Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments, which are referred to in Paragraph 2, or change the amount of such payments. Any excess proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**8. Fees.** Lender may collect fees and charges authorized by the Secretary.

**9. Grounds for Acceleration of Debt.**

(a) **Default.** Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

(i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or

(ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) **Sale Without Credit Approval.** Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:

(i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and

(ii) The Property is not occupied by the purchaser or grantee as his or her primary or secondary residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) **Regulations of the Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

**10. Reinstatement.** Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding; (ii) reinstatement will preclude foreclosure on different grounds in the future; or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

**13. Noticees.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**14. Governing Law; Severability.** This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note. Which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**15. Borrower's Copy.** Borrower shall be given one conformed copy of this Security Instrument.

**16. Assignment of Rents.** Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

**7. Condemnation.** The proceeds of any award of claim for damages, direct or consequential, in connection with any condemnation or taking of any part of the property, or for conveyance in place of condemned land, shall be paid to the party entitled to the same, or to his heirs, executors, or administrators, if he die before payment is made, first to any debt unpaid whomsoever applied in the order paid in Paragraph 3, and then to payment of principal, security instruments, and other such proceeds to the reduction of the indebtedness under the Note and this Security instrument. Under such application of the full amount of the indebtedness, the remitter unpaid under the Note and this Security instrument, first to any debt unpaid whomsoever applied in the order paid in Paragraph 3, and then to payment of principal,

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Security Instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

If however, the parties to the agreement intended to make use of the services of the agent to effect a transfer of the property, then the agent's rights in respect of the property would be limited to those which are necessary to effect the transfer.

6. **Chargers to Borrower and Lender.** In the event of a default under a mortgage, note or other obligation, the Lender may require the Borrower to pay all or any part of such obligations directly to the Lender.

3. Preservation and Amendment of the Property. Lessee holds, leases, shall not commit waste or desertion, damage or substantially change the property or allow the property to deteriorate, reasonably wear and tear excepted. Landlord may inspect the property at reasonable times and upon reasonable notice. If this Security Deposit is on a leasehold, short-term shall comply with the provisions of the lease. If short-term acquires fee title to the Property, the lessee shall be merged unless the lessee agrees to the merger in writing.

In the event of forfeiture of this Security instrument or other transfer of title to the Property that extinguishes the  
liedgesship, the addressee of this Security instrument or other transferee policies in force shall pass to the predecessor.

In the event of loss, Mortgagor shall make proof of loss if under insurance companies concerned is hereof, and directed to make payment for such loss promptly by Mortgagor, each insurance company concerned is hereof, and directed to make payment for such loss directly to Lender, instead of to Mortgagor, and to Lender jointly, all or any part of the insurance proceeds may be applied by Lender, in its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, or (b) to the reduction of the principal amount of the indebtedness under the Note and this Security Instrument, first to any deficiency amount as provided in the Note and this Security Instrument, and then to the extent of the deficiency amount as provided in Paragraph 3, and any application of the principal amount of the indebtedness under the Note and this Security Instrument, first to any deficiency amount as provided in Paragraph 3, and then to the extent of the deficiency amount as provided in Paragraph 2, to the change in the amount of such payments. Any excess insurance proceeds over an amount required to pay off outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

4. **Fire, Flood and Other Hazard Insurance.** Insurer shall insure all improvements on the property, whether now in existence or subsequently erected, against hazards, casualties, and contingencies, including fire, for which Landlord requires payment of premium by Lessee, whether now in existence or subsequently erected, within one month after the date of lease, and shall include loss by fire, flood and other hazards in favor of, and in a form acceptable to, Landlord.

Third, to interest the Negroes in the South; fourth, to interest the Negroes in the North; fifth, to take charge of the Negroes.

If the government of Canada fails to ender the full payment of all sums secured by this security instrument, however, a account shall be charged with the failure remaining for all instalments for the term (a), (b), and (c).

