There are many other ways to increase child support. One way is to require the non-custodial parent to pay child support in addition to alimony. Another way is to require the non-custodial parent to pay child support in addition to child support. This would be a good idea if the non-custodial parent has a job or if the non-custodial parent has a steady income. It would also be a good idea if the non-custodial parent has a steady income and if the non-custodial parent has a steady job.
