(C) Agreed Periodic Payments. During the Revolving Line of Credit Term and for the one hundred twenty-first (121st) Billing Cycle, you agree to pay on or before the payment due date shown on each periodic Billing Statement the Minimum Payment Due for that Billing Cycle. The minimum payment due is the sum of the following charges accrued or incurred in the Billing Cycle: (1) Finance Charges; (2) premiums for Optional Credit Life and/or Disability Insurance; (3) the Annual Fee; (4) all other fees and charges incurred pursuant to the Agreement except fees and charges charged to your Account at the inception of the Agreement as permitted by Paragraphs 11(B) and (C) of the Agreement; (5) principal necessary to reduce the Outstanding Balance of your account to your Credit Limit; and (6) any past due payments. The payment due date for each Billing Cycle is approximately twenty-five (25) days after the close of the Billing Cycle. During the Closed-End Repayment Term you agree to pay on or before the payment due date shown on each Periodic Billing Statement a minimum payment due computed in the same way as above, plus 1/240th of your Initial Closed-End Principal Balance (the Principal Balance owed by you to us at the end of the Revolving Line of Credit Term). (If you have used an Equity Source Account check that has not been posted to your account as of the Conversion Date, as defined in the Agreement, and that check is subsequently paid by us as provided in paragraph 2 (C) of the Agreement, your minimum payment thereafter will include, instead of 1/240th of your Initial Closed-End Principal Balance, a fraction of the outstanding principal balance after payment of that check that has a numerator of 1 and a denominator equal to the number of Billing Cycles left in the Closed-End Repayment Term, so that your account is fully paid in substantially equal principal installments by the Maturity Date.)

(D) Interest During the Revolving Line of Credit Term. You agree to pay interest (a "Finance Charge") on the Outstanding Principal Balance of your Equity Source Account during the Revolving Line of Credit Term as determined by the Agreement.

The rate of interest ("Annual Percentage Rate") will be determined and will vary based upon a "Reference Rate". This Reference Rate shall be the prime rate of interest as published in the Money Rates Section of the Wall Street Journal on the first business day of each month, regardless of when such rates were quoted by the Commercial Banks to the Wall Street Journal. The Reference Rate is defined by the Wall Street Journal as the base rate on corporate loans at large U.S. Money Center Commercial Banks. In the event more than one Reference Rate is published by the Wall Street Journal for any applicable day, the lowest rate so published shall apply. In the event such a Reference Rate ceases to be published by the Wall Street Journal, we will select a new Reference Rate that is based upon comparable information, and if necessary, a substitute "Margin", so that the change in the Reference Rate results in substantially the same "Annual Percentage Rate" required under the previous Reference Rate.

The Reference Rate so determined shall be effective for any Billing Cycle that begins in that month. However, the Reference Rate effective for your initial Billing Cycle shall be determined in one of two ways. If your initial Billing Cycle Billing Date occurs in the same month as the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the preceding month. If your initial Billing Cycle Billing Date occurs in the month after the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the month in which the effective date of this Agreement occurs.

Your rate of interest ("Annual Percentage Rate") shall be the Reference Rate plus a "Margin" of **ONE & 1/4** **+ 1.25 %** percent for the applicable Billing Cycle.

Finance Charges will be assessed on a daily basis by applying the Daily Periodic Rate (the "Daily Periodic Rate" is the Annual Percentage Rate applicable to that Billing Cycle, divided by 365) to the Daily Principal Balance on your Equity Source Account for each day of the Billing Cycle in which there is an Outstanding Principal Balance.

(E) Interest During the Closed-End Repayment Term. You agree to pay interest (a Finance Charge) during the Closed-End Repayment Term on the Outstanding Principal Balance of your Equity Source Account which has not been paid beginning on the day after the Conversion Date and continuing until the full Outstanding Principal Balance has been paid. Your Outstanding Principal Balance at the beginning of the Closed-End Repayment Term is that sum disclosed on the periodic Billing Statement for your One Hundred Twenty First (121st) Billing Cycle as the Outstanding Principal Balance and is referred to herein as the "Initial Closed-End Principal Balance". If you have used equity source account checks that have not been paid off in your account as of the Conversion Date and those checks are subsequently paid off, any initial closed-end Principal balance will be increased on subsequent periodic Billing Statements to reflect such loans.

