Uniform Covenants. Borrower and Lender covenant and agree as follows:

1. PAYMENT OF PRINCIPAL AND INTEREST. Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, any prepayment and late charges provided in the Note and all other sums secured by this Instrument.

2. FUNDS FOR TAXES, INSURANCE, AND OTHER CHARGES. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly installments of principal or interest are payable under the Note (or on another day designated in writing by Lender), until the Note is paid in full, a sum (herein "Funds"), equal to one-twelfth of (a) the yearly water and sewer rates and taxes and assessments which may be levied on the Property, (b) the yearly ground rents, if any, (c) the yearly premium installments for fire and other hazard insurance, rent loss insurance and such other insurance covering the Property as Lender may require pursuant to paragraph 5 hereof, (d) the yearly premium installments for mortgage insurance, if any, and (e) if this Instrument is on a leasehold, the yearly fixed rents, if any, under the ground lease, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates thereof. Any waiver by Lender of a requirement that Borrower pay such Funds may be revoked by Lender, in Lender's sole discretion, at any time upon notice in writing to Borrower. Lender may require Borrower to pay to Lender, in advance, such other Funds for other taxes, charges, premiums, assessments and impositions in connection with Borrower or the Property which Lender shall reasonably deem necessary to protect Lender's interests (herein "Other Impositions"). Unless otherwise provided by applicable law, Lender may require Funds for Other Impositions to be paid by Borrower in a lump sum or in periodic installments, at Lender's option.

The Funds shall be held in an institution(s) the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said rates, rents, taxes, assessments, insurance premiums and Other Impositions so long as Borrower is not in breach of any covenant or agreement of Borrower in this Instrument. Lender shall make no charge for so holding and applying the Funds, analyzing said account or for verifying and compiling said assessments and bills; unless Lender pays Borrower interest, earnings or profits on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires interest, earnings or profits to be paid, Lender shall not be required to pay Borrower any interest, earnings or profits on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds in Lender's normal format showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Instrument.

If the amount of the Funds held by Lender at the time of the annual accounting thereof shall exceed the amount deemed necessary by Lender to provide for the payment of water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, such excess shall be credited to Borrower on the next monthly installment or installments of Funds due. If at any time the amount of the Funds held by Lender shall be less than the amount deemed necessary by Lender to pay water and sewer rates, taxes, assessments, insurance premiums, rents and Other Impositions, as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency within thirty days after notice from Lender to Borrower requesting payment thereof.

Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may apply, in any amount and in any order as Lender shall determine in Lender's sole discretion, any Funds held by Lender at the time of application (i) to pay rates, rents, taxes, assessments, insurance premiums and Other Impositions which are now or will hereafter become due, or (ii) as a credit against sums secured by this Instrument. Upon payment in full of all sums secured by this Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by Lender from Borrower under the Note or this Instrument shall be applied by Lender in the following order of priority: (i) amounts payable to Lender by Borrower under paragraph 2 hereof; (ii) interest payable on the Note; (iii) principal of the Note; (iv) interest payable on advances made pursuant to paragraph 8 hereof; (v) principal of advances made pursuant to paragraph 8 hereof; (vi) interest payable on any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the amounts of interest payable on the Future Advances in such order as Lender, in Lender's sole discretion, may determine; (vii) principal of any Future Advance, provided that if more than one Future Advance is outstanding, Lender may apply payments received among the principal balances of the Future Advances in such order as Lender, in Lender's sole discretion, may determine; and (viii) any other sums secured by this Instrument in such order as Lender, at Lender's option, may determine; provided, however, that Lender may, at Lender's option, apply any sums payable pursuant to paragraph 8 hereof prior to interest on and principal of the Note, but such application shall not otherwise affect the order of priority of application specified in this paragraph 3.

4. CHARGES; LIENS. Borrower shall pay all water and sewer rates, rents, taxes, assessments, premiums, and Other Impositions attributable to the Property at Lender's option in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof, or in such other manner as Lender may designate in writing. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph 4, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has, or may have, priority over or equality with, the lien of this Instrument, and Borrower shall pay, when due, the claims of all persons supplying labor or materials to or in connection with the Property. Without Lender's prior written permission, Borrower shall not allow any lien inferior to this Instrument to be perfected against the Property.

