Your balloon mortgage loan will have a term of three (3) year(s). This means that it will mature, or be due and payable, at the end of the term. You must repay the entire principal balance and any unpaid interest at this time. This lender is not obligated to refinance your loan at that time. You will be required to repay your loan from other assets you may own, or find another lender willing to lend you the money at prevailing market rates, which may be considerably higher or lower than the interest rate on this loan. If you refinance this loan at maturity, you may have to pay some, or all, closing costs normally associated with a new loan even if your balloon loan is refinanced with this lender.

Payments of \$ 862.46 and a balloon payment of \$ 65,041.46

Your balloon mortgage of \$70,000.00 will result in the following schedule of payments:
