THIS INDENTURE, made June 08

, 1989, between Homer Jackson, married to

Hollie Jackson

herein referred to as "Grantors", and G.P. O'Connor,

Assistant Vice President of Lombard, Illinois,
herein referred to as "Trustee", witnesseth:

THAT, WHEREAS the Grantors have promised to pay to Associates Finance, Inc., herein referred to as "Beneficiary", the legal holder of the Loan Agreement hereinafter described, the principal amount of Fourty Four Thousand Four Hundred Eighty-Nine Dollars and Fifty-Seven Cents ----- Dollars (\$ 44489.57), together with interest thereon at the rate of (check applicable box):

Agreed Rate of Interest: 13.24 % per year on the unpaid principal balances.

Agreed Rate of Interest: This is a variable interest rate loan and the interest rate will increase or decrease with changes in the Bank Prime Loan rate. The interest rate will be n/a percentage points above the "Bank Prime Loan Rate" published in the Federal Reserve Board's Statistical Release H.15. The initial Bank Prime Loan rate is n/a %, which is the published rate as of the last business day of n/a, 19n/a; therefore, the initial interest rate is n/a % per year. The interest rate will increase or decrease on the 15th day of the month the third loan payment is due, and every third month thereafter, if the Bank Prime Loan rate as of the end of the second month prior to the month during which the third payment will be made, or any like month preceding a three-month anniversary of the first payment, has increased or decreased by at least 1/4 of a percentage point from the rate for the previous three-month period. Interest rate changes will be effective upon 30 days written notice. In no event, however, will the interest rate be less than n/a % per year, nor more than n/a % per year. If the index is no longer available, Beneficiary will choose a new index which is based upon comparable information. Beneficiary will give notice of this choice. Beneficiary reserves the right to waive part or all of any adjustment resulting from an interest rate increase.

Adjustments in the Agreed Rate of Interest shall be given effect by changing the dollar amounts of the remaining monthly payments so that the total amount due under said Loan Agreement will be paid by the original Last Payment Date of n/a, 19n/a.

The Grantors promise to pay the said sum in the said Loan Agreement of even date herewith, made payable to the Beneficiary, and delivered in 68 consecutive monthly installments: 67 at \$ 628.27, followed by 1 at \$ 31319.13,

KNOW THEREFORE, the Grantors to secure the payment of the said obligation in accordance with the terms, provisions and conditions of this Trust Deed, and the performance of the covenants and agreements herein contained, to the trustee to be performed, and also in consideration of the sum of One Dollar in hand paid, the receipt whereof is hereby acknowledged, do by these presents GRANT and WARRANT unto the trustee to successively and assigns, the following described Real Estate and all of their seats, sites and wheresoever situate, where, lying and being in the CITY OF CHICAGO,

1. Grantors shall (1) promptly repair, restore or rebuild any buildings or improvements now or hereafter on the premises which may become damaged or be destroyed, (2) keep said premises in good condition and repair, without waste, and free from mechanic's or other liens or claims for hire not expressly subordinated to the lien hereof, (3) pay when due any indebtedness which may be secured by a lien or charge on the premises superior to the lien hereof, and upon request exhibit satisfactory evidence of the discharge of such prior lien to Trustee or to Beneficiary, (4) complete within a reasonable time any building or buildings now or at any time in process of erection upon said premises, (5) comply with all requirements of law or municipal ordinances with respect to the premises and the use thereof, (6) make no material alterations in said premises except as required by law or municipal ordinance.

2. Grantors shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, and other charges against the premises when due, and shall, upon written request, furnish to Trustee or to Beneficiary duplicate receipts therefor. To prevent default hereunder Grantors shall pay in full under protest, in the manner provided by statute, any tax or assessment which Grantor may desire to contest.

3. Grantors shall keep all buildings and improvements now or hereafter situated on said premises insured against loss or damage by fire, lightning or windstorm under policies providing for payment by the insurance companies of money sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the Beneficiary, under insurance policies payable, in case of loss or damage, to Trustee for the benefit of the Beneficiary, such rights to be evidenced by the standard mortgage clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to Beneficiary, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

4. In case of default herein, Trustee or Beneficiary may, but need not, make any payment or performance *act heretofore required* of Grantors in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem from any tax sale or forfeiture affecting said premises or contract any tax or fee or privilege or settle any tax lien or other prior lien or title or claim thereof, or redeem from any tax sale or forfeiture affecting said premises or contract any tax or assessment. All amounts paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other amounts advanced by Trustee or Beneficiary to protect the mortgaged premises and the lien hereof, shall be so much additional indebtedness secured hereby, and shall become immediately due and payable without notice and with interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed creates. Insertion of Trustee or Beneficiary shall never be considered as a waiver of any right according to them in amount of any default hereunder on the part of Grantors.

