UNIFORM COVENANTS, Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

!! Under exercise circumstances this shall provide a period of acceleration. The notice shall provide a period of no less than 30 days from the date the notice is delivered to Borroower notice of acceleration. This section permits payment by sums secured by security instruments other than Borroower notice of demand on Borrower.

Interest in it is sold or transferred (or to a beneficial interest in Borrower is sold or transferred without Lender's prior written consent). However, at its option, require immediate payment in full of all sums received by this Security instrument. Lender shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security instrument.

which can be given effect without the contravening provisions. 10. This section does not affect the provisions of this Schedule instrument which are declared to be severable.

15. Governing Law; Severability. This Security Instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which may be enforceable under such law.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivery in or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the mailing address Borrower provided for in this instrument. Any notice to Lender shall be directed to the mailing address Borrower provided for in this Security Instrument. The notice shall be deemed to have been given to Borrower when given as provided in this paragraph.

13. **Legislative Action Affording Lenders Rights.** If enactment of or application of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unnecessary to record, recording to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph 17.

12. Loan Charges. If the loan secures part or all of the security instruments is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interests of other loan charges collected or to be collected in connection with the loan exceed the permitted limits then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limits; (b) any sums already collected from Borrower which exceed permitted limits will be refund under Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as partial prepayment without any prepayment charge under Note.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property unless Borrower and Lender otherwise agree, the following fraction: (a) the total amount of the sums secured by this Security instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (b) the fair market value of the Property before the taking, divided by (b) the fair market value of the Property before the taking. Any balance shall be paid to Borrower.

11 Borrower shall pay the premium required to maintain the insurance in effect until such time as the requirement for the insurance ceases to exist.

12 Lender required mortgagor to make a condition of making the loan secured by this Security Instrument.

ADDENDUM TO MORTGAGE

24. If Mortgagor ceases to be employed by the Mortgagee for any reason whatsoever, except for Mortgagor's retirement after the required minimum years of service or Mortgagor's death after the loan has been made, or if further encumbrances are imposed on the Property without prior approval of the Bank, or if the Property is sold, then on the occurrence of any such event the unpaid principal sum of the note plus accrued interest shall be due and payable immediately.
25. The Property is to be occupied by Mortgagor as Mortgagor's residence, and there are and will not be any other tenancies or occupancies of said Property whatsoever.
26. Mortgagor agrees to promptly pay, when they are due, all assessments imposed by the Owners Association or other organization that governs the condominium. That Association or organization will be called the "Owners Association."
27. The Owners Association may maintain a fire and hazard insurance policy which covers the entire Condominium Project. That policy will be called the "Master Policy." As long as the Master Policy remains in effect and covers the subject condominium unit in an amount at least equal to the principal amount of this Mortgage, Mortgagor's obligation to obtain and keep hazard insurance on the mortgaged property is satisfied. If the proceeds of such Master Policy will be paid to Mortgagor, instead of being used to repair or restore the mortgaged property, Mortgagor hereby gives Mortgagee all rights to those proceeds. All of said proceeds will be paid to Mortgagee and will be used to reduce the amount owed to Mortgagee under this Mortgage and the relevant Demand Note. Any excess of proceeds which remains after the amounts owed to Mortgagee have been paid in full will be paid to Mortgagor. Alternatively, or in addition to said Master Policy, Mortgagee may maintain fire and hazard insurance on the Mortgaged Property, which names the Mortgagee, in the principal amount of the Mortgage as long as this Mortgage is outstanding.
28. Mortgagor agrees to fulfill all obligations under the declaration, by-laws, regulations and other documents that create or govern the Condominium Project.

Mortgagor will not divide the Property into smaller parts than may be owned separately ("Partition or Subdivision").

29. Mortgagor will not consent to certain actions unless the Mortgagor has first given Mortgagee notice and obtained Mortgagee's consent in writing. These actions are:

- (a) The abandonment or termination of the Condominium Project, unless the abandonment or termination is required by law;
- (b) Any significant change to the declaration, by-laws or regulations of the Owners Association, trust agreement, articles of incorporation, or other documents that create or govern the Condominium Project, including, for example, a change in the percentage of ownership rights, held by unit owners, in the Condominium Project in the common areas or facilities;
- (c) A decision by the Owners Association to terminate professional management and to begin self-management of the Condominium Project; and
- (d) The transfer, release, creation of liens, partition or subdivision of all or part of the common areas and facilities. (However, this provision does not apply to the transfer by the Owner Association of rights to use those common areas and facilities for utilities and other similar or related purposes.)