5. HAZARD INSURANCE. Borrower shall keep the improvements now existing or hereafter erected on the Property insured by carriers at all times satisfactory to Lender against loss by fire, hazards included within the term "extended coverage", rent loss, and such other hazards, casualties, liabilities and contingencies as Lender (and, if this Instrument is on a leasehold, the ground lease) shall require, and in such amounts and for such periods as Lender shall require. All premiums on insurance policies shall be paid, at Lender's option, in the manner provided under paragraph 2 hereof, or by Borrower making payment, when due, directly to the carrier, or in such other manner as Lender may designate in writing.

All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. At least thirty days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy in form satisfactory to Lender. If this Instrument is on a leasehold, Borrower shall furnish Lender a duplicate of all policies, renewal notices, renewal policies and receipts of paid premiums if, by virtue of the ground lease, the originals thereof may not be supplied by Borrower to Lender.

In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender. Borrower hereby authorizes and empowers Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom Lender's expenses incurred in the collection of such proceeds; provided however, that nothing contained in this paragraph 5 shall require Lender to incur any expense or take any action hereunder. Borrower further authorizes Lender, at Lender's option, (a) to hold the balance of such proceeds to be used to reimburse Borrower for the cost of reconstruction or repair of the Property or (b) to apply the balance of such proceeds to the payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof (subject, however, to the rights of the lessor under the ground lease if this Instrument is on a leasehold).

If the insurance proceeds are held by Lender to reimburse Borrower for the cost of restoration and repair of the Property, the Property shall be restored to the equivalent of its original condition or such other condition as Lender may approve in writing. Lender may, at Lender's option, condition disbursement of said proceeds on Lender's approval of such plans and specifications of an architect satisfactory to Lender, contractor's cost estimates, architect's certificates, waivers of liens, sworn statements of mechanics and materialmen and such other evidence of costs, percentage completion of construction, application of payments, and satisfaction of liens as Lender may reasonably require. If the insurance proceeds are applied to the payment of the sums secured by this Instrument, any such application of proceeds to principal shall not extend or postpone the due dates of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amounts of such installments. If the Property is sold pursuant to paragraph 27 hereof or if Lender acquires title to the Property, Lender shall have all of the right, title and interest of Borrower in and to any insurance policies and unearned premiums thereon and in and to the proceeds resulting from any damage to the Property prior to such sale or acquisition.

6. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASEHOOLD. Borrower (a) shall not commit waste or permit impairment or deterioration of the Property, (b) shall not abandon the Property, (c) shall restore or repair promptly and in a good and workmanlike manner all

Any scheme upon and relating to manutaining or continuing of accounts of the property of the receiver and any application of rents as provided before shall not give any credit or remuneration for the services of the receiver or for the recovery of debts or any other right or remedy of Lender under applicable law or provided herein.

11. The results of the property rate audit undertaken to meet the needs of rating purposes by Local Government and State Government departments in any of the following counts of and calculating the Property and Income Tax will be applicable under the law.

Upon Borrower's receipt of any payment of principal or interest, Lender may in its discretion, by a court- appointed receiver, garnishee or the authority of a trustee in bankruptcy, enter upon and make and maintain full control of the premises described in the instrument, and receive all rents and profits therefrom, and apply the same to the payment of the principal and interest, and any other amounts due hereunder, until paid in full, and the receiver shall be entitled to receive a reasonable compensation for his services for managing the property.

Borrower hereby certifies that Borrower has not received any Prior Assignment of said Note, and will not receive any Prior Assignment of said Note, unless Borrower has not performed, and will not perform, any of the covenants set forth in this Note.

