7. In case of loss, the Lender is hereby authorized, at his sole option, either (a) to settle and adjust any claim under such insurance policies without consent of Borrower or (b) to allow Borrower to agree with the insurance company or companies on the amount to be paid, and the case where the Lender's rights under the PRIOR LOAN DOCUMENTS. Borrower shall keep the property in good condition and repair, which shall be and free from mechanical liens or other liens or claims not expressly subordinated to the lien hereof, unless otherwise herein provided for, and shall comply with all requirements of law of municipalities and ordinances with respect to the property and the use thereof. Lender has the right to inspect the property at any reasonable time to ensure compliance with the terms hereof.

If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the property, including eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedent, then Lender at Lender's option, upon notice to Borrower, may, but need not, make such appearances, disburse such sums and take such action as is necessary to protect Lender's interest, including, but not limited to, disbursement of reasonable attorney's fees and entry upon the property to make repairs.

All expenditures and expenses incurred by Lender pursuant to this Paragraph 10, with interest thereon, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable from time to time on outstanding principal under the Note unless payment or interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate permissible under applicable law. Nothing contained in this Paragraph 10 shall require Lender to incur any expense or take any action hereunder.

Borrower covenants and agrees that if and to the extent Lender pays installments of principal or interest or any other sums due under the Prior Note, the Prior Mortgage or the other documents or instruments, if any, evidencing or securing the Prior Loan, Lender shall be subrogated to the rights, liens, security interest, powers and privileges granted to the holder of the Prior Note and the Prior Mortgage, and the Prior Mortgage shall remain in existence to secure Borrower's obligation to repay all such installments or other sums paid by Lender.

As long as any indebtedness secured hereby remains unpaid, in the event that Borrower without the prior written consent of the Lender, shall transfer, encumber, mortgage or lease all or a portion of the property, such action shall constitute an event of default under this Mortgage and the Lender shall have the right, at its election, to declare immediately due and payable the entire indebtedness secured hereby.

To the extent permitted by law if bankruptcy or any other proceeding for relief under any bankruptcy or similar law for the relief of debtors, is instituted by or against Borrower, the Lender, at its option, may declare this Mortgage in default upon notice to Borrower, whereupon the entire indebtedness secured hereby shall become immediately due and payable.

In addition to all other rights of Lender contained herein, in the event Borrower (i) fails to make any payment when due hereunder or (ii) defaults in the performance of any other of Borrower's obligations hereunder and said default shall continue for ten (10) days, then Lender, at its option, and without the necessity of giving notice or demand, the same being hereby expressly waived, may declare any portion or the entire principal balance, together with all other charges, immediately due and payable. The necessity of demand that payment be made in accordance with the terms hereof as a condition precedent to the exercise of such option subsequent to the acceptance of overdue payments is hereby waived. The acceptance of any sum less than a full installment shall not be construed as a waiver of a default in the payment of such full installment.

When the indebtedness hereby secured shall become due whether by acceleration or otherwise, Lender shall have the right to foreclose the lien hereof. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness of the borrower the proceeds of sale of expenditures and any expense which may be paid or incurred by or on behalf of Lender for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies, reports, certificates, and similar data and assurances with respect to title as Lender may deem necessary to be necessary either to prosecute such suit or to evidence to buyers at any sale which may be had pursuant to such decree the true character of the title to the lands of the premises. All expenditures and expenses of the nature in this paragraph mentioned shall become additional indebtedness secured hereby and immediately due and payable, with interest thereon at the highest rate now permitted by Illinois law, when paid or incurred by Lender in connection with any proceeding including probate and bankruptcy proceedings, to which the Lender shall be a party either as plaintiff, claimant or defendant, by reason of this mortgage or any indebtedness hereby secured, or (b) preparations for the commencement, of any suit for the foreclosure hereof after notice of such right to foreclose whether or not actually commenced; or (c) preparations for the defense of any actual or threatened suit or proceeding which might affect the validity of the security hereof.

The proceeds of a foreclosure sale of the property shall be distributed and applied in the following order of priority: first, to the payment of all costs and expenses incident to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof, second, to the payment of the interest under the terms hereof constitute secured indebtedness additional to that evidenced by the note, with interest thereon as herein provided, third, all principal and interest remaining unpaid on the note, fourth, any remaining sums to borrower, his heirs or legal representatives, as to which they may appear.

Upon or at any time after the filing of a complaint to foreclose this Mortgage, the court in which such complaint is filed may appoint a receiver of said property. Such appointment may be either before or after sale, without notice, without regard to the validity or insolvency of the borrower at the time of application for such receiver and without regard to the then value of the property or whether the same shall be thereafter sold as a commission or fee, and the receiver may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of said property during the pendency of such foreclosure suit and, in case of a sale and a deficiency during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Borrower, except for the maintenance of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, control, management and operation of the property during the whole of said period. The Court from time to time may authorize a receiver to apply the net income in his hands in payment in whole or in part of: (1) The indebtedness secured hereby, or by an decree foreclosing the Mortgage, and each tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

No action for the enforcement of the lien or of any provision hereof shall be subject to any defense which would not be good and available to the party interposing same in an action at law upon the note hereby secured.

The Borrower at the request of the Lender shall provide copies of paid tax bills.

Borrower represents and agrees that the obligation secured hereby constitutes a loan secured by a lien on residential real estate which comes within the purview of Illinois Revised Statutes, Chapter 17, Subsection 6401 et seq., as amended. All agreements herein and in the Note secured hereby are expressly limited so that in no contingency whatever, shall the amount paid or agreed to be paid to the holder of said Note for the use of the money to be advanced hereunder exceed the highest lawful rate permissible under applicable law, and if from any circumstance the lender shall ever receive an interest or amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the unpaid principal balance of the note secured by said Note and not to the payment of interest.

Borrower and Lender intend and believe that each provision in this Mortgage and the Note secured hereby conforms with all applicable laws and public decisions. However, if any portion of this Mortgage or said Note is found by a court to be in violation of any applicable law, administrative or judicial decision, or public policy, and if such court should declare such portion of this Mortgage or said Note to be invalid or unenforceable as written, then it is the intent of Borrower and Lender that such portion shall be given force to the fullest possible extent that it is valid and enforceable, and the remainder of this Mortgage and said Note shall be construed as if such invalid or unenforceable portion, was not contained therein, and that the rights and obligations of Borrower and Lender under the remainder of this Mortgage and said Note shall continue in full force and effect.

No waiver of any provision of this Mortgage shall be implied by any failure of Lender to enforce any remedy or provision of the obligation of this Mortgage, even if such violation by continued or repeated subsequently, and no express waiver by Lender shall be valid, unless in writing and shall not affect any provision other than the one specified in such written waiver and that provision only for the time and in the manner specifically stated in the waiver.

This Mortgage shall not be assumable by any party purchasing the property encumbered hereby.

Upon payment of all sums secured by this Mortgage, Lender shall release this Mortgage and lien thereof by proper instrument, without charge to Borrower. Borrower shall pay all costs of recordation, if any.

The singular number shall mean the plural and vice versa and the masculine shall mean the feminine and neuter and vice versa. "Including" shall mean "including, but not limited to."

This Mortgage shall be interpreted in accordance with the laws of the State of Illinois.
