Manner of Payment

My biweekly payments will be made by an automatic deduction from an account I will maintain with the Note Holder. On or before the date of this Note, I will cause the Note Holder to have in its possession my written authorization and voided check for the account from which my biweekly payments will be deducted. I will keep sufficient funds in the account to pay the full amount of each biweekly payment on the date it is due. I will not change the account from which my biweekly payments are deducted to a new account with the Note Holder without the prior written consent of the Note Holder.

I understand that the Note Holder, or an entity acting for the Note Holder, may deduct the amount of my biweekly payment from the account to pay the Note Holder for each biweekly payment on the date it is due until I have paid all amounts owed under this Note.

4. TERM

If I make all by biweekly payments on time and pay all other amounts owed under this Note, I will repay my loan in full on OCTOBER 22, 2009 , which is called the "Maturity Date". If on the Maturity Date, I still owe amounts under this Note, I will pay those amounts in full on that date.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder does not receive the full amount of any biweekly payment on the date it is due, I will pay a \$25.00 processing charge to the Note Holder. If the Note Holder has not received the full amount of any biweekly or monthly payment by the end of \$15\$ calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be \$5 % of my overdue payment of the principal and interest. I will pay this late charge and processing charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of my biweekly or monthly payment on the date it is due, I will be in default.

(C) Conversion From Biweekly Payments

If any one of the following conditions exist, the Note Holder may increase the interest rate pursuant to Section 2 above and the amounts of future payments due under the Note and change the due date of each such payment from biweekly to monthly (this is called a Conversion);

- i) I fail to Jeilver my written authorization and voided check as required under Section 3(C) above;
- ii) I fail to mair tain the account I am required to maintain under Section 3(C) above;
- iii) If for any reason (including but not limited to insufficient funds or unavailable funds in my account or processing errors made by an entity other than the Note Holder) the Note Holder is unable to deduct the full biweekly payment due on any three biweekly payment due dates during any twelve consecutive months of the loan term.

Upon conversion, automatic deductions will cease. All monthly payments will be due on the first day of each month and must be remitted by means other than automatic deduction. Once converted, payments can never be changed back to biweekly due dates.

The Note Holder will determine my new payments by calculating an amount sufficient to repay the balance which would be owed under the Note (assuming a I payments had been made on time) at the increased interest rate in substantially equal monthly installments from the effective date of the interest rate increase to the Maturity Date. As soon as the Note Holder electors convert payments to monthly due dates, a Conversion Notice will be sent to me specifying the effective date of the change to monthly due dates; the amounts of the new monthly payments; the new interest rate; the effective date of the interest rate increase; and the aggregate amount of any past due payments. The effective date of the change to monthly due dates will, however, precede the effective date of the interest increase. Monthly payments which precede the effective date of the interest rate increase will be calculated at the original interest rate and may include interest and principal payments for any number of days which fall between the last biweekly payment due date and effective date of change to monthly due dates. The amounts of these monthly payments will also be set forth in the Conversion Notice. After Conversion, I will ray all sums due, pursuant to the Conversion Notice, and if I still owe amounts under this Note on the Maturity Date, I will pay those amounts in full on that date in accordance with Section 4 above.
