To the fullest extent permitted by law, all of the land, estate and property described, whether affixed or annexed or not (except where otherwise specified) and all rights conveyed and mortgaged are intended so to be as a unit and are understood, agreed and declared to form a part and parcel of the real estate and to be appropriated to the use of the real estate, and shall for the purposes of this Mortgage be deemed to be real estate and conveyed and mortgaged.

Grant of Security Interest

As to any such items which are not part of the real estate, this Mortgage is deemed as well to be a Security Agreement for the purpose of creating a security interest in such items, whether now

the payment of taxes, assessments and other charges. All such payments shall be added together with the payments required to be made under the Note and the aggregate amount shall be deposited by the Mortgagor each month in a single payment to be applied by the Mortgagee at its option to the following items in the order set forth: (i) taxes, assessments, water charges and other public impositions; (ii) interest on the Note; (iii) amortization of the principal of the Note.

If the funds so deposited are insufficient to pay all taxes or assessments when due, the Mortgagor shall within ten (10) days after receipt of demand deposit such additional funds as may be necessary to pay such taxes and assessments. If the funds so deposited exceed the amounts required to pay such items, the excess shall be applied to reduce subsequent deposit or deposits.

Mortgagee's Interest In and Use of Deposits

4. In the event of a default in any of the provisions contained in this Mortgage or in the Note, the Mortgagee may at its option, without being required to do so, apply any monies at the time on deposit pursuant to paragraph 3, as any one or more of the same may be applicable, on any of Mortgagor's obligations or in the Note contained, in such order and manner as the Mortgagee may elect. When the indebtedness has been fully paid, any remaining deposits shall be paid to Mortgagor or to the then owner or owners of the premises. Such deposits are pledged as additional security for the indebtedness and shall be held in trust to be irrevocably applied by the depository for the purposes for which made and shall not be subject to the direction or control of the Mortgagor; provided, however, that neither the Mortgagee nor the depository shall be liable for any failure to apply to the payment of taxes and assessments any amount so deposited unless Mortgagor, while not in default, shall have requested the depository in writing to make application of such funds to the payment of the particular taxes or assessments for payment of which they were deposited, accompanied by the bills for such taxes and assessments.

Insurance

5. Mortgagor shall keep all buildings and improvements on the premises insured against loss or damage by fire, tornado, windstorm and extended coverage perils and such other hazards as may reasonably be required by Mortgagee, including, without limitation on the generality of the foregoing, war damage insurance whenever in the opinion of the Mortgagee such protection is necessary and is available from any agency of the United States of America. Mortgagor shall also provide liability insurance with limits for personal injury and death and property damage as set forth below, and insurance for all risk, builder's risk (completed value form), workers' compensation, employer's liability, rental loss of not less than one year (upon occupancy by tenants) and Federal Flood Insurance (if the premises are located in an area identified as a Federal Flood Insurance Hazard Area). The builder's risk policy shall be on a non-reporting form, and shall be written on an all-risk basis, for the full insurable replacement cost of the Improvements (as defined in the Construction Loan Agreement) without reduction for depreciation, and shall contain a special extended coverage endorsement, "X", "C", and "U" coverage and vandalism and malicious mischief

with reasonable diligence, contest the validity or amount of any such taxes or assessments provided: (1) that such contest shall have the effect of preventing the collection of the tax or assessment so contested and the sale or forfeiture of all or part of the premises to satisfy the same; (2) that Mortgagor has, before such taxes or assessments shall have been increased by any interest, penalties or costs, notified Mortgagee in writing of the intention of Mortgagor to contest the same, and (3) that Mortgagor shall have deposited with Mortgagee at such place as Mortgagee may from time to time in writing appoint, and in the absence of such appointment, then at the office of the Mortgagee, a sum of money which (when added to funds, if any, then on deposit for such taxes) shall be sufficient in the judgment of the Mortgagee to pay in full such contested taxes and assessments and all penalties and interest that might become due, and shall keep on deposit an amount so sufficient at all times, increasing such amount to cover additional penalties and interest whenever, in the judgment of the Mortgagee, such increase is advisable. In case the Mortgagor shall fail to prosecute such objections with reasonable diligence or shall fail to maintain sufficient funds on deposit as hereinafter provided, the Mortgagee may at its option, apply the money so deposited in payment of or on account of such taxes and assessments, or that part thereof then unpaid, together with all penalties and interest. If the amount of the money so deposited shall not be sufficient for the payment in full of such taxes and assessments, together with all penalties and interest thereon, the Mortgagor shall upon demand either (a) deposit with the Mortgagee a sum which when added to the funds then on deposit shall be sufficient to make such payment in full, or (b) in case the Mortgagee shall have applied funds on deposit on account of such taxes and assessments, restore said deposit to a sufficient amount. The Mortgagee shall, upon final disposition of such contest, apply the money so deposited in full payment of such taxes and assessments then unpaid, together with all penalties and interest (provided the Mortgagor is not then in default) when so requested in writing by the Mortgagor and furnished with sufficient funds to make such payment in full and with an official bill for such taxes.

