1. Payments. I agree to make all payments on the secured debt when due. Unless we agree otherwise, any payments you receive from me or for my benefit will be applied first to any amounts I owe you on the secured debt (exclusive of interest or principal), second to interest and then to principal. If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any subsequently scheduled payment until the secured debt is paid in full.

2. Claims against title. I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against parties who supply labor or materials to improve or maintain the property.

3. Insurance. I will keep the property insured under terms acceptable to you at my expense and for your benefit. You will be named as loss payee or as insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of the damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.

4. Property. I will keep the property in good condition and make all repairs reasonably necessary.

5. Expenses. I agree to pay all your expenses, including reasonable attorney's fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. Attorney's fees include those awarded by an appellate court. I will pay these amounts to you as provided in Covenant 10 of this mortgage.

6. Default and Acceleration. If I fail to make any payment when due or break any covenants under this mortgage, any or all mortgage or any other remedy available to you may be accelerated (the maturity of the secured debt and demand for immediate payment and exercise of any other remedy shall be deemed to have been given to either of us when given in the manner provided by law).

7. Assignment of Rents and Profits. I assign to you the rents and profits of the property, unless we have agreed otherwise in writing. I may collect and retain the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then add to payments on the secured debt as provided in Covenant 1.

8. Waiver of Homestead. I hereby waive all right of homestead exemption in the property.

9. Leaseholders, Condominiums, Planned Unit Developments. I agree to comply with the provisions of any lease of this mortgage on a leasehold or other part of the property, in a condominium or a planned unit development. I will perform all of my duties under the covenants, bylaws or regulations of the condominium or planned unit development.

10. Authority of Mortgagee to Perform for Mortgagee. If I fail to perform any of my duties under this mortgage, you may perform the duties or cause them to be performed. You may sign my name or pay any amount if necessary for performance. If any construction on the property is deemed to be performed or not carried on in a reasonable manner, you may do whatever is necessary to protect your security interest in the property. This may include completing the construction.

11. Inspection. You may enter the property to inspect if you give me notice beforehand. The notice must state the reasonable cause for your inspection.

12. Condemnation. I assign to you the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.

14. Joint and Several Liability; Co-signers; Successors and Assigns. I do so only to mortgage my interest in the property under the terms of this mortgage. I also agree that you and any party to this mortgage may extend, modify, or make any other changes in the terms of this mortgage or the secured debt without my consent. Such a change will not release me from the terms of this mortgage.

The duties and benefits of this mortgage shall bind and benefit the successors and assigns of either or both of us.

15. Notice. Unless otherwise required by law, any notice to me shall be given by delivering it or by mailing it by certified mail addressed to me at the Property Address or any other address that I tell you. I will give any notice to you by certified mail to your address on the front side of this mortgage, or to any other address which you have designated.

Any notice shall be deemed to have been given to either of us when given in the manner stated above.

If all or any part of the property or any interest in it is sold or transferred without your prior consent, you may demand immediate payment of the secured debt. You may also demand immediate payment if the mortgage is not a natural person and a beneficial interest in the mortgage is sold or transferred. However, you may not demand payment in the above situations if it is prohibited by federal law as of the date of this mortgage.

17. Release. When I have paid the secured debt, you will discharge this mortgage without charge to me. I agree to pay all costs to record this mortgage.

HOME EQUITY LINE OF CREDIT

GENERALLY: When we use the term "loan account balance" in this agreement, we mean the sum of the unpaid principal of loans made under this plan, plus unpaid finance charges which have accrued, plus credit insurance premiums which are due. The term "transaction account" means the account you have with us, the account number of which is listed at the top of the form on the line labeled "Trans. Acct. #". The term "Line of Credit" means the maximum amount we will ordinarily allow the unpaid principal of your loan account balance to be at any one time.

REQUESTING A LOAN: You request a loan under this plan whenever you:
• write a check for at least the minimum advance listed above using one of the special checks you have for that purpose.

HOW THE LOAN IS ADVANCED: When you request a loan by one of these methods, we will advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed above. We will make the advance by depositing the amount in your transaction account, by advancing the money directly to you, or by paying a designated third person or account, depending on how we agree to make the advance. We will record the amount as a loan in your loan account.
If your request is for less than the minimum advance, we may, at our option, grant the request. However, granting the request does not mean we will be required to grant requests for less than the minimum advance in the future. We always have the option to deny any such request.
However, we will not ordinarily grant any request for a loan which would cause the unpaid principal of your loan account balance to be greater than the Line of Credit listed above. We may, at our option, grant such a request without obligating ourselves to do so in the future.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge, we will apply a periodic rate of finance charge each billing cycle to the "average daily balance" of your loan account for the billing cycle. The "average daily balance" is computed as follows: First, we take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) that are due. Next, we subtract the portion of any payments or credits received that day which apply to the repayment of your loans. (A portion of each payment you make is applied to finance charges and credit insurance premiums (if any).) Then we add any new loans made that day. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

The periodic rate of FINANCE CHARGE is .958 % which is equal to an ANNUAL PERCENTAGE RATE of 11.5 %.

VARIABLE RATE: The annual percentage rate (APR) change, and will always be 1% percentage point above the following "base rate": equal to the prime rate as quoted in The Wall Street Journal - Money Rate section. If at any time The Wall Street Journal - Money Rate section quotes more than one prime rate and/or quotes a range of prime rates, the interest rate being charged will be equal to the highest prime rate then being quoted in The Wall Street Journal - Money Rate section. The annual percentage rate may increase if this "base rate" increases. An increase will take effect on the first day of each month. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will not increase more often than once a month. A decrease will have the opposite effect of an increase disclosed above.
If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day we adjust the annual percentage rate to determine the new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between annual percentage rate adjustments.

The "annual percentage rate" referred to in this section is the annual rate which corresponds to the periodic rate applied to the balance as described above. This corresponding ANNUAL PERCENTAGE RATE will never exceed 19.9 %, and also will never exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

If at any time The Wall Street Journal - Money Rate section no longer quotes a prime rate, then the bank will choose a new interest rate index which is based upon comparable information and give the borrower notice of its choice.

HOW YOU REPAY YOUR LOANS: You agree to pay accrued finance charges and credit insurance premiums (if any) on each payment date listed at the top of the form. The unpaid principal of loans made under this plan will be due June 23 19 94. You can prepay all or any part of what you owe at any time. However, even if you prepay part of what you owe, you will still have to pay accrued finance charges and credit insurance premiums (if any) on the next scheduled payment date.

Check one You authorize us to automatically withdraw your payment from your transaction account on each payment date (see top of form).

SECURITY: To secure the payment of what you owe, we have the right of set-off. This means we can pay the amount you owe us out of money that we are required to pay you (such as money in your savings or checking account). However, we cannot use in this way money in your IRA or other tax-deferred retirement account. State law may further limit our right of set-off.
However, we will have no right of set-off if you can obtain credit under this plan by using a debit or a credit card.
We have also secured your obligations under this plan by taking a security interest (by way of a separate security agreement, mortgage or other instrument
