Borrower and Lender covenant and agree as follows:

1. **PAYMENT OF PRINCIPAL AND INTEREST.** Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, and late charges as provided in the Note.

Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. If the amount of funds held by Lender, together with the sums previously paid in advance of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay such taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within 30 days from the date notice is mailed by Lender to Borrower requesting payment thereof.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, not later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, and then to the principal of the Note.

4. CHARGES; LIENS. Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and household payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; provided, that Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good faith contest such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall procure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument. If Lender determines that any part of the Property is subject to lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. HAZARD INSURANCE. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require and in such amounts and for such periods as Lender may require; provided, that Lender shall not require that the amount of such coverage exceed that amount of coverage required to pay the sums secured by this Security Instrument.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All premiums on insurance policies shall be paid in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the insurance carrier.

All insurance policies and renewals thereof shall be in form acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided such restoration or repair is economically feasible and the security of this Security Instrument is not thereby impaired. If such restoration or repair is not economically feasible or if the security of this Security Instrument would be impaired, the insurance proceeds shall be applied to the sum secured by this Security Instrument, with the excess, if any, paid to Borrower. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Security Instrument.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amount of such installments. If under paragraph 20 hereof the Property is acquired by Lender, all right, title and interest of Borrower in and to any insurance policies and in and to the proceeds thereof resulting from damage to the Property prior to the sale or acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to such sale or acquisition.

6. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASES; CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. Borrower shall keep the Property in good repair and shall not commit waste or commit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Security Instrument is on a residence. If this Security Instrument is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents. If a condominium or planned unit development unit is occupied by Borrower and recorded together with this Security Instrument, the covenants and agreements of such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider were a part hereof.

7. PROTECTION OF LENDER'S SECURITY. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, including, but not limited to, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankruptcy or decedent, then Lender at Lender's option, upon notice to Borrower, may make such appearance, discharge such rules and take such action as is necessary to protect Lender's interest, including, but not limited to, disbarment of reasonable attorney's fees and entry upon the Property to make repairs. If Lender requires mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law. Borrower shall pay the amount of all mortgage insurance premiums in the manner provided under paragraph 2 hereof.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, shall become additional indebtedness of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable from time to time on outstanding principal under the Note unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate permissible under applicable law. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. INSPECTION. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. CONDEMNATION. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, with the excess, if any, paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, there shall be applied to the sums secured by this Security Instrument such proportion of the proceeds as is equal to that proportion which the amount of the sums secured by this Security Instrument immediately prior to the date of taking bears to the fair market value of the Property immediately prior to the date of taking, with the balance of the proceeds paid to Borrower.