Tax Deposits

3. Mortgagor shall deposit with Mortgagee on the first day of each month amounts sufficient in the opinion of Mortgagee to create and maintain an adequate reserve fund from which to pay all taxes, assessments and other charges involving the premises as they become due. Upon the occurrence of an Event of Default in Mortgagor's obligations, the Mortgagee may, but shall not be obligated to, make such payments and all sums so paid shall bear interest at the "post maturity rate" defined below and shall be fully secured by this Mortgage. If the Mortgagee retains such reserve funds, then Mortgagor shall deliver to the Mortgagee all bills for such taxes, assessments or other charges received by Mortgagor and the Mortgagee, upon receipt of the bills, shall pay from such fund all taxes, assessments and other charges as they become due. The Mortgagee shall not be required to determine the accuracy of any bill or the validity of any such taxes, assessments and other charges.

All such payments described in this paragraph 3 shall be held by the Mortgagee or depository in trust without accruing or without any obligation arising for the payment of interest, may be commingled with other assets of Mortgagee, and shall be used for

cost of restoration or rebuilding shall, at the option of Mortgagee, be applied on account of the secured indebtedness or be paid to any other party entitled to such funds.

In case of loss after foreclosure proceedings have been instituted, the proceeds of any such insurance policy or policies, if not applied in rebuilding or restoring the buildings or improvements, shall be used to pay the amount due in accordance with any Decree of Foreclosure that may be entered in any such proceedings, and the balance, if any, shall be paid to the owner of the equity of redemption if he shall then be entitled to the same or as the court may direct. In case of the foreclosure of this Mortgage, the court in its decree may provide that the mortgagee's clause attached to each of the insurance policies may be cancelled and that the decree creditor may cause a new loss clause to be attached to each of the policies making the loss payable to said decree creditor; and any such Decree of Foreclosure may further provide that in every such case, each successive redeemer may cause the preceding loss clause attached to each insurance policy to be cancelled and a new loss clause to be attached making the loss payable to such redeemer. In the event of foreclosure sale, Mortgagee is authorized, without the consent of the Mortgagor, to assign any and all insurance policies to the purchaser at the sale, or to take such other steps as Mortgagee may deem advisable, to cause the interest of such purchaser to be protected by any of the said insurance policies.

Stamp Tax

7. If, by the laws of the United States of America, or of any state having jurisdiction over the Mortgagor, any tax is due or becomes due in respect of the issuance of the Note or any other indebtedness secured hereby, the Mortgagor covenants and agrees to pay such tax in the manner required by any such law. The beneficiaries of the Mortgagor further covenant to hold harmless and agree to indemnify the Mortgagee, as successors or assigns, against any liability incurred by reason of the imposition of any tax on the issuance of the Note.

Prepayment Privilege

8. Mortgagor shall not be permitted to prepay the Note, except for mandatory prepayments on the principal of the Note (in addition to any other required payments) made in accordance with the terms and conditions set forth in the Note.

Effect of Extensions of Time

9. If the payment of the indebtedness or any part be extended or varied or if any part of the security be released, all persons now or at any time liable, or interested in the premises, shall be held to assent to such extension, variation or release, and their liability and the lien and all provisions hereof shall continue in full force, the right of recourse against all such persons being expressly reserved by the Mortgagee notwithstanding such extension, variation or release.