1. As mentioned, plus an amount sufficient to maintain an undivided one-half interest in the joint annuities, as reasonably estimated by the trustee for items (a), (b), and (c) shall equal the amount necessary to make up the deficiency between the total of the payments held by the trustee for items (a), (b), and (c), together with the future unpaid payments becoming due.

the new adjusted interest rate will be limited to five percentage (5%) points higher or lower, whichever is applicable, than the Initial Interest Rate.

- (e) Lender will perform the functions required under Subparagraphs 3(a), (b) and (c) to determine the amount of the new adjusted rate, if any. Any such new adjusted rate will become effective on the Change Date and thereafter will be deemed to be the Existing Interest Rate. The new Existing Interest Rate will remain in effect until the next Change Date on which the interest rate is adjusted.
- (f) If the Index is no longer available, Lender will be required to use any index prescribed by the Department of Housing and Urban Development. Lender will notify Borrower in writing of any such substitute index (giving all necessary information for Mortgagor to obtain such index) and after the date of such notice the substitute index will be deemed to be the Index hereunder.
4. (a) If the Existing Interest Rate changes on any Change Date, Lender will recalculate the monthly installment payments of principal and interest to determine the amount which would be necessary to repay in full, on the maturity date, the unpaid principal balance (which unpaid principal balance will be deemed to be the amount due on such Change Date assuming there has been no default in any payment on the Note but that all prepayments on the Note have been taken into account), at the new Existing Interest Rate, in equal monthly payments. At least 25 days before the date on which the new monthly payment at the new level is due, Lender will give Borrower written notice ("Adjustment Notice") of any change in the Existing Interest Rate and of the revised amount of the monthly installment payments of principal and interest calculated as provided above. Each Adjustment Notice will set forth (i) the date the Adjustment Notice is given, (ii) the Change Date, (iii) the new Existing Interest Rate as adjusted on the Change Date, (iv) the amount of the adjusted monthly installment payments, calculated as provided above, (v) the Current Index and the date it was published, (vi) the method of calculating the adjustment to the monthly installment payments, and (vii) any other information which may be required by law from time to time.
- (b) Borrower agrees to pay the adjusted monthly installment amount beginning on the first payment date which occurs at least twenty-five (25) days after Lender has given the Adjustment Notice to Borrower. Borrower will continue to pay the adjusted monthly installment amount set forth in the last Adjustment Notice given by Lender to Borrower until the first payment date which occurs at least twenty-five (25) days after Lender has given a further Adjustment Notice to Borrower. Notwithstanding anything to the contrary contained in this Adjustable Rate Rider or in Security Instrument, Borrower will be relieved of any obligation to pay, and Lender will have forfeited its right to collect, any increase in the monthly installment amount (caused by the recalculation of such amount under Subparagraph 4(a)) for any payment date occurring less than twenty-five (25) days after Lender has given the applicable Adjustment Notice to Borrower.
- (c) Notwithstanding anything contained in this Adjustable Rate Rider, in the event that (i) the Existing Interest Rate was reduced on a Change Date, and (ii) Lender failed to give the Adjustment Notice when required, and (iii) Borrower, consequently, has made any monthly installment payments in excess of the amount which would have been set forth in such Adjustment Notice ("Excess Payments"), then Borrower, at Borrower's sole option, may either (1) demand the return from Lender (who for the purposes of this sentence will be deemed to be the lender, or lenders, who received such Excess Payments, whether or not any such lender subsequently assigned the Security Instrument) of all or any portion of such Excess Payments, with interest thereon at a rate equal to the sum of the Margin and the Index on the Change Date when the Existing Interest Rate was so reduced, from the date each such Excess Payment was made by Borrower to repayment, or (2) request that all or any portion of such Excess Payments, together with all interest thereon calculated as provided above, be applied as payments against principal.
5. Nothing contained in this Adjustable Rate Rider will permit Lender to accomplish an interest rate adjustment through an increase (or decrease) to the unpaid principal balance. Changes to the Existing Interest Rate may only be reflected through adjustment to Borrower's monthly installment payments of principal and interest, as provided for herein.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
