UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest. Borrower shall promptly pay when due the principal and interest indebtedness evidenced by the Note and late charges as provided in the Note. This Mortgage secures payment of said Note according to its terms, which are incorporated herein by reference.

2. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraph 1 hereof shall be applied by Lender first to interest due on the Note, second to the principal due on the Note, and then to other charges, if any, due on the Note.

3. Prior Mortgages and Deeds of Trust; Charges; Liens. Borrower shall perform all of Borrower's obligations, under any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and imposition attributable to the Property which may attain a priority over this Mortgage, and leasehold payments or ground rents, if any.

4. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require and in such amounts and for such periods as Lender may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

5. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

6. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such actions as is necessary to protect Lender's interest.

Any amounts disbursed by Lender pursuant to this paragraph 6, with interest thereon, at the Note rate, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 6 shall require Lender to incur any expense or take any action hereunder.

7. Inspection. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

8. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

UNOFFICIAL COPY

Specified in chapter two, subsection (b) of the statute, the term "unofficial copy" means a copy of any record or document of public entity or political subdivision that is not certified, authenticated, or otherwise made available for inspection by the public.

The term "unofficial copy" does not mean a copy of any record or document of public entity or political subdivision that is certified, authenticated, or otherwise made available for inspection by the public.

In the opinion above, however, I used the words "unofficial copy" and "certified, authenticated, or otherwise made available for inspection by the public" in the same sentence. This is because, while I believe that the term "unofficial copy" is not intended to cover certified, authenticated, or otherwise made available for inspection by the public records, it is my belief that the term "unofficial copy" is intended to cover records that are not certified, authenticated, or otherwise made available for inspection by the public.

Further, evidence of certified, authenticated, or otherwise made available for inspection by the public records is not sufficient to establish that a record is an "unofficial copy".

Under the current definition of "unofficial copy", if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Therefore, under the current definition of "unofficial copy", if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Under the current definition of "unofficial copy", if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Hold Statute: Under current law, if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Microscopic Film: Under current law, if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Copy and Reissue: Under current law, if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Photocopy: Under current law, if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Other: Under current law, if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Conclusion: Under current law, if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".

Final: Under current law, if a record is certified, authenticated, or otherwise made available for inspection by the public, it is not an "unofficial copy".
