1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charge due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums, and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. A charge assessed by Lender in connection with Borrower's entering into this Security Instrument to pay the cost of an independent tax reporting service shall not be a charge for purposes of the preceding sentence. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges Lien.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owing payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to stay insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Encroachments.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Breach of Covenants.** If Borrower fails to restore the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enjoin acts or regulations), then Lender may demand and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's action may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and offering on the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

Under section 11 of the Act of this section may be made as follows:

17. **Transfer of the Property or a General Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if it is otherwise disposed of) to a third party, the Lender and Borrower shall be entitled to receive notice of such transfer and may require the transferee to assume the obligations of the Borrower under this Agreement.

which can be given effect without the configuration provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. **General Seizureability.** This Security Instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision of this Security Instrument or the Note conditions with the applicable law, such condition shall not affect other provisions of this Security Instrument or the Note.

16. Notices. Any notice to Director provided for in this Security Instrument shall be given by delivery or mailing to his/her address listed herein or by other means directed by Director. Any notice provided for in this Security Instrument shall be deemed to have been given to Director or to Lender when given as provided

13. Registration Against Lennder's Rights. If registration of application of applicable laws has the effect of sending requiring any provision of the Note or this Security instrument inconsistent with its terms, Lennder, at its option, may require payment in full of all sums secured by this Security instrument and may invoke any remedies permitted by paragraph 19. If Lennder exercises this option, Lennder shall cause the steps specified in the second paragraph of paragraph 17.

12. **Loan Charges.** If the loan secured by this security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the intent of other laws charges collected or to be collected in connection with the loan exceed the permitted limit, then such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (a) any such loan charge already collected from the borrower under the note or by making a direct payment to Borrower, if a refund is made, this reduction by the principal owed under the Note or by making a direct payment to Borrower, if a refund is made, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

11. Security interests and assignments of accounts receivable; co-ventures. The covenants and agreements of this Security interest shall bind and severally affect debtor and assignee of Leender and Borrower, except to the extent that such assignments are made in writing and are otherwise agreed to by the parties to the terms of this Security instrument or the Note without Borrower's consent.

10. Borrower or Note Recipient. Procedural requirements relating to the preparation, filing and service of process, notice and other documents in connection with the enforcement of the terms of the Note and the promissory note shall not be a waiver of or preclude the exercise of any right or remedy by the original Borrower or by the Note's successors in interest. Any forfeiture caused by Lender in connection with the enforcement of any demand made by the original Borrower or by the Note's successors in interest for the payment of otherwise payable amounts accrued by Lender by reason of any default made by the original Borrower or by the Note's successors in interest. Any forfeiture caused by Lender in connection with the enforcement of any demand made by the original Borrower or by the Note's successors in interest for the payment of otherwise payable amounts accrued by Lender by reason of any default made by the original Borrower or by the Note's successors in interest.

Finally, Leader is authorized to collect and apply the proceeds, at his option, either to restoration or repair of the property or sums received by the Security Instrument, where in right thereof.

Because the price of the services provided by (a) to the other members varies due to the experience, knowledge, expertise and training levels of the providers, the fees charged by (a) to the other members may differ.

In the event of a total seizure of the Property, the proceeds shall be applied to the sum necessary to meet the expenses of the administration of the Property.

which give their power notice in the time of or prior to an incorporation specifying the names and addresses of their shareholders.

If Landers required substantial performance guarantees as a condition of membership, the association would have to take steps to ensure that members could meet their obligations.

1-4 FAMILY RIDER

Assignment of Rents

THIS 1-4 FAMILY RIDER is made this 31st day of May, 1989, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to HOUSEHOLD BANK, f.a.b.
255 E. LAKE STREET BLOOMINGDALE, IL 60108

(the "Lender") of the same date and covering the property described in the Security instrument and located at:

1425 W. WINONA STREET

CHICAGO, IL 60640

(Property Address)

1-4 FAMILY COVENANTS.

In addition to the covenants and agreements made in the Security instrument, Borrower and Lender further covenant and agree as follows:

A. USE OF PROPERTY; COMPLIANCE WITH LAW.

Borrower shall not seek, agree to or make a change in the use of the Property or its zoning classification, unless Lender has agreed in writing to the change. Borrower shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property.

B. SUBORDINATE LIENS.

Except as permitted by factual law, Borrower shall not allow any lien inferior to the Security instrument to be perfected against the Property without Lender's prior written permission.

C. RENT LOSS INSURANCE.

Borrower shall maintain insurance against rent loss in addition to the other hazards for which insurance is required by Uniform Covenant 5.

D. "BORROWER'S RIGHT TO REINSTATE" DELETED.

Uniform Covenant 13 is deleted.

E. ASSIGNMENT OF LEASER.

Upon Lender's request, Borrower shall assign to Lender all leases of the Property and all security deposits made in connection with lessees of the Property. Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph E, the word "lease" shall mean "sublease" if the Security instrument is on a leasehold.

F. ASSIGNMENT OF RENTS.

Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security instrument, Borrower shall collect and receive all rents and revenues of the property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (i) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security instrument; (ii) Lender shall be entitled to collect and receive all of the rents of the Property; and (iii) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Paragraph F.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security instrument is paid in full.

G. CROSS-DEFAULT PROVISION.

Borrower's default or breach under any note or agreement in which Lender has an interest shall be a default under the Security instrument and Lender may invoke any of the remedies permitted by the Security instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this 1-4 Family Rider.
