To Secure to Lender on condition of the repayment of the REVOLVING LINE OF CREDIT indebtedness evidenced by a Line of Credit Agreement, Note and Disclosure ("Agreement") of even date herewith in the maximum principal sum of U.S. \$ 50,000.00, or so much thereof as may be advanced and outstanding, with interest thereon, providing for monthly installments of interest, with the principal balance of the indebtedness, if not sooner paid or required to be paid, due and payable 15 years from the date thereof; the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Mortgage; and the performance of the covenants and agreements of Borrower contained herein and in the Agreement. Borrower covenants that Borrower is the lawful owner of the estate in land hereby conveyed and has the right to grant, convey and mortgage the Property, and that the Property is unencumbered except for encumbrances of record. Borrower covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record. Borrower covenants that Borrower will neither take nor permit any action to partition or subdivide the Property or otherwise change the legal description of the Property or any part thereof, or change in any way the condition of title of the Property or any part thereof.

Borrower acknowledges that the Agreement calls for a "variable interest rate" and that the Lender may, prior to the expiration of the term of the Agreement cancel future advances thereunder and/or require repayment of the outstanding balance under the Agreement. In this regard, the Agreement provisions set forth herein below relate to the variable interest rate and the Lender's option to require repayment prior to expiration of the term of the Agreement or to cancel future advances for reasons other than default by the Borrower.

The paragraph of the Line of Credit Agreement, Note and Disclosure entitled "FINANCE CHARGE" provides as follows:

FINANCE CHARGE. We will charge a one time only \$ N/A Origination Fee. We will also charge a Daily Rate which will be adjusted as described below. We will multiply the Daily Rate by the Average Daily Balance and the number of days in the billing period to determine the FINANCE CHARGE for each month. We calculate the Average Daily Balance by adding the balances outstanding at the end of each day during the billing period and dividing that amount by the total number of days in the billing period. The balances outstanding at the end of each day reflect transactions charged and payments received during that day. They do not include any unpaid credit life insurance charges. On the first billing statement only, the FINANCE CHARGE will also include the Origination Fee. The Origination Fee will not be included in the daily balance in calculating the Average Daily Balance. Under this method of calculating the Average Daily Balance, there is no period in which credit extended may be repaid without incurring FINANCE CHARGE. The FINANCE CHARGE will begin, for the first transaction, today. The FINANCE CHARGE will begin, for any Draft advance, on the date we honor such Draft. The Daily Rate will never be less than 9.178 % (7.00 % ANNUAL PERCENTAGE RATE) or more than 10.65 % (20.05 % ANNUAL PERCENTAGE RATE). Otherwise, the Daily Rate will be tied to the "Prime Rate" announced from time to time by the Wall Street Journal. Any change in the Daily Rate will be effective beginning at the end of every third billing period. Such change will govern the periods covered by the next three billing period(s). The new Daily Rate will be determined by adding 2.25 % to the Prime Rate in effect on the 25th day of the month in which every third billing period ends and dividing that sum by 365. The Daily Rate for the periods covered by the first three billing period(s) will be 10.178 %. This corresponds to an ANNUAL PERCENTAGE RATE OF 10.65 %. If this box is checked, the following disclosure in brackets applies: [The Initial Daily Rate and ANNUAL PERCENTAGE RATE are not tied to this formula. If they were, the Daily Rate for the first three billing periods would be 9.37671 % (N/A % per year) at any one time. An increase in the Daily Rate may increase the monthly payment. If the term "Prime Rate" comes to have a different meaning than it does today or if it is no longer announced by the Wall Street Journal, we have the right to select a comparable index to determine the Daily Rate. The paragraph of the Line of Credit Agreement, Note and Disclosure entitled "CONDITIONS" provides in its entirety as follows:

CONDITIONS: We will not be obligated to make an advance to you if at the time you request an advance:

- (a) we are aware that you are not regularly and consistently receiving or expecting to continue to receive a monthly income equal to or greater than the monthly income, if any, that you are now receiving; or
