UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower, subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

## RIDER TO MORTGAGE

Account Number: 0662000611

Date: June 13, 1990

FOR VALUE RECEIVED, the undersigned (Borrower) agrees that the following provisions shall be incorporated into the mortgage of even date herewith to which this Rider is attached, including any other riders which might amend said mortgage (collectively, the Security Instrument), as well as the Borrower's Revolving Credit Loan Promissory Note of even date herewith (the Note) which is secured by the Security Instrument. All terms, not otherwise defined herein, shall have the meaning given to them in the Security Instrument.

- Effectiveness of Provisions. Except as otherwise provided in this Rider, all of the provisions of the Note and the Security Instrument shall remain in force and effect.
- Revolving Line of Credit. The Note evidences a revolving line of credit under which the Borrower may obtain loans from time to time as more fully described in the Note. The revolving line of credit shall constitute an open-end credit plan. The Security Instrument secures the repayment of any and all advances obtained by the Borrower from time to time under the open-end credit plan, including all charges provided for in the Note and the Security Instrument without regard to the date of any advance. The maximum credit limit is the amount shown on the Security Instrument as the principal sum. Notwithstanding the amount outstanding at any particular time, the Security Instrument secures the total amount of principal indebtedness under the Note plus accrued and unpaid interest and charges, if any, thereon. All advances will have the same priority as the funds initially advanced under the Note. The unpaid balance of the revolving line of credit under the Note may at certain times be zero; the interest or Lender herein will remain in full force and effect notwithstanding a zero balance at any time.
- Adjustable Mortgage Loan Provisions. The note contains provisions which permit: (a) increases and decreases to the rate of interest provided in the Note on a monthly basis and (b) increases and decreases to the minimum payments required. Reference is made to the Note for a complete description of the variable interest rate terms of the indebtedness secured by the Security Instrument.
- Lien Priority. Covenant 4 of the Security Instrument requires, among other things, the Borrower to promptly discharge any lien which has priority over the Security Instrument unless the Borrower agrees in writing with the Lender to the payment of the obligation secured by such a superior lien in a manner acceptable to Lender. This Rider to the Security Instrument will serve as the written agreement of the parties with regard to superior liens of record as of the date of the Security Instrument on the condition that Borrower makes prompt payment and fulfills each and every obligation required by any note or notes, and mortgages or mortgages evidencing such lien of record.
- Notice to Borrower. Any notice to Borrower provided for in the Security Instrument or this Rider shall be deemed given when it is deposited in the United States mail, postage prepaid, addressed to Borrower at the address of Borrower as it appears in Lender's records pertaining to the loan evidenced by the Note at the time the notice is given.
- Application of Payments. Covenant 3 of the Security Instrument is amended to read in its entirety as follows:  
**3. APPLICATION OF PAYMENTS.** Unless applicable law provides otherwise, all payments received by Lender under the Note or this Security Instrument shall be applied first, to expenses of the Lender to be reimbursed, then, to interest due and unpaid and finally, to outstanding principal.
- Legislation Affecting Lender's Rights. Covenant 13 of the Security Instrument is deleted in its entirety.
- Injury to Property. All causes of action of Borrower, whether accrued before or after the date of the Security Instrument, for damage or injury to the Property described in the Security Instrument or any part thereof, or in connection with the transaction financed in whole or in part by the funds loaned to Borrower by Lender, or in connection with or affecting the said Property or any part thereof, including causes of action arising in tort or contract and causes of action for fraud or concealment of a material fact are, at Lender's option, assigned to Lender, and the proceeds thereof shall be paid to Lender who, after deducting therefrom all its expenses, including reasonable attorneys' fees, may apply such proceeds to the sum secured by the Security Instrument or to any deficiency under the Security Instrument or may release any moneys so received by it or any part thereof, as Lender may elect. Lender may, at its option, appear in and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement thereof. Borrower agrees to execute such further assignments and other instruments as from time to time may be necessary to effectuate the foregoing provisions and as Lender shall request.
- Offsets. No indebtedness secured by the Security Instrument shall be deemed to have been offset or to be offset or compensated by all or part of any claim, cause of action, or counterclaim, whether liquidated or unliquidated, which Borrower now or hereafter may have or may claim to have against Lender.
- Borrower's Representations. Borrower has made certain representations and disclosures in order to induce Lender to make the loan evidenced by the Note which the Security Instrument secures, and, in the event that Borrower has made any material misrepresentation or failed to disclose any material fact, Lender, at its option and without prior notice, shall have the right to declare the indebtedness secured by the Security Instrument, irrespective of the maturity date specified in the Note, immediately due and payable.