The rate of interest (Annual Percentage Rate) during the Closed-End Repayment Term will be determined and will vary based upon the Reference Rate described in the Agreement and in Paragraph 1 (D) hereof.

The "Current Reference Rate" is the most recent Reference Rate available sixty (60) days prior to each "Change Date", defined below.

Each day on which the interest rate effective during the Closed-End Repayment Term changes, and the first day of the Closed-End Repayment Term, is a "Change Date". Interest rate changes during the Closed-End Repayment Term will occur on the first day of the Closed-End Repayment Term and on the same day of the month every month until monthly thereafter.

The interest rate effective on the First Change Date will be the Current Reference Rate plus a Margin of **ONE & 1/4** **+ 1.25 %** percent. On each succeeding Change Date, we will determine the Current Reference Rate, and the new interest rate will be equal to the Current Reference Rate, plus the Margin of **ONE & 1/4 + 1.25 %** percent.

Each new interest rate will become effective with each Change Date, and will be reflected in the periodic Billing Statements after that Change Date.

(F) Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by you, you shall pay to us on the day periodic payments are due under the Agreement until this Mortgage is released, a sum of funds ("funds") equal to one-twelfth of (a) yearly taxes and assessments which may attain priority over this Mortgage; (b) monthly household payments of ground rents on the property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." We may estimate the funds due on the basis of current data and reasonable estimates of future amounts due.

The funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including us if we are such an institution). We shall apply the funds to pay the escrow items. We may not charge for sending and applying for the funds, analyzing the account or verifying the escrow items, unless we pay interest on the funds and applicable law permits us to make such a charge. You and we may agree in writing that interest shall be paid on the funds. Unless an agreement is made or applicable law requires interest to be paid, we shall not be required to pay you any interest or earnings on the funds. We shall give to you, without charge, an annual accounting of the funds showing credits and debits to the funds and the purpose for which each debit to the funds was made. The funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the funds held by us, together with the future monthly payments of funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at your option, either promptly repaid to you or credited to you in monthly payments of funds. If the amount of the funds held by us is not sufficient to pay the escrow items when due, you shall pay to us any amount necessary to make up the deficiency in one or more payments as required by us.

10. **You're Not Released; Forbearance is not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Mortgage granted by us to any successor in interest shall not operate to release our liability of your original successor in interest. We shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Mortgage by reason of any demand made by you or your successors in interest. Any forbearance by us in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

11. **Successor and Assigns Bound; Joint and Several Liability; Co-Signers.** The covenants and agreements of this Mortgage shall bind and benefit our and your successors and assigns, subject to the provisions of paragraph 10. Your covenants and agreements shall be joint and several. Any Mortgagor who co-signs this Mortgage but does not execute the Agreement, is co-signing this Mortgage only to mortgage, grant and convey that Mortgagor's interest in the property under the terms of this Mortgage; (b) is not personally obligated to pay the sums secured by this Mortgage; and (c) agrees that we and any other Mortgagor may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Mortgage or the Agreement without that Mortgagor's consent. Such a Mortgagor is identified below by executing this Mortgage as an "Other Owner" of the Property.

12. **Loan Charges.** If the Agreement secured by this Mortgage is subject to a law which sets maximum loan charges and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from you which exceed the permitted limits will be refunded to you. We may choose to make this refund by reducing the principal owed under the Agreement or by making a direct payment to you. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Agreement.

13. **Notices.** Any notice to you provided for in this Mortgage shall be given by delivering it or by mailing it by first class mail, unless applicable law requires use of another method. The notice shall be directed to the property address or any other address you designate by notice to us. Any notice to us shall be given by first class mail to our address stated herein or any other address we designate by notice to you. Any notice provided for in this Mortgage shall be deemed to have been given to you or us when given as provided in this paragraph.

14. **Governing Law; Severability.** This Mortgage shall be governed by federal law and regulation and the law of the jurisdiction in which the property is located. In the event that any provision or clause of this Mortgage or the Agreement conflicts with applicable law, such conflict shall not affect other provisions of this Mortgage or the Agreement, which can be given effect without the conflicting provision. To the end the provisions of this Mortgage and the Agreement are declared to be severable.

