UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remodel. If Borrower meets certain conditions, Borrower shall have the right to have agreement of this Security instrument discontested at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security instrument. Those conditions are that Borrower has performed all sums which are due under this Security instrument and the Note had no acceleration (b) entry of a judgment notwithstanding the entry of a decree of a court of competent jurisdiction that the Note and the Security instrument are voidable at any other conveyance of the Property by Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Interest in it is sold or transferred prior to its maturity. It is an ordinary form of a security instrument.

Note each item as given except throughout the continuing provisions. In this end the provisions of this Security Instrument and the Note are declared to be severable.

15. **General Severability.** This Security Instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or clause of this Note conflicts with applicable law, such conflict shall not affect other provisions of this Note.

First class mail to Lenders address stated herein or, if changed, to such other address as Lender may designate by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. **Notices.** Any notice to Borrower provided for in this Security Interest margin shall be given by deliverying it or by paragrapgh 14.

13. **Legislative Action Against Landender's Rights.** If enactment or application of applicable laws has the effect of rendering any provision of the Note of this Security Instrument ineffective according to its terms, Landender, at his option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Landender exercises this option, Landender shall take, one steps specified in the second paragraph of this section.

12. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then—(a) any such loan charge shall be reduced by the amount necessary to reduce the loan charge to the permitted limits; and (b) any sums already collected from Borrower which were or by making a direct payment to Borrower, Lender may choose to make this reduction by reducing the principal owed under the Note or by making a direct payment to Borrower. If a law which reduces principal, the reduction will be partial payment without any prepayment charge under the Note.

11. Successors and Assigees; Severability; Co-Strangers. The covenants and agreements of this Security Instrument shall bind all successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but executes the instrument at a location other than the office of the provider, shall be liable only to the provider for the amount of the debt. This Security Instrument shall be governed by the laws of the state where it was executed. Any provision of this Security Instrument which is contrary to law is hereby declared to be void and ineffective to the extent of such non-compliance, but the remainder of this Security Instrument shall not be affected thereby.

payable from otherwise made by the sums secured by this Security Instrument by reason of any demand made by the original Borrower or before vest's successions in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower's liability of the original Borrower or Borrower's successors in interest to pay such amounts to Lender shall not be construed to constitute pre-emption of any successor in interest of Lender to exercise its rights to payment of the principal amount of the original Borrower's liability.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property unless Borrower and Lender otherwise agree in writing, the sums secured by this instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured before the taking, divided by (b) the fair market value of the Property immediately before the taking. ADJUSTABLE RATE RIDER (ANNUAL AND LIFETIME RATE CAPS)

THIS ADJUSTABLE RATE RIDER is made this 15th day of DECEMBER, 1988, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to BELL FEDERAL SAVINGS AND LOAN ASSOCIATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

329 GRISSON CT., HOFFMAN ESTATES, IL 60195

PROPERTY ADDRESS

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE BORROWER MAY LIMIT MONTHLY PAYMENT INCREASES TO 7 1/2% EACH YEAR IF THE PROVISIONS OF THE NOTE PERMIT IT.

Additional Covenants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.625%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES; BORROWER'S RIGHT TO LIMIT PAYMENT

(A) Change Dates

The interest rate I will pay may change on the first day of FEBRUARY, 1990, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index." The "Index" is the National Monthly Median Cost of Funds Ratios to FSLIC Insured Institutions, as made available by the Federal Home Loan Bank Board.

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND ONE-HALF percentage points (2.500%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Change Date.

The interest rate cannot be increased or decreased by more than 2.0 percentage points at any Change Date. This limitation and the limitation on the new monthly payment increase of Section 4 (E) below will:

be effective immediately,

be effective after the first Change Date.

The interest rate on this loan will never exceed 13.625 percent per annum.

62647513

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Payment". It will be the new amount of my monthly payment unless I choose the amount permitted by Section 4(E) below.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

BY SIGNING BELOW, BORROWER AGREES TO THE TERMS AND CONDITIONS CONTAINED IN THIS ADDENDUM.

27. STAFF ATTORNEYS' FEES. The term "attorneys' fees" shall include reasonable fees charged by the law firm or the services of attorneys on its staff.

6. ASSUMPTION POLICY. Notwithstanding Gov. Reg. 17 of the Security Instrument, the Lender shall allow assumption by a prospective purchaser of the property securing this loan provided that: (1) The terms of the Note and the Security Instrument are not otherwise in default; (2) The Lender shall have the right to approve or disapprove the Securitization instrument; (3) In my and all events, any Lender shall have the right to charge a premium (1% of the principal balance of this loan, said assumption fee to be charged to the extent allowed by applicable state law, plus the right to charge an assumption fee of the greater of \$400.00 or ONE thousand dollars) on outstanding principal balance of this loan, said assumption fee to be charged to the extent allowed by applicable state law.