5. The Trustee or Beneficiary hereby agrees making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate presented from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax, lien or title or claim thereof.

6. Grantors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of Beneficiary, and without notice to Grantors, all unpaid indebtedness as set forth in this Trust Deed shall, notwithstanding anything in the Loan Agreement or in this Trust Deed to the contrary, become due and payable at immediately in the case of default in making payment of any instalment on the Loan Agreement, or at such default shall accrue and continue for three days in the performance of any other agreement of the Grantors herein contained, or to immediately if all or part of the premises are sold or transferred by the Grantors without Beneficiary's prior written consent.

7. When the indebtedness hereinafter secured shall become due whether by acceleration or otherwise, Beneficiary or Trustee shall have the right to foreclose the lien hereof, to enter and to foreclose the lien hereof, there shall be allowed and included all additional indebtedness in the decree for sale, all expenditures and expenses which may be paid or incurred by or on behalf of Trustee or Beneficiary for attorney's fees, Trustee's fees, appraisers' fees, outlay for documents and expert evidence, stenographers' charges, publication costs and costs which may be estimated as to items to be expended after entry of the decree of partitioning all such debts of title, title searches and examinations, guarantee policies, Title certificate, and similar data and assurances with respect to title as Trustee or Beneficiary may deem to be reasonably necessary either to protect such title or to evidence to bidders at any sale which may be had pursuant thereto, to determine the true condition of the title or the value of the premises. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness as set forth above and immediately due and payable, with interest thereon at the annual percentage rate stated in the Loan Agreement this Trust Deed creates, when paid or incurred by Trustee or Beneficiary in connection with any proceedings, including probate and bankruptcy proceedings, to which either of them shall be a party, either as plaintiff, defendant, or defendant, to cause of this trust deed or any indebtedness hereunder, or in preparations for the commencement of any suit for the foreclosure hereof after acceleration, or to right to foreclose whether or not actually commenced, or in preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incident to the foreclosure proceedings including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Loan Agreement, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any overplus to Grantors, their heirs, legal representatives or assigns, or their assigns, as aforesaid.

9. Upon, or at any time after the filing of a bill to foreclose this trust deed, the court in which such bill is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Grantors at the time of application for such receiver and without regard to the fair value of the premises or whether the same shall be then occupied as a home or not and the Trustee hereunder has no appeal as such receiver. Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Grantors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, preservation, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of (1) the indebtedness secured hereby, or by any devise or conveyance this Trust Deed creates or any tax, special assessment or other lien which may be or become superior to the lien hereof of such devise, provided such application is made prior to foreclosure sale, (2) the deficiency in case of sale and deficiency.

10. The Trustee or Beneficiary has the option to demand that the balance due to him/her secured by this trust deed be paid in full on the third anniversary of the date of the loan and annually on each subsequent anniversary date. If the option is exercised, Grantors shall be given 90 days notice of the election at least 90 days before payment in full is due. If payment is not made when due, Trustee or Beneficiary has the right to exercise any remedies permitted under this trust deed.

11. No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be valid and available to the party interposing same in an action at law upon the lien hereby secured.

12. Trustee or Beneficiary shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.

13. Trustee has no duty to examine the title, location, existence, or condition of the premises, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of gross negligence or malfeasance and Trustee may require indemnity satisfactory to Trustee before exercising any power herein given.

14. Upon presentation of satisfactory evidence that all indebtedness secured by this Trust Deed has been fully paid, either before or after maturity, the Trustee shall have full authority to release this trust deed, the lien hereof, by proper instrument.

15. In case of the resignation, inability or refusal to act of Trustee, the Beneficiary shall have the authority to appoint a successor to Trustee. Any successor to Trustee hereunder shall have the identical title, powers and authority as are herein given Trustee.

16. This Trust Deed and all provisions hereof, shall extend to and be binding upon Grantors and all persons claiming under or through Grantors, and the word "Grantors" when used herein shall include all such persons and all persons liable for the payment of the indebtedness or any part thereof, whether or not such persons shall have executed the Loan Agreement or this Trust Deed.
