UNIFORM COVENANT. Borrower and Lender consent to the agreements as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied, first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower, subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender required more than 30 days to make the loan, Lender shall pay the premium of making the loan secured by this Security instrument as a condition of making the loan secured by this Security instrument.

8. Inspection. Lender or his agent may make reasonable entries upon and inspect any premises of the Borrower at any time of day or night for the inspection.

9. Condemnation. The proceeds of any claim for damages, or for conveyance in lieu of condemnation, in connection with any condemnation of the premises multiplied by the following fraction: (a) the sum secured by this Security instrument shall be reduced by the amount of the proceeds before the taking; (b) the fair market value of the property immediately before the taking.

If the Property is abandoned by Borrower, or it, after notice by Lender to Borrower that the condemned offers to make an award or settle a claim for damages, fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds to repair or restore the property to the sums secured by this Security instrument, whether or not then due.

10. Borrower Not Released; Foreclosure By Lender Not a Lawyer. Extension of the time for payment of principal and interest or otherwise in writing, any application of proceeds to principal shall not extend or modify the note or any other instrument of this Security instrument.

Lender shall not be entitled to release the liability of the original Borrower to any successor in interest or Borrower shall not be liable for any amounts paid to Lender to any successor in interest, modification of any instrument of this Security instrument, or any other instrument of this Security instrument.

11. Successors and Assigns; Joint and Several Liability; Co-Signers. The co-signers and beneficiaries of this Security instrument shall bind and be liable to the successors and assigns of Lender and Borrower, jointly and severally, for the payment of any debt or remedy.

12. Loan Charges. If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in a loan under the Note will be exceeded the charge Note.

13. Legislatives Aftermath. If enactment of application of applicable laws has the effect of permitting any provision of this Note or this Security instrument under the Note, Lender shall take such steps specified in the second paragraph of paragraph 19.

14. Notices. Any notice to Borrower provided for in this Security instrument shall be given by delivery in writing to the Borrower's address or any other address Lender designates by notice to Lender. Any notice provided for in this Security instrument shall be deemed to have been given to Borrower if delivered personally to Borrower, or if delivered by mail to Lender's address stated herein or any other address Lender designates by notice to Lender. Any notice provided for in this Security instrument shall not be exercised by Lender if exercised by Lender prior written consent, or if Lender may, at its option, require immediate payment in full of all sums secured by this Security instrument or clause of this Security instrument or the Note are declared to be exercisable.

15. Governing Law; Severability. This Security instrument shall be governed by federal law and the law of the state in which the Property is located. In the event that any provision of this Security instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security instrument and the Note shall be given effect without regard to the conflicting provision. To this end the provisions of this Security instrument and the Note are severable.

16. Borrower's Copy. Borrower shall be given one copy of the Note and the law of the state in which the Property is located.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred to Lender or a Beneficial Interest in Borrower, Lender shall be entitled to receive the proceeds of the sale or transfer.

18. Borrower's Right to Remain. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedy permitted by this Security instrument, including but not limited to, (a) payment of all expenses incurred in enforcing this Security instrument, including but not limited to, (b) entry of a judgment against this Security instrument and the Note had no other power to do so, (c) sale of the Note under section 5 of this Security instrument, or (d) entry of a judgment against this Security instrument and the Note had no other power to do so.

Borrower, this Security instrument and the obligations accrued hereby shall remain fully effective as if no acceleration had occurred. However, this right to remitance shall not apply in the case of acceleration under paragraphs 13 or 17.

THREE New York Index Rate Caps — Fixed Rate Conversion Options 5193834

THIS ADJUSTABLE RATE RIDER is made this 19 day of MAY, 1989 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to HORIZON FEDERAL SAVINGS BANK AND TRUST CORPORATION (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

2206 BENNETT AVENUE

EVANSTON, IL 60201

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM ADJUSTABLE RATE THE BORROWER MUST PAY. THE NOTE ALSO CONTAINS THE OPTION TO CONVERT THE ADJUSTABLE RATE TO A FIXED RATE.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 10.500 %. The Note provides for changes in the adjustable interest rate and the monthly payments, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The adjustable interest rate I will pay may change on the first day of JUNE, 1992, and on that day every 36 month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 3 years as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 75/100 percentage points (2.750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4 (D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 12.500 % or less than 8.500 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 12 months. My interest rate under this adjustment feature will never be greater than 15.500 % which is called the "Adjustable Rate Maximum Rate." The interest rate limits of this Section 4 (D) will not apply if I exercise my Conversion Option under Section 5 of this Note.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. FIXED INTEREST RATE OPTION

The Note provides for the Borrower's option to convert from an adjustable interest rate with interest rate limits to a fixed interest rate, as follows:

5. FIXED INTEREST RATE CONVERSION OPTION

(A) Options to Convert to Fixed Rate

I have a Conversion Option which I can exercise unless I am in default or this Section 5 (A) will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 5 (B) below.

The conversion can only take place as of the first day of any calendar month. Each date on which my adjustable interest rate can convert to the new fixed rate is called the "Conversion Date."

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (i) I must give the Note Holder thirty (30) days prior written notice that I want to do so; (ii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iii) by a date specified by the Note Holder, I must pay the Note Holder a conversion fee equal to one percent (1.0%) of the outstanding principal of this Note as of the Conversion Date; (iv) I must sign and give to the Note Holder any documents the Note Holder requires to effect the conversion; (v) I have made no more than one monthly payment late in the preceding 12 months, and (vi) the Note Holder obtains a property inspection (at my cost) which reveals no signs of depreciating value of my house.
