8. Fees. Lender may collect fees and charges authorized by the Secretary.

9. Grounds for Acceleration of Debt.

(a) Default. Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

- (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to or on the due date of the next monthly payment, or
- (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligations contained in this Security Instrument.

(b) Sale Without Credit Approval. Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all the sums secured by this Security Instrument if:

- (i) All or part of the Property is otherwise transferred (other than by devise or descent) by the Borrower, and
- (ii) The Property is not occupied by the purchaser or grantee as his or her primary or secondary residence, or the purchaser or grantee does so occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(c) No Waiver. If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.

(d) Regulations of HUD Secretary. In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

10. Reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorneys' fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. Borrower not Released; Forbearance by Lender not a Waiver. Extension of the time of payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successor in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time of payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-Signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of Paragraph 9(b). Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive, or make any accommodations with regard to the term of this Security Instrument or the Note without that Borrower's consent.

13. Noticees. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this Paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be given one conformed copy of this Security Instrument.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agents to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agents. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

Borrower has not executed any prior assignment of the rents and has not and will not perform any act that would prevent Lender from exercising its rights under this Paragraph 16.

Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

17. Borrower agrees that should this Security Instrument and the Note secured thereby not be eligible for insurance under the National Housing Act within sixty (60) days from the date hereof, Lender may, at its option and notwithstanding anything in Paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to sixty (60) days from the date hereof, declining to insure this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

7. Condorcetation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condorcetation or other taking of any part of the property, or for compensation for damage to the property, or for conversion of undemocratic instruments of the full amount of the instrument under the Note and this Security instrument, are hereby assignd and shall be paid to Lender to the extent of the full amount of the instrument under the Note and this Security instrument, are hereby assignd and shall be paid to Lender to apply such proceeds to the reduction of the indebtedness under the Note and this Security instrument, first to any delinquent amounts applied in the order provided in Paragraph 3, and then to prepayments of principal. Any proceeds to the principal shall apply to the debt due date of the monthly payments, which are referred to in Paragraph 2, or change the amount of such payments over an amount required to pay all outstanding indebtedness under this Note and this Security instrument paid to the entity legally entitled thereto.

Any amounts disbursed by Lender under this Paragraph shall become an additional debt of Borrower and be secured by this Security instrument. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

If Borrower fails to make these payments as required by Paragraph 2, or fails to perform any other covenants and agreements contained in this Note, Lender's rights in the property described in Paragraph 2 shall be exercisable as provided in the Note.

6. **Chargers to Borrower and Protection of Lender's Rights in the Property.** Borrower shall pay all government or municipal charges, fines and impositions that are not included in Paragraph 2. Borrower shall pay the expenses of the property, including property taxes, insurance premiums, maintenance, repairs, and other expenses which are owed by the property. If failure to pay would adversely affect Lender's interest in the property, up to ten percent of the principal amount of the loan, plus reasonable attorney fees, may be deducted from the principal amount of the loan.

5. Preservation and Maintenance of the Property; Leaseholds. Borrower shall use sound methods of construction and maintenance to keep the property in good condition and repair. Borrower shall not be merged unless less than six months prior to the merger date. If Borrower acquires fee title to the property, the lessee shall not be liable unless less than six months prior to the merger date. If Borrower abandons or sells the property, it shall give notice to the lessee at least 60 days before the sale or abandonment. The lessee may take reasonable steps to protect its interest in the property during the period between the time of notice and the time of sale or abandonment. The lessee may inspect the property at any reasonable time and place. The lessee may terminate the lease if the property is abandoned or sold. The lessee may sue for damages if the property is damaged or destroyed.

under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness,

all rights, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Lender or to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, either to the reduction of the indebtedness under the Note and this Security Agreement, first to any delinquent amounts, or (a) to the reduction of the principal balance of the Note and this Security Agreement, or (b) to the restoration of the damaged property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in Paragraph 3, and then to pay all outstanding indebtedness in full.

4. **Fees, Flood and Other Hazard Insurance.** Borrower shall insure all improvements on the Property, whether now or subsequently, for which Lender requires insurance against hazards, cast alleys and contingencies, including fire, for which Lender shall be liable to pay Lender the amount of any loss by fire or other hazard.

If Borrower fails to pay to the Secretary, and Lender shall promptly refund any account shall be credited with the amount of the principal balance of the security instrument plus interest thereon at the rate of six percent per annum from the date of the last payment to the date of payment to the Secretary.

If this Security instrument is or was insured under a program which did not require advance payment of the entire mortgage insurance premium, then each mutually agreed shall also include either: (i) an increase in the annual mortgagor's insurance premium, or (ii) the security instrument is or was insured under a program which did not require advance payment of the entire mortgage insurance premium.

If at any time the total of the payments held by Lender prior to the due dates of such items exceeds by more than one-sixth the estimated amount of payments due, Lender shall pay to Borrower any amount necessary to make up the deficiency on or before the date the item becomes due.

Each monthly payment will consist of (a) principal, (b) interest, and (c) fees. The amount of each payment will be determined by the sum of the principal, interest, and fees.