or any part of the Property to the equivalent of its original condition, or such other condition as Lender may approve in writing, in the event of any damage, injury or loss thereto, whether or not insurance proceeds are available to cover all or in part, costs of such restoration or repair, (d) shall keep the Property, including improvements, fixtures, equipment, machinery and appliances thereon in good repair and shall replace fixtures, equipment, machinery and appliances on the Property when necessary to keep such items in good repair, (e) shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property, (f) shall provide for professional management of the Property by a residential rental property manager satisfactory to Lender pursuant to a contract approved by Lender in writing, unless such requirement shall be waived by Lender in writing, (g) shall generally operate and maintain the Property in a manner to ensure maximum rentals, and (h) shall give notice in writing to Lender of and, unless otherwise directed in writing by Lender, appear in and defend any action or proceeding purporting to affect the Property, the security of this Instrument or the rights or powers of Lender. Neither Borrower nor any tenant or other person shall remove, demolish or alter any improvement now existing or hereafter erected on the Property or any fixture, equipment, machinery or appliance in or on the Property except when incident to the replacement of fixtures, equipment, machinery and appliances with items of like kind.

If this Instrument is on a leasehold, Borrower (i) shall comply with the provisions of the ground lease, (ii) shall give immediate written notice to Lender of any default by lessor under the ground lease or of any notice received by Borrower from such lessor of any default under the ground lease by Borrower, (iii) shall exercise any option to renew or extend the ground lease and give written confirmation thereof to Lender within thirty days after such option becomes exercisable, (iv) shall give immediate written notice to Lender of the commencement of any remedial proceedings under the ground lease by any party thereto and, if required by Lender, shall permit Lender as Borrower's attorney-in-fact to control and act for Borrower in any such remedial proceedings and (v) shall within thirty days after request by Lender obtain from the lessor under the ground lease and deliver to Lender the lessor's estoppel certificate required thereunder, if any. Borrower hereby expressly transfers and assigns to Lender the benefit of all covenants contained in the ground lease, whether or not such covenants run with the land, but Lender shall have no liability with respect to such covenants nor any other covenant contained in the ground lease.

Borrower shall not surrender the leasehold estate and interests herein conveyed nor terminate or cancel the ground lease creating said estate and interests, and Borrower shall not, without the express written consent of Lender, alter or amend said ground lease. Borrower covenants and agrees that there shall not be a merger of the ground lease, or of the leasehold estate created thereby, with the fee estate covered by the ground lease by reason of any leasehold estate or said fee estate, or any part of either, coming into common ownership, unless Lender shall consent in writing to such merger. If Borrower shall acquire such fee estate, then this Instrument shall simultaneously and without further action be spread so as to become a lien on such fee estate.

7. USE OF PROPERTY. Unless required by applicable law or unless Lender has otherwise agreed in writing, Borrower shall not allow changes in the use for which all or any part of the Property was intended at the time this Instrument was executed. Borrower shall not initiate or acquiesce in a change in the zoning classification of the Property without Lender's prior written consent.

8. PROTECTION OF LENDER'S SECURITY. If Borrower fails to perform the covenants and agreements contained in this Instrument, or if any action or proceeding is commenced which affects the Property or title thereto or the interest of Lender therein, including, but not limited to, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, disburse such sums and take such action as Lender deems necessary, in its sole discretion, to protect Lender's interest, including, but not limited to, (i) disbursement of attorney's fees, (ii) entry upon the Property to make repairs, (iii) procurement of satisfactory insurance, as provided in paragraph 5 hereof, and (iv), if this Instrument is on a leasehold, exercise of any option to renew or extend the ground lease on behalf of Borrower and the curing of any default of Borrower in the terms and conditions of the ground lease.

Any amounts disbursed by Lender pursuant to this paragraph 8, with interest thereon, shall become additional indebtedness of Borrower secured by this Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the rate stated in the Note, unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law. Borrower hereby covenants and agrees that Lender shall be subrogated to the lien of any mortgage or other lien discharged, in whole or in part, by the indebtedness secured hereby. Nothing contained in this paragraph 8 shall require Lender to incur any expense or take any action hereunder.

