Sec. 28-10 Duty of property owners to cut weeds.

It is the duty of each owner of real property located within the village not to permit weeds, whether growing or not, to stand on his property at a height greater than eight (8) inches from the ground. Each property owner shall take such action as is lawful and as often as is necessary to cut weeds or remove them, such that they will not exceed the maximum permitted height. (Ord. No. 35-1975, P 2, 9-9-75)

Sec. 28-11. Notice to owner to cut weeds.

In the event that a property owner permits weeds on his property to exceed the maximum height, the village manager shall serve written notice upon him to comply with the provisions of section 28-10 of the village code within five (5) days from the date of such notice (Ord. No. 35-1975, P 2, 9-9-75)

Sec. 28-12 Action by village upon failure of owner to cut weeds.

If a property owner fails to comply with the provisions of section 28-10, and the village manager has given the notice provided for in section 28-11, at the expiration of the five (5) day period set forth in such notice, the village may enter upon the property and cut the weeds. The village manager shall keep accurate records of the cost incurred by the village in so doing, whether such cost arises out of a contract entered into by the village with others to cut the weeds, or whether the cost arises out of the assignment of village employees to cut the weeds. As soon as reasonably possible after weeds are cut by the village, and the cost thereof is determined, the village manager shall send a written demand to the property owner to reimburse the village for such cost. (Ord. No. 35-1975, P 2, 9-9-75)

Sec. 28-13 Lien upon real property.

The cost to the village of cutting weeds on the property of an owner who has failed to comply with section 28-10 is a lien in favor of the village against such property. If, after the demand for payment provided for in section 28-12 has been sent by the village, the property owner does not pay to the village the amount demanded, the village manager shall cause the notice of such lien to be recorded in the office of the Cook County recorder (or, if the property is subject to the Torrens Registration System, then in the office of the Cook County registrar of titles) not later than sixty (60) days after such cost is incurred. The notice shall contain a sworn statement setting out:

- (1) A description of the real estate sufficient for identification thereof;
- (2) The amount of money representing the cost incurred; and