25. RELEASE FEE. Notwithstanding Coverage and the Security Instrument to the contrary, this Security Instrument shall be released upon payment to the Lender of the indebtedness secured hereby, pursuant to the terms hereof and the payment of its reasonable fees.

ARTICLE NINETEEN GOVERNMENT INSTRUMENTS In the event that any, either or all of the undersigned Borrowers shall elect to assume the or discharge insurance, or both, or insurance of similar nature, in amounts, form and company acceptable to the Lender in accordance with the terms and conditions herein, the Lender and Borrower shall agree as follows:

beginning we do the first monthly payment after the initial change date, I will pay the full payment as my monthly payment.

Keyboards (I)

My unpaid principal can never exceed a maximum amount equal to one hundred twenty-five thousand (125,000) of the principal amount I originally borrowed. My unpaid principal could exceed that maximum amount if I pay a limited payment. If so, on the date that my paying my limited payment would cause me to exceed that limit, I will instead begin paying a new monthly payment until the next Change Date. The new monthly payment will be in an amount which would be sufficient to repay my then unpaid principal in full on the maturity date in my current note in subspace, daily, equal payments.

(H) Limit on the Output Principal; Increased Monetary Policy

If I choose to pay the limited payment, my monthly payment could be less than the amount of the interest portion of the monthly payment to repay the unpaid principal. The monthly payment would be sufficient to satisfy the unpaid principal if I owe in the monthly payment date in full on the maturity date in substantially equal payments. If so, each month than the limited payment is less than the monthly payment date in full on the maturity date in substantially equal payments. If so, each month than the limited payment is less than the amount of the interest portion of the monthly payment to repay the unpaid principal.

(G) Additions to My Unpaid Principal

Unless Subsections 4(H) and 4(I) below will not permit me to do so, I may elect to limit the amount of my new monthly payment following a change. Due to the amount I have been paying multiplied by the number 1.075, This amount is called the "Limited Payment". It echoes a limited payment made before my first new monthly payment.

CONDOMINIUM RIDER

THIS CONDOMINIUM RIDER is made this 15TH day of DECEMBER 19 88,
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the
"Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to
..... BELL FEDERAL SAVINGS AND LOAN ASSOCIATION (the "Lender")
of the same date and covering the Property described in the Security Instrument and located at:
..... 329 GRISSON CT., HOFFMAN ESTATES, IL 60195 [Property Address]

The Property includes a unit in, together with an undivided interest in the common elements of, a condominium project
known as: BUTTER CREEK CONDOMINIUMS

[Name of Condominium Project]
(the "Condominium Project"). If the owners association or other entity which acts for the Condominium Project (the
"Owners Association") holds title to property for the benefit or use of its members or shareholders, the Property also
includes Borrower's interest in the Owners Association and the uses, proceeds and benefits of Borrower's interest.

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the Security Instrument,
Borrower and Lender further covenant and agree as follows:

A. **Condominium Obligations.** Borrower shall perform all of Borrower's obligations under the Condominium
Project's Constituent Documents. The "Constituent Documents" are the: (i) Declaration or any other document which
creates the Condominium Project; (ii) by-laws; (iii) code of regulations; and (iv) other equivalent documents. Borrower shall
promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. **Hazard Insurance.** So long as the Owners Association maintains, with a generally accepted insurance carrier, a
"master" or "blanket" policy for the Condominium Project which is satisfactory to Lender and which provides insurance
coverage in the amounts, for the periods, and against the hazards Lender requires, including fire and hazards included
within the term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of
the yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property
is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the
Property, whether to the unit or to common elements, any proceeds payable to Borrower are hereby assigned and shall be
paid to Lender for application to the sums secured by the Security Instrument, with any excess paid to Borrower.

C. **Public Liability Insurance.** Borrower shall take such actions as may be reasonable to insure that the Owners
Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in
connection with any condemnation or other taking of all or any part of the Property, whether of the unit or of the common
elements, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds
shall be applied by Lender to the sums secured by the Security Instrument as provided in Uniform Covenant 9.

E. **Lender's Prior Consent.** Borrower shall not, except after notice to Lender and with Lender's prior written
consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the Condominium Project, except for abandonment or termination
required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or
eminent domain;

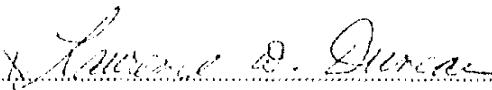

(ii) any amendment to any provision of the Constituent Documents if the provision is for the express benefit of
Lender;

(iii) termination of professional management and assumption of self-management of the Owners Association;
or

(iv) any action which would have the effect of rendering the public liability insurance coverage maintained by
the Owners Association unacceptable to Lender.

F. **Remedies.** If Borrower does not pay condominium dues and assessments when due, then Lender may pay them.
Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security
Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of
disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requiring payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Condominium Rider.
