(d) to the reduction of the indebtedness hereby secured, whether or not the same may then be due or be otherwise adequately secured.

The manner of application of such sums and the items which shall be credited or paid out of same shall be within the sole discretion of Assignee, and nothing herein contained shall obligate Assignee to use any such sums for a purpose other than reducing the indebtedness hereby secured unless it shall elect to do so. Assignee shall be subrogated to any lien discharged out of the rents, income, and profits of premises.

The Assignors hereby further covenant that the Assignors will upon request of the Assignee execute and deliver such further instruments and do and perform such other acts and things as the Assignee may reasonably deem necessary or appropriate more effectively to vest in and secure to the Assignee the rights and rents which are intended to be assigned to the Assignee hereunder. Assignors irrevocably waive any right they now or hereafter may have to offset any claim or liability owing from it to any obligor on a Lease against sums due or to become due from such obligor under a Lease.

Assignors covenant and agree to observe and perform all of the obligations imposed on them under the Leases and not to do or permit to be done anything to impair the security thereof, not to execute any Lease on terms and conditions less satisfactory to the lessor than are usual and customary in leases with a similar term and for similar types of space in the general market area where the premises are located, not to assign further or encumber their rights under the leases or their rights to the rents or other sums due or to become due thereunder and not suffer or permit any of the Leases to be subordinated to any other liens or encumbrances whatsoever, any such subordination to be null and void unless done with the written consent of the Assignee. Assignors further covenant and agree not to amend, modify, or terminate any of the Leases without the prior written consent of Assignee, provided that unless and until an event of default or any event which with the lapse of time, the giving of notice, or both, would constitute such an event of default has occurred under the terms of the Mortgage or Note, Assignors may enter into amendments and modifications to Leases which do not adversely affect the security thereof and may terminate Leases if substantially concurrently with such termination, it shall have entered into a new Lease of the space which was the subject of the terminated Lease upon terms and conditions no less beneficial to them than those contained in the terminated Lease and with a lessee of creditworthiness at least equal to the terminated lessee; provided that, the foregoing to the contrary notwithstanding, no Lease shall be terminated if such termination would reduce the amount which any lender is then obligated to fund under any commitment issued to provide financing for the premises. Assignors further covenant and agree that they will, at the request of Assignee, submit the executed originals of all Leases to Assignee.

The acceptance by the Assignee of this Assignment, with all of the rights, powers, privileges, and authority so created, shall not, prior to entry upon and taking of actual physical possession of the premises by the Assignee, be deemed or construed to constitute the Assignee a mortgagee in possession nor impose any obligation whatsoever upon the Assignee, it being understood and agreed that the Assignee does not hereby undertake to perform or discharge any obligation, duty, or liability of the landlord under any Leases or under or by reason of this Assignment. Assignee shall have no liability to Assignors or anyone for any action taken or omitted to be taken by it hereunder, except for its willful misconduct. Should the Assignee incur any liability, loss, or damage under or by reason of this Assignment or for any action taken by the Assignee hereunder, or in defence against any claim or demand whatsoever which may be asserted against the Assignee arising out of any Lease, the amount thereof, including costs, expenses, and reasonable attorneys' fees, together with interest thereon at the rate applicable to the Note at the time of incurrence (or if the Note has been paid in full at the time of incurrence, then at the rate applicable to the Note at the time of such payment in full), shall be secured by this Assignment and by the Mortgage, and the Assignors shall reimburse the Assignee therefor immediately upon demand. Assignors' obligations so to pay to survive payment of the indebtedness hereby secured and the release of this agreement.

The rights and remedies of the Assignee hereunder are cumulative and are not secondary to or in lieu of, but are in addition to any rights or remedies which the Assignee shall have under the said Note, Mortgage, or any other instrument or

document or under applicable law and the exercise by Assignee of any rights and remedies herein contained shall not be deemed a waiver of any other rights or remedies of Assignee, whether arising under the Mortgage or otherwise, each and all of which may be exercised whenever Assignee deems it in its interest to do so. The rights and remedies of the Assignee may be exercised from time to time and as often as such exercise is deemed expedient and the failure of the Assignee to enforce any of the terms, provisions, and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any rights under the terms hereof.

The right of the Assignee to collect and receive the rents assigned hereunder or to exercise any of the rights or powers herein granted to the Assignee shall, to the extent not prohibited by law, extend also to the period from and after the filing of any suit to foreclose the lien of the Mortgage, including any period allowed by law for the redemption of the premises after any foreclosure sale.

This Assignment shall be assignable by the Assignee; and all of the terms and provisions hereof shall be binding upon and inure to the benefit of the respective executors, administrators, legal representatives, successors, and assigns of each of the parties hereto. All provisions hereof are severable and if any provisions hereof shall be invalid or unenforceable, the validity and enforceability of the remaining provisions hereof shall in no way be affected thereby. If more than one person signs this instrument as Beneficiary, then term "Beneficiary" as used herein shall mean all such persons, jointly and severally.

This instrument is executed by the Trustee, not personally, but as Trustee as aforesaid in the exercise of the power and authority conferred upon and vested in it as such Trustee (and said Trustee hereby warrants that it possesses full power and authority to execute this instrument); and it is expressly understood and agreed that nothing herein or in said Note contained shall be construed as creating any liability on said Trustee personally to pay said Note or any interest that may accrue thereon, or any indebtedness accruing hereunder, or to perform any covenant, either express or implied herein contained, all such liability, if any, being expressly waived by Assignee and by every person now or hereafter claiming any right or security hereunder, and that so far as said trustee personally is concerned, the legal holder or holders of said Note and the owner or owners of any indebtedness accruing hereunder shall look solely to the premises hereby and by the Mortgage conveyed for the payment thereof, by the enforcement of the liens hereby and thereby created, in the manner herein and in said Mortgage provided or by action to enforce the personal liability of any guarantors of the indebtedness hereby secured or by realization on any other collateral for the indebtedness hereby secured.

IN WITNESS WHEREOF, parties hereto have executed this Assignment of Leases and Rents this 10th day of March, 1989.
