(B) **Line of Credit Loan.** This Mortgage secures a Line of Credit Loan Agreement. Borrower will enjoy access to that Line of Credit during the first one hundred twenty-one (121) days of the 200 copies of signed to Borrower's Account. Each Billing Cycle will be approximately one month. (Borrower's initial Billing Cycle may be less than one month.) The Revolving Line of Credit Term of the Agreement is therefore approximately ten (10) years long. Borrower agrees to repay the principal amount of the Loans advanced during the Revolving line of Credit Term of the Agreement during the twenty (20) years commencing at the close of the Revolving Line of Credit Term. This repayment term is referred to herein and in the Agreement as the Closed-End Repayment Term. The total term of the Agreement secured by this Mortgage is therefore approximately thirty (30) years.

(C) **Agreed Periodic Payments.** During the Revolving Line of Credit Term and for the one hundred twenty-first (121st) Billing Cycle, Borrower agrees to pay on or before the payment due date shown on each periodic Billing Statement the Minimum Payment Due for that Billing Cycle. The minimum payment due is the sum of the following charges accrued or incurred in the Billing cycle: (1) Finance Charges; (2) premiums for Optional Credit Life and/or Disability Insurance; (3) the Annual Fee; (4) all other fees and charges incurred pursuant to the Agreement except fees and charges charged to Borrower's Account at the inception of the Agreement as permitted by Paragraphs 11(B) and (C) of the Agreement; (5) principal necessary to reduce the Outstanding Balance of Borrower's account to Borrower's Credit Limit; and (6) any past due payments. The payment due date for each Billing Cycle is approximately twenty-five (25) days after the close of the Billing Cycle. During the Closed-end Repayment Term, Borrower agrees to pay on or before the payment due date shown on each Periodic Billing Statement a minimum payment due computed in the same way as above, plus 1/240th of Borrower's initial Closed-End Principal Balance (The Principal Balance Due from Borrower to Lender at the end of the Revolving Line of Credit Term).

(D) **Interest During the Revolving Line of Credit Term.** Borrower agrees to pay interest (a "Finance Charge") on the Outstanding Principal Balance of Borrower's Equity Source Account during the Revolving Line of Credit Term as determined by the Agreement.

The rate of interest ("Annual Percentage Rate") will be determined and will vary based upon a "Reference rate". This Reference Rate shall be the prime rate of interest as published in the Money Rates Section of the Wall Street Journal on the first business day of each month, regardless of when such rates were quoted by the Commercial Banks to the Wall Street Journal. If any such Reference Rate includes the prime rate or base rate of interest quoted by Citibank, N.A., the Reference Rate, if necessary, will be adjusted to negate such inclusion. The Reference Rate is defined by the Wall Street Journal as the base rate on corporate loans at large U.S. Money Center Commercial Banks. In the event more than one Reference Rate is published by the Wall Street Journal for any applicable day, the lowest rate so published shall apply (unless that lowest rate is due solely to a rate quoted by Citibank, N.A. for such applicable day, in which event the next lowest rate shall apply). In the event such a Reference Rate ceases to be published by the Wall Street Journal, the Reference Rate shall be the average of the quoted base rates on Corporate Loans at the five largest National Banks in the United States measured by total of assets, such measurement to be taken annually on the last business day of each preceding calendar year. At no time will Citibank, N.A. be considered one of the five National Banks. In the event such Banks cease to quote a base rate, Citicorp will select a comparable Reference Rate outside its control and readily verifiable by Borrower.

The Reference Rate so determined shall be effective for any Billing Cycle that begins in that month. However, the Reference Rate effective for Borrower's initial Billing Cycle shall be determined in one of two ways. If Borrower's initial Billing Cycle Billing Date occurs in the same month as the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the preceding month. If Borrower's initial Billing Cycle Billing Date occurs in the month after the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the month in which the effective date of this Agreement occurs.

Borrower's rate of interest ("Annual Percentage Rate"), shall be the Reference Rate plus a "Margin" of One and 3/4 percent (1.750%) for the applicable Billing Cycle.

Finance Charges will be assessed on a daily basis by applying the Daily Periodic Rate (the "Daily Periodic Rate" is the Annual Percentage Rate applicable to that Billing Cycle, divided by 365) to the Daily Principal Balance on Borrower's Equity Source Account for each day of the Billing Cycle in which there is an Outstanding Principal Balance.

(E) **Interest During the Closed-End Repayment Term.** Borrower agrees to pay interest (a "Finance Charge") during the Closed-End Term on the Outstanding Principal Balance of Borrower's Equity Source Account which has not been paid beginning on the day after the Conversion Date and continuing until the full Outstanding Principal Balance has been paid. Borrower's Outstanding Principal Balance at the beginning of the Closed-End Repayment Term is that sum disclosed on the periodic Billing Statement for Borrower's One Hundred Twenty-First (121st) Billing Cycle as the Outstanding Principal Balance and is referred to herein as the "**Initial Closed-End Principal Balance**". If Borrower has used Equity Source Account Checks that have not been posted to Borrower's account as of the Conversion Date, and those checks are subsequently paid by Lender, Borrower's Initial Closed-End Principal balance will be increased on subsequent periodic Billing Statements to reflect such Loans.

The rate of interest (Annual Percentage Rate) during the Closed-End Repayment Term will be determined and will vary based upon the Reference Rate described in the Agreement and in Paragraph 1(D) hereof.

The "**Current Reference Rate**" is the most recent Reference Rate available sixty (60) days prior to each "Change Date", (defined below).

Each day on which the interest rate effective during the Closed-End Repayment Term may change, and the first day of the Closed-End Repayment Term, is a "Change Date". Interest rate changes during the Closed-End Repayment Term may occur on the first day of the Closed-End Repayment Term and on the same day of the month every twelve (12) months thereafter.

The interest rate effective on the First Change Date will be the Current Reference Rate plus a margin of One and 3/4 percent (1.750%). On each succeeding Change Date, Lender will determine the Current Reference Rate, and the new interest rate will be equal to the Current Reference Rate, plus the Margin.

Each new interest rate will become effective with each Change Date, and will be reflected in the payment due immediately after that Change Date.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day periodic payments are due under the Agreement until the Agreement is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Mortgage; (b) yearly leasehold payments or ground rents on the property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the funds due on the basis of current data and reasonable estimates of future escrow items.
