**COVENANTS.** Borrower and Bank covenant and agree as follows:

1. **Payment of Principal and Interest.** Borrower shall promptly pay when due the principal of and interest on the indebtedness evidenced by the Note, together with all other charges imposed under the Loan Agreement.

2. **Funds for Taxes and Insurance.** Upon execution of this Mortgage, Borrower shall evidence to Bank the existence and currency of an insurance and real estate tax reserve as described below, which may be on deposit with Borrower's first mortgage lender. If such a reserve has not been established, and subject to applicable law or to a written waiver by Bank, Borrower shall pay to Bank on the day monthly installments of principal and/or interest are payable under the Note, until the Note is paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments which may attain priority over this Mortgage, and ground rents on the Property, if any, plus one-twelfth of the yearly premium installments for hazard insurance, plus one-twelfth of yearly premium installments for mortgage insurance, if any, all as reasonably estimated initially and from time to time by Bank on the basis of assessments and bills and reasonable estimates thereto.

Upon payment in full of all sums secured by this Mortgage, Bank shall promptly refund to Borrower any Funds held by Bank. If under paragraph 17 hereof the property is sold or the Property is otherwise acquired by Bank, Bank shall apply, no later than immediately prior to the sale of the Property or its acquisition by Bank, any Funds held by Bank at the time of application as a credit against the sum secured by this Mortgage.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Bank under the Note, the Loan Agreement and this Mortgage shall be applied by Bank first in payment of amounts payable to Bank by Borrower under this Mortgage, then to any sums advanced by Bank to protect the security of this Mortgage, then to any sums chargeable under the Loan Agreement, then to interest payable on the Note, and then to the principal of the Note.

4. **Prior Mortgages and Deeds of Trust; Charges, Liens.** Borrower shall fully and timely perform all of the Borrower's obligations under any mortgage, deed of trust or other security agreement which has or appears to have any priority over this Mortgage, including Borrower's covenants to make any payment when due. Borrower represents that this is a valid second mortgage and that there is only one other lien on the property prior to this mortgage constituting a first mortgage on the property.

Borrower shall cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage in the manner provided in paragraph 2 hereto, or if not paid in such manner, by Borrower making payment, when due, directly to the taxing or assessing authorities. Borrower shall promptly furnish to Bank all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Bank receipts evidencing such payments.

Any act or omission of Borrower which, with the giving of notice or the passage of time, would constitute a default under any prior encumbrance, or under any ground lease to which this mortgage is subordinate, shall be a default under this mortgage. Borrower shall promptly deliver to Bank all notices received of any defaults or events of default under any prior encumbrance or ground lease. Borrower shall also keep the property free from mechanics' or other liens not expressly subordinate to the lien hereof.

The maximum rate of interest will be 18.0 per cent.

THE MAXIMUM INTEREST RATE WILL NOT EXCEED 18.0 PER CENT