Effect of Changes in Laws Regarding Taxation

10. In the event of the enactment after this date of any law of the state in which the premises are located deducting from

The policy or policies of comprehensive public liability insurance (and during any period of construction, contractor's liability and workmen's compensation insurance) shall include liability under the comprehensive liability insurance and property damage insurance of not less than \$2,000,000.00 and \$500,000.00, respectively, and with umbrella coverage of no less than \$7,000,000.00, to protect Mortgagee and Mortgagor against liability incident to the use of, or resulting from any accident occurring on or about the premises or relating to any construction on the premises. All policies of insurance to be furnished shall be in forms, companies and amounts satisfactory to Mortgagee, with standard, non-contributory mortgagee clauses, where applicable, attached to all policies in favor of and in form satisfactory to Mortgagee, or shall name Mortgagee as a loss payee, and shall include a provision requiring that the coverage evidenced thereby shall not be terminated or materially modified without ten (10) days' prior written notice to the Mortgagee. Mortgagor shall deliver all policies, including additional and renewal policies, to Mortgagee, and, in the case of insurance about to expire, shall deliver renewal policies not less than ten (10) days prior to their respective dates of expiration.

Adjustment of Losses with Insurer and Application of Proceeds of Insurance

6. In case of loss, the Mortgagee (or after entry of Decree of Foreclosure, purchaser at the sale, or the decree creditor, as the case may be) is authorized either (a) to settle and adjust any claim under such insurance policies without consent of Mortgagor, or (b) to allow Mortgagor to agree with the Insurance Company or Companies on the amount to be paid upon the loss. In either case, Mortgagee is authorized to collect and receipt for any such insurance money. Such insurance proceeds shall be held by the Mortgagee and, at the option of Mortgagee, may be applied in reduction of the indebtedness or used to reimburse Mortgagor for the cost of the rebuilding or restoration of buildings or improvements on the premises. The use of such proceeds to reimburse Mortgagor for the cost of rebuilding or restoration shall be subject to the following conditions: (a) that the buildings and improvements shall be so restored or rebuilt as to be of at least equal value and substantially the same character as prior to such damage or destruction; (b) that the buildings and improvements can be so restored or rebuilt by not later than the maturity date under the Note; (c) such proceeds shall be made available, from time to time, upon the Mortgagee being furnished with satisfactory evidence of the estimated cost of completion and with such Architect's Certificates, Waivers of Lien, Contractors' Sworn Statements and other evidence of cost and of payments as the Mortgagee may reasonably require and approve, and with all Plans and Specifications for such rebuilding or restoration as the Mortgagee may reasonably require and approve; (d) prior to the final completion of the work no payments shall be made which exceed Ninety (90%) percent of the value of the work performed and materials supplied from time to time; (e) at all times the undisbursed balance of said proceeds remaining in the hands of the Mortgagee shall be at least sufficient to pay for the cost of completion of the work and materials free and clear of liens; (f) that Mortgagor is not then in default under any of the terms, covenants and conditions of this Mortgage, and (g) any surplus which might remain out of said award after payment of such

Foreclosure; Expense of Litigation

14. When the indebtedness shall become due, whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien of this Mortgage for such indebtedness. In any suit to foreclose the lien of this Mortgage or enforce any other remedy of the Mortgagee under this Mortgage or the Note, there shall be allowed and included as additional indebtedness in the decree for sale or other judgment or decree all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers, charges, publications costs, and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies, Torrens certificates, and similar data and assurances with respect to title as Mortgagee may deem reasonably necessary either to prosecute such suit, or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the premises. All expenditures and expenses of the nature in this paragraph mentioned, and such expenses and fees as may be incurred in the protection of the premises and the maintenance of the lien of this Mortgage, including the fees of any attorney employed by Mortgagee to any litigation or proceeding affecting this Mortgage, the Note or the premises, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Mortgagor, with interest at the post maturity rate and shall be secured by this Mortgage.

Mortgagee's Performance of Defaulted Acts

11. In case of default, Mortgagee may, but need not, make any payment or perform any act required of Mortgagor in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim, or redeem from any tax sale or forfeiture affecting the premises or contest any tax or assessment. All moneys paid for any of the purposes authorized and all expenses paid or incurred, including attorneys' fees, and any other moneys advanced by Mortgagee to protect the premises and the lien of this Mortgage, shall be so much additional indebtedness, and shall become immediately due and payable without notice and with interest at the post maturity rate. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it on account of any default on the part of Mortgagor.

Mortgagee's Reliance on Tax Bills, Etc.

12. Mortgagee in making any payment authorized: (a) relating to taxes and assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof; or (b) for the purchase, discharge, compromise or settlement of any other prior lien, may do so without inquiry as to the validity or amount of any claim for lien which may be asserted.

