UNIFORM COVENANTS, Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. A charge assessed by Lender in connection with Borrower's entering into this Security Instrument to pay the cost of an independent tax reporting service shall not be a charge for purposes of the preceding sentence. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien, which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remisstate. If Borrower meets certain conditions, Borrower shall have the right to remisstate. These conditions are that Borrower: (a) pays all sums which would be due under this Security instrument and the Note had no acceleration declared; (b) cures any default of any other convenants or agreements; (c) pays all expenses incurred in enforcing this security instrument; (d) pays reasonable attorney fees; and (e) provides all sums which would be due under this Security instrument before the date of a judgment in favor of this Security instrument. If Borrower fails to have performed his obligations under this Security instrument to the satisfaction of the Proprietary, the Proprietary may apply for specific performance of any covenants or agreements contained in this security instrument.

11. Lender agrees to provide a period of notice to Borrower of at least 30 days from the date notice is given by Lender to Borrower of a material breach of this Agreement or any provision of this Agreement.

12. Security Instruments. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by law. Security instruments without further notice or demand on Borrower.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or a Beneficial Interest in Borrower is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) to another person without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument, however, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

16. Borrower shall be given one copy of the Note and of this Security Instrument.

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the Note are declared to be severable.

If enactment or acquisition of applicable laws has the effect of rendering any provision of the Note or this Security Instrument ineffective according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies rendered by this Note or this Security Instrument notwithstanding such inaction.

12. **Loan Charges.** If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interests of other loan charges collected or to be collected in connection with the charges to the interest of other loans exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this reduction by reducing the principal owed under the Note or by making a direct payment to Borrower. If a reduction of principal, the reduction will be treated as a prepayment of the Note or by reducing the principal owed.

11. Successors and Assigees; Powers; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or

ADJUSTABLE RATE RIDER 333585-5
(1 Year Treasury Index—Rate Caps—Fixed Rate Conversion Option)

THIS ADJUSTABLE RATE RIDER is made this **9TH** day of **MARCH**
19 89, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust
or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure
Borrower's Adjustable Rate Note (the "Note") to **PACOR MORTGAGE CORP.**,
ITS SUCCESSORS AND/OR ASSIGNS (the "Lender") of the
same date and covering the property described in the Security Instrument and located at:

15420 CHERRY LANE, OAK FOREST, ILLINOIS 60452

[Property Address]

**THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE
AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S
ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM
RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT
THE ADJUSTABLE RATE TO A FIXED RATE.**

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument,
Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of **8.750** %. The Note provides for changes
in the adjustable interest rate and the monthly payments, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The adjustable interest rate I will pay may change on the first day of **APRIL**
19 90, and on that day every 12th month thereafter. Each date on which my adjustable interest rate could change
is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the
weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available
by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date
is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable
information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **TWO AND
THREE FOURTHS** percentage points (**2.750** %) to the Current Index.

The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%).
Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next
Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the
unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate
in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than **10.750** %
or less than **6.750** %. Thereafter, my adjustable interest rate will never be increased or decreased
on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying
for the preceding 12 months. My interest rate will never be greater than **14.750** %, which is called
the "Maximum Rate".

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment
beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes
again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount
of my monthly payment before the effective date of any change. The notice will include information required by law
to be given me and also the title and telephone number of a person who will answer any question I may have regarding
the notice.

B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits
to a fixed interest rate, as follows:

5. FIXED INTEREST RATE CONVERSION OPTION

(A) Option to Convert to Fixed Rate

I have a Conversion Option that I can exercise unless I am in default or this Section 5(A) will not permit me
to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from
an adjustable rate with interest rate limits to the fixed rate calculated under Section 5(B) below.

The conversion can only take place on a date(s) specified by the Note Holder during the period beginning on
the first Change Date and ending on the fifth Change Date. Each date on which my adjustable interest rate can convert
to the new fixed rate is called the "Conversion Date."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and conditions contained in this Adjustable Rate Rider.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums of notice less than 30 days from the date the notice is delivered or mailed within which Borrower fails to pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this Period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Transfers of the Property or a Beneficial Interest in Borrower, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred to another person) without the prior written consent of Lender, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

2. If Borrower exercises the Conversion Option under the conditions stated in Section B of this Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in Section C 1 above shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect as follows:

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration, which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums within the period specified in the notice, Lender may invoke any remedy permitted by this Security Instrument without further notice or demand on Borrower.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferor to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all representations and agreements made in this Note and in this Security Instrument. Borrower will continue to be obligated under this Note and this Security Instrument unless Lender releases to Lender and the transferee the obligations to keep all representations and agreements made in this Note and in this Security Instrument. Borrower will transfer to Lender all rights and interests in the property described in the Note and in the Security Instrument.

Rate Rider, Unitized Conversion Option under the conditions stated in Section B of this Addendum I, until B of the Security Instruments is amended to read as follows:

C. TRANSFER OF PROPERTY OR A BENIGNAL INTEREST IN BORROWER

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date.

(b) Capitalization of fixed rate
of new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield of a date and time of day specified by the Note Holder for (i) if the original term of this Note is greater than 15 years or 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus five-eighths of one percentage point (0.625%), rounded to the nearest one-eighth of one percentage point (0.125%), or (ii) if the original term of this Note is 15 years or less, plus five-eighths of one percentage point (0.125%), rounded to the nearest one-eighth of one percentage point (0.125%).

II I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: I must give the Note Holder notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instruments; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee of U.S. \$ 250.00 ; And (iv) I must sign and give the Note Holder any documents the Note Holder requires to effect the conversion.
