Such fund, whether in the form of a cash deposit or invested in obligations of, or fully guaranteed as to principal by, the United States of America shall at all times be under the control of the mortgagee. Disbursements from such fund, whether for the purpose of effecting replacement of structural elements and mechanical equipment of the project or for any other purpose, may be made only after receiving the consent in writing of the Secretary. In the event that the owner is unable to make a mortgage note payment on the due date and that payment cannot be made prior to the due day of the next such installment or when the mortgagee has agreed to forgive making an election to assign the mortgage to the Secretary based on a monetary default, or to withdraw an election already made, the Secretary is authorized to instruct the mortgagee to withdraw funds from the reserve fund for replacements to be applied to the mortgage payment in order to prevent or cure the default. In addition, in the event of a default in the terms of the mortgage, pursuant to which the

loan has been accelerated, the Secretary may apply or authorize the application of the balance in such fund to the amount due on the mortgage debt as accelerated.

(b) Where Owners are acquiring a project already subject to an insured mortgage, the reserve fund for replacements to be established will be equal to the amount due to be in such fund under existing agreements or charter provisions at the time Owners acquire such project, and payments hereunder shall begin with the first payment due on the mortgage after acquisition, unless some other method of establishing and maintaining the fund is approved in writing by the Secretary.

3. Real property covered by the mortgage and this agreement is described in Schedule A attached hereto.

(This paragraph 4 is not applicable to cases insured under Section 231)

4. Upon discovery of any unapproved sublease, Owners shall immediately demand cancellation and notify the Secretary thereof.

(b) Upon prior written approval by the Secretary, Owners may charge to and receive from any tenant such amounts as from time to time may be mutually agreed upon between the tenant and the Owners for any facilities and/or services which may be furnished by the Owners or others to such tenant upon his request, in addition to the facilities and services included in the approved rental schedule.