The Mortgagor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the premises for more than one installment in advance and that the payment of none of the rents to accrue for any portion of the said premises has been or will be waived, released, reduced, discounted or otherwise discharged or compromised by the Mortgagor. The Mortgagor waives any rights of set off against any person in possession of any portion of the premises. If any lease provides for the abatement of rent during repair of the premises demised by reason of fire or other casualty, the Mortgagor shall furnish to the Mortgagee rental insurance, the policies to be in amount and form and written by such insurance companies as shall be satisfactory to the Mortgagee. Mortgagor agrees that it will not assign any of the rents or profits of said premises, except to a purchaser or grantee of the premises.

Nothing contained in this Mortgage shall be construed as constituting the Mortgagee as mortgagee in possession in the absence of the taking of actual possession of the premises by the Mortgagee pursuant to paragraph 19. In the exercise of the powers granted the Mortgagee in this Mortgage, no liability shall be asserted or enforced against the Mortgagee, all such liability being expressly waived and released by Mortgagor.

The Mortgagor further agrees to assign and transfer to the Mortgagee all future leases, agreements, contracts and escrows upon all or any part of the premises described and to execute and deliver, at the request of the Mortgagee, all such further assurances and assignments in the premises as the Mortgagee shall from time to time require.

Although it is the intention of the parties that the assignment contained in this paragraph 17 shall be a present assignment, it is expressly understood and agreed, anything contained to the contrary notwithstanding, that the Mortgagee shall not exercise any of the rights or powers conferred upon it by this paragraph until a default shall exist.

Observance of Lease Assignment

18. In the event the Mortgagor, as additional security for the payment of the indebtedness secured by this Mortgage, has sold, transferred and assigned, or may sell, transfer and assign, to the Mortgagee, its successors and assigns, any interest of the Mortgagor as Lessor in any lease or leases, the Mortgagor expressly covenants and agrees that if the lessee or any of the lessees under said lease or leases so assigned or the Mortgagor, as lessor, shall fail to perform and fulfill any term, covenant, condition or provision in said lease or leases, or any of them, on its or their part to be performed or fulfilled, at the times and in the manner in said lease or leases provided, or if Mortgagor shall suffer or permit to occur any breach or default under the

Appointment of Receiver

16. Upon, or at any time after the filing of a complaint to foreclose this Mortgage, the court in which such complaint is filed may appoint a receiver of said premises. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagor at the time of application for such receiver and without regard to the then value of the premises or whether the same shall be then occupied as a homestead or not and the Mortgagee or any holder of the Note may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit, and in case of a sale and deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagor, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) the indebtedness secured by this Mortgage, or by any decree foreclosing this Mortgage, or any tax, special assessment or other lien which may be or become superior to the lien of this Mortgage or of such decree, provided such application is made prior to foreclosure sale; (b) the deficiency in case of a sale and deficiency.

Assignment of Rents and Leases, Security Deposits, Contracts, Etc.

17. To further secure the indebtedness secured by this Mortgage, Mortgagor sells, assigns and transfers to the Mortgagee, all rents, issues, income and profits now due and which may become due under or by virtue of any contract or agreement of Mortgagor to sell the premises or any part of the improvements or by virtue of any lease, whether written or verbal, or any letting of, or of any agreement for the use or occupancy of the premises or any part, which may have been or may be made or agreed to by the Mortgagor under the powers granted, it being the intention to establish an absolute transfer and assignment of all of such leases, agreements, contracts and escrows and all the avails, to the Mortgagee, and Mortgagor appoints irrevocably the Mortgagee its true and lawful attorney in its name and stead (with or without taking possession of the premises as provided in paragraph 19) to rent, sell, lease or let all or any portion of said premises to any party or parties at such rental or sales prices and upon such terms as said Mortgagee shall, in its discretion,

Should the Mortgagee incur any such liability, loss or damage, under said contracts, agreements, escrows and leases or under or by reason of the assignment, or in the defense of any claims or demands, the amount, including costs, expenses and reasonable attorneys' fees, shall be secured by this Mortgage, and the beneficiaries of the Mortgagor shall reimburse the Mortgagee immediately upon demand.

Application of Income Received by Mortgagee

20. The Mortgagee in the exercise of the rights and powers conferred upon it by paragraph 17 and paragraph 19 shall have full power to use and apply the avails, rents, issues, income and profits of the premises to the payment of or on account of the following, in such order as the Mortgagee may determine:

(a) to the payment of the operating expenses of said property, including cost of management and leasing (which shall include reasonable compensation to the Mortgagee and its agent or agents, if management be delegated to an agent or agents, and shall also include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), established claims for damages, if any, and premiums on insurance hereinabove authorized;

(b) to the payment of taxes and special assessments now due or which may become due on the premises;