15. **Your Copy.** You shall be given one conformed copy of the Agreement and of this Mortgage.

16. **Prior Mortgages.** You covenant and agree to comply with all of the terms and conditions and covenants of any mortgage, trust deed or similar security instrument affecting the property ~~now or hereafter~~ may have priority over this Mortgage, including specifically, but not limited to, timely making the payments of principal and interest due thereunder. Your failure to make such payments or keep such terms, conditions and covenants as provided for in such prior mortgages, trust deeds or security agreements shall constitute a default under this Mortgage, and we may invoke the remedies specified in paragraph 20 below.

17. **Default.** (a) The occurrence of any of the following events shall constitute a default by you under this Mortgage: (1) failure to pay when due any sum of money due under the Agreement or pursuant to this Mortgage, or the Security Agreement; (2) your action or inaction adversely affects our security for the Agreement or any right we may have in that security; (3) you gave or give us any false or materially misleading information in connection with any Loan to you or in your application for the Equity Source Account; (4) title to your home, the property, is transferred as more fully described in paragraph 19 below, or (5) any of you die.

(b) If you are in default under the Agreement or this Mortgage, we may terminate your Equity Source Account and require you to pay immediately the principal balance outstanding, any and all interest you may owe on that amount, together with all other fees, costs or premiums charged to your account. The principal balance outstanding under the Agreement after default shall continue to accrue interest until paid at the rate provided for in the Agreement as of the date default had occurred. In addition to the right to terminate your Equity Source Account and declare all sums immediately due and owing under the Agreement, in the event of a default, we shall have the right to refuse to make additional Loans to you under the Agreement, reduce your Credit Limit. If we refuse to make additional Loans to you after default, but do not terminate your account, you must notify us in writing if you would like to obtain further Loans and can demonstrate that the condition that led us to the default no longer exists.

18. **Right to Reduce Line of Credit.** We may, during the Revolving Line of Credit Term, reduce your Credit Limit or suspend your credit privilege or refuse to make additional Loans if: (a) the value of your property drops significantly below the appraised value upon which the Agreement was based, (b) a material change in your financial circumstances gives us reason to believe that you will not be able to make the required payments; (c) governmental action precludes us from charging the Annual Percentage Rate permitted by the Agreement or governmental action adversely affects our lien priority such that the value of our security interest falls below 125 percent of your Credit Limit; (d) the cap on the maximum Annual Percentage Rate provided in the Agreement prevents us from increasing the Annual Percentage Rate to match one or more increases in the Reference Rate; (e) we are notified by our Regulatory Agency that continuing to make Loans constitutes an unsafe and unsound practice; or (f) you are in default of any material obligation under the Agreement. If we refuse to make further Loans to you, but do not terminate your Equity Source Account, you must notify us in writing if you would like to obtain further loans and can demonstrate that the conditions that gave us the right to refuse to make further Loans has changed.

19. **Transfer of the Property.** If you or any part of the property, or an interest therein in whole or (transferred by you or) the beneficial interest in any part thereof in any land trust holding title to the property is assigned, sold or transferred, or if you or the title holding trust enters into Articles of Agreement for Deed or any agreement for installment sale of the property or the beneficial interest in the title holding land trust, without our prior written consent, excluding (a) the creation of a purchase money security interest for household appliances, (b) a transfer by devise, descent or by operation of law upon the death of a joint tenant, or (c) the grant of any personal interest of three (3) years or less not constituting an option to purchase, we may, at our option declare all sums secured by this Mortgage to be immediately due and payable.

20. **Acceleration Remedies.** We shall give notice to you prior to acceleration following your breach of any covenant or agreement in this Mortgage (but not prior to acceleration under paragraph 18 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) date, not less than 30 days from the date the notice is given to you, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Mortgage, foreclosure by judicial proceeding and sale of the property. The notice shall further inform you of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of a default or any other defense to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, at our option, we may require immediate payment in full of all sums secured by this Mortgage without further demand and may foreclose this Mortgage by judicial proceeding. We shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 20, including, but not limited to, reasonable attorneys' fees and costs of title evidence.