9. INSPECTION. Lender may make or cause to be made reasonable entries upon and inspections of the Property.

10. BOOKS AND RECORDS. Borrower shall keep and maintain at all times at Borrower's address stated below, or such other place as Lender may approve in writing, complete and accurate books of accounts and records adequate to reflect correctly the results of the operation of the Property and copies of all written contracts, leases and other instruments which affect the Property. Such books, records, contracts, leases and other instruments shall be subject to examination and inspection at any reasonable time by Lender. Upon Lender's request, Borrower shall furnish to Lender, within one hundred and twenty days after the end of each fiscal year of Borrower, a balance sheet, a statement of income and expenses of the Property and a statement of changes in financial position, each in reasonable detail and certified by Borrower and, if Lender shall require, by an independent certified public accountant. Borrower shall furnish, together with the foregoing financial statements and at any other time upon Lender's request, a rent schedule for the Property, certified by Borrower, showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable and the rent paid.

11. CONDEMNATION. Borrower shall promptly notify Lender of any action or proceeding relating to any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, and Borrower shall appear in and prosecute any such action or proceeding unless otherwise directed by Lender in writing. Borrower authorizes Lender, at Lender's option, as attorney-in-fact for Borrower, to commence, appear in and prosecute, in Lender's or Borrower's name, any action or proceeding relating to any condemnation or other taking of the Property, whether direct or indirect, and to settle or compromise any claim in connection with such condemnation or other taking, i.e. proceeds of any award, payment or claim for damages, direct or consequential, in connection with any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, or for conveyances in lieu of condemnation, are hereby assigned to and shall be paid to Lender subject, if this Instrument is on a leasehold, to the rights of lessor under the ground lease.

Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts, at Lender's option, to restoration or repair of the Property or to payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof, with the balance, if any, to Borrower. Unless Borrower and Lender otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amount of such installments. Borrower agrees to execute such further evidence of assignment of any awards, proceeds, damages or claims arising in connection with such condemnation or taking as Lender may require.

12. BORROWER AND LIEN NOT RELEASED. From time to time, Lender may, at Lender's option, without giving notice to or obtaining the consent of Borrower, Borrower's successors or assigns or of any junior lienholder or guarantor, without liability on Lender's part and notwithstanding Borrower's breach of any covenant or agreement of Borrower in this Instrument, extend the time for payment of said indebtedness or any part thereof, reduce the payments thereon, release anyone liable on any of said indebtedness, accept a renewal note or notes therefor, modify the terms and time of payment of said indebtedness, release from the lien of this Instrument any part of the Property, take or release other or additional security, reconvey any part of the Property, consent to any map or plan of the Property, consent to the granting of any easement, join in any extension or subordination agreement, and agree in writing with Borrower to modify the rate of interest or period of amortization of the Note or change the amount of the monthly installments payable thereunder. Any actions taken by Lender pursuant to the terms of this paragraph 12 shall not affect the obligation of Borrower or Borrower's successors or assigns to pay the sums secured by this Instrument and to observe the covenants of Borrower contained herein, shall not affect the guaranty of any person, corporation, partnership or other entity for payment of the indebtedness secured hereby, and shall not affect the lien or priority of lien hereof on the Property. Borrower shall pay Lender a reasonable service charge, together with such title insurance premiums and attorney's fees as may be incurred at Lender's option, for any such action if taken at Borrower's request.

13. FORBEARANCE BY LENDER NOT A WAIVER. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Lender of payment of any sum secured by this Instrument after the due date of such payment shall not be a waiver of Lender's right to either require prompt payment when due of all other sums so secured or to declare a default for failure to make prompt payment. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Instrument, nor shall Lender's receipt of any awards, proceeds or damages under paragraphs 5 and 11 hereof operate to cure or waive Borrower's default in payment of sums secured by this Instrument.

Loan #01-10557344

THIS ADJUSTABLE RATE RIDER is made this 26th day of April, 1989, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to GreatAmerican Federal Savings & Loan Association (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

RIDERS ATTACHED TO MORTGAGE FOR RECORDING

CORPORATE TRUSTEE

1425-23 E. 66TH AVENUE, CHICAGO, IL 60619
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 10.310....%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of June 1, 1990, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the Federal Home Loan Bank 7th District 3 mth moving average cost of funds as published by the F. H. L. B. of Chicago. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding .THREE AND 250/1000THS percentage points (.3,250....%) to the Current Index. Subject to the limits stated in Section 4(D) below, this amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 12.31....% or less than 10,000....%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than TWO.... percentage point (....2.0....%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 15,900....% or less than 10,000....%.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

By SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
