1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. A charge assessed by Lender in connection with Borrower's entering into this Security Instrument to pay the cost of an independent tax reporting service shall not be a charge for purposes of the preceding sentence. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

18. Borrower's Right to Remedy. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before or (b) entry of a judgment enforegning this Security Instrument to any power of sale contained in this Security Instrument, or (c) entry of a judgment purposing to foreclose on the Property pursuant to any power of sale contained in this Security Instrument before or reinstatement of this Security Instrument. The conditions are that Borrower has made payment of all sums which when added to any other amounts or agreements, fees, and (d) makes such action as lender may reasonably require to assure that the lien of this Security Instrument, Lenders, rights in the Property and Borrower's responsibilities require to assure that the lien of this Security Instrument, Lenders, rights in the Property and Borrower's responsibilities remain valid and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this Section shall not apply in the case of acceleration under paragraphs 13 or 17.

receder shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this security instrument without further notice or demand on Borrower.

17. Transferee of the Property or a Beneficial Interest in Borrower. If all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at his option, require immediate payment in full of all sums accrued by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by law.

13. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision of this Security Instrument is unenforceable in whole or in part, such portion shall not affect other provisions or clauses of this Security Instrument or the Property is lost, such portion shall not affect any provision of this Security Instrument and the Note are declared to be severable.

14. Borrower's Copy. Borrower shall be given one conforming copy of the Note and of this Security Instrument.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless a applicable law requires service of another method. The notice shall be directed to the property address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be directed to Lender's address stated herein or any other address Borrower designates by notice to Lender. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower when given as provided in this paragraph.

13. **LEGISLATION** **Leender's Rights.** (1) Application of this Note or of this Security Instrument unless otherwise provided by law has the effect of rendering any provision of the Note or of this Security Instrument ineffective to the extent that it conflicts with the provisions of this instrument. (2) Changes in law shall not affect the rights and obligations of the parties hereto except as provided in the Note or in this Security Instrument.

12. Loan Charges. If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interests or other loan charges collected or to be collected in connection with the charge to the permitted limit, then (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, (B) any sums already collected from Borrower under the Note or by making a direct payment to Borrower, Lender, or cause this reduction by reducing the principal owed under the Note or by reducing the principal balance outstanding under the Note, and (C) any partial prepayment without any precharge under the Note.

11. Successors and Assignees Round; Joint and Several Liability; Co-Signers. The coverings and agreements of this Security Instrument shall bind and be deemed to have been made by the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower, co-signers, and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument shall be liable to Lender and Borrower, and agrees to the terms of this Security Instrument as if he or she were the original Borrower.

10. Borrower Not Released; Rebuttable Presumptions. Rebuttable presumptions relating to the momentary presumption of liability of the borrower and his sureties shall not be a waiver of or preclude the exercise of any right or remedy by the original Borrower or his sureties in interests. Any disbursement by Lender in excess of any demand made by the original Borrower or his sureties in interests shall not be a waiver of or preclude the exercise of any right or remedy by the summa received by this Security Instrument by reason of any demand made payment of otherwise payable amountization of the summa received by this Security Instrument by reason of any demand for payment shall not be required to commence proceedings against the original Borrower or his sureties in interest or require to extend time for payment of otherwise payable amountization of the summa received by this Security Instrument by reason of any demand made by the original Borrower or his sureties in interests.

If the Proprietary is abandoned by Borrower, or if, after notice by Lender to Borrower that all the condemnation offers to make a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, in its option, either to reallocation or repart of the Property or to the sums secured by this Security instrument, whether or not then due.

In the event of a total taking of the Property, the trustee shall be entitled to the sums received by this Security instrument, whether or not then due, with any interest accrued, and to Borrower, in the event of a partial taking, taking of the Property, or otherwise, the trustee shall be entitled to the sum of a total taking of the Property, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be borne by the trustee multiplied by the following fraction: (a) the total amount of the sums received immediately before the taking, divided by the fair market value of the Property immediately before the taking.

11. Lender shall pay the premium required to insure the term insurance in effect until such time as the requirement for the insurance terminates in accordance with the terms set forth in the policy.

12. Lender shall pay the premium required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with the terms set forth in the policy.

NOTICE: THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE WILL RESULT IN HIGHER PAYMENTS. DECREASES IN THE INTEREST RATE WILL RESULT IN LOWER PAYMENTS.

This Rider is made this **16TH** day of **MARCH**, **1989**, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to
**NORTH FEDERAL SAVINGS BANK,
A UNITED STATES CORPORATION**
(the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at:
304 CHIPILI DRIVE, NORTHBROOK, ILLINOIS 60062
Property Address

Modifications. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of **10.250%**. The Note interest rate may be increased or decreased on the **1ST** day of the month beginning on **APRIL 1**, **1994** and on that day of the month every **12** months thereafter.

I. INTEREST RATE CHANGES

(A) The Index

Any changes in the interest rate will be based on changes in an interest rate index which will be called the "Index". The most recent index figure available as of the date **45** days before each Change Date is called the "Current Index". The index is the: *(Check one box to indicate index.)*

- (1) *Weekly average yield on United States Treasury securities adjusted to a constant maturity of **year (s)**.

- (2) *National Average Median Cost of Funds-Monthly

- (3) **X COST OF FUNDS-7TH DISTRICT**

If the Index ceases to be made available by the publisher, or by any successor to the publisher, the Note Holder will set the Note interest rate by using a comparable index.

(B) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **TWO AND ONE HALF** percentage points (**2.500%**) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4 (C) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(C) Limits on Interest Rate Changes

- (1) If this box is checked, there will be no maximum limit on changes in the interest rate up or down.

(2) **X** If this box is checked, the interest rate I am required to pay at the first Change Date will not be greater than **12.250%** or less than **10.250%**. Thereafter, the interest rate will not be changed by more than **2.000** percentage points on any Change Date. My interest rate will never be greater than **15.750%**, or less than **10.250%**.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. LOAN CHARGES

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interests or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. If this is the case, then: (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

C. PRIOR LIENS

If Lender determines that all or any part of the sums secured by this Security Instrument are subject to a lien which has priority over this Security Instrument, Lender may send Borrower a notice identifying that lien. Borrower shall promptly act with regard to that lien as provided in paragraph 4 of the Security Instrument or shall promptly secure an agreement in a form satisfactory to Lender subordinating that lien to this Security Instrument.

D. TRANSFER OF THE PROPERTY

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require (1) an increase in the current Note interest rate, or (2) an increase in (or removal of) the limit on the amount of any one interest rate change (if there is a limit), or (3) a change in the Base Index figure, or all of these, as a condition of Lender's waiving the option of accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.
