If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

8. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. Successors and Assigns Clause; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

12. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sum already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 19. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraphs 13 or 17.

Note and this Security Instrument unless Lender releases Borrower in writing.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to be obligated under the Note and the terms of this Security Instrument and agrees to the Note and this Security Instrument unless Lender releases Borrower in writing.

Lender also reserves the right to require a reasonable fee as a condition to Lender's consent to the loan assumption. To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption, to be imposed by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

Lender also reserves the right to require a reasonable fee as a condition to Lender's consent to the loan assumption, to be imposed by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

This option shall not be exercised by Lender if exercise is prohibited by law as of the date of this Security Instrument.

Within consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument, however,

sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent.

Transfer of the Property or Beneficial Interest in Borrower all or any part of the Property or any interest in it

unless otherwise directed to me a notice of any changes in my interest rate and the amount of my monthly payment

before the effective date of any change. The notice will include information required by law to be given me and so the title and

telephone number of a person who will answer any question I may have regarding the note.

The Note Holder will deliver or mail to me a notice of any changes in my monthly payment

(f) Notice of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment first monthly payment after the Change Date until the amount of my monthly payments again.

The interest rate I am required to pay at the first Change Date will not be greater than 10.250 % or less than 6.250 %. Thereafter, my interest rate will never be increased or decreased by any single Change Date by more than two percentage points (2.0%) from the rate I have been paying for the preceding twelve months. My interest rate will never be greater than 14.250 %.

(D) Limits on Interest Rate Changes

The Note Holder will then determine the amount of the monthly change that would be sufficient to repay the unpaid principal that I am entitled to owe at the Change Date in full on the maturity date of my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal this rounded amount will be my new interest rate until the next Change Date.

Addition to the nearest one-eighth of one-percentage point (0.125%), subject to the limits stated in Section 4 (D) below,

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and Three quarters percentage points (2.750 %) to the current index. The Note Holder will then round the result of this

(C) Calculation of Changes

The Note Holder will give me notice of this change. If the index is no longer available, the Note Rider will choose a new index which is based upon comparable information.

Beginning with the first Change Date, my interest rate will be based on an index. The "index" is the weekly average

yield on United States Treasury securities adjusted to a constant maturity of 1 Year, as made available by the Federal

Reserve Board. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index".

If the index is no longer available, the Note Rider will choose a new index which is based upon comparable information.

The interest rate I will pay my change on the first day of June 19 90 and on

(B) The Index

The Note provides for an initial interest rate of 8.250 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

Additional Conventions. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

BORROWER MUST PAY.
INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE NOTE CONTAINS PROVIDED PAYMENT FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT.
