Upon arrival in the area, we were able to identify a number of distinct morphological features associated with the new species. The most prominent feature is the presence of a well-defined, almost vertical, mid-dorsal ridge extending from the head to the posterior margin of the opercular flap. This ridge is composed of numerous small, rounded tubercles, giving it a granular appearance. The body is elongated and laterally compressed, with a deep, laterally compressed body. The dorsal fin is located near the anterior margin of the body, and the pectoral fins are relatively long and pointed. The pelvic fins are also relatively long and pointed, and the anal fin is located near the posterior margin of the body. The caudal fin is deeply forked, with a long upper lobe and a shorter lower lobe. The scales are large and ctenoid, with a distinct lateral line running along the side of the body. The mouth is terminal and slightly upturned, with a single nostril on each side. The gills are located on the ventral side of the head, just behind the opercular flap. The opercular flap is well-defined and extends posteriorly to cover the gills. The pectoral fins are located on the ventral side of the head, just behind the opercular flap. The pelvic fins are located on the ventral side of the body, just behind the pectoral fins. The anal fin is located on the ventral side of the body, just behind the pelvic fins. The caudal fin is located at the posterior end of the body, just behind the anal fin.

that Borrower will neither take nor permit any action to partition or subdivide the Property or otherwise change the legal description of the property, or any part thereof, or change in any way the ownership of title of the property or any part thereof.

Borrower acknowledges that the Note calls for a variable interest rate, and that the Lender may, prior to the expiration of the term of the Note, cancel future advances thereunder and/or require repayment of the outstanding balance under the Note.

**COVENANTS.** Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest.** Borrower shall promptly pay when due the principal and interest on the indebtedness evidenced by the Note together with any fees and charges as provided in the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, or the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ('Funds') equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Mortgage; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender. If pursuant to the terms of this Mortgage, the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and this Mortgage shall be applied by Lender first in payment of any advance made by Lender pursuant to this Mortgage, then to interest, fees and charges payable pursuant to the Note, then to the principal amounts outstanding under the Note.

**4. Charges; Liens.** Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and leasehold payments or ground rents, if any, including all payments due under any mortgage disclosed by the title insurance policy insuring Lender's interest in the Property. Borrower shall, upon request of Lender, promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Mortgage (except for the lien of any mortgage disclosed by the title insurance policy insuring Lender's interest in the Property) provided, that Borrower shall not be required to discharge any such prior lien so long as Borrower shall agree or consent to the payment of the obligation secured by such lien in a manner acceptable to Lender, or shall in good faith contest such lien by, or defend enforcement of such lien in, legal proceedings which operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Lender may require and in such amounts and for such periods as Lender may require; provided, that Lender shall not require that the amount of such coverage exceed that amount of coverage required to pay the sums secured by this Mortgage and any other mortgage on the Property.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All premiums on insurance policies shall be paid in a timely manner.

All insurance policies and renewals thereof shall be in form acceptable to Lender and shall include a standard mortgage clause in favor of and in form acceptable to Lender. Upon request of Lender, Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing and subject to the rights and terms of any mortgage, deed of trust or other security agreement with a lien which has or appears to have any priority over this Mortgage, insurance proceeds shall at Lender's sole discretion be applied to restoration or repair of the Property damaged or to pay the sums secured by this Mortgage, with the excess, if any, paid to Borrower and Lender is hereby authorized to do any of the above. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of any payments due under the Note, or change the amount of such payment. If under the provisions of this Mortgage the Property is acquired by Lender, all right, title and interest of Borrower in and to any insurance policies and in and to the proceeds thereof resulting from damage to the Property prior to the sale or acquisition shall pass to Lender to the extent of the sums secured by this Mortgage immediately prior to such sale or acquisition.

**6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents. If a condominium or planned unit development rider is executed by Borrower and recorded together with this Mortgage, the covenants and agreements of such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Mortgage as if the rider were a part hereof.

**7. Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, including, but not limited to, any proceeding brought by or on behalf of a prior mortgagee, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedent, then Lender at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums and take such action as is necessary to protect Lender's interest, including, but not limited to, disbursement of reasonable attorneys' fees and entry upon the Property to make repairs.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof, and shall bear interest from the date of disbursement at the rate payable from time to time on outstanding principal under the Agreement. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

**8. Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

Such Mortgage shall secure only payments accruing under the Note but also future advances, whether such advances are of principal, interest or otherwise, or otherwise due or payable under the Note.

**Mortgagor:** Lender shall give Borrower notice of acceleration. This notice shall provide a period of not less than 10 days from the date the notice is delivered or mailed within which Borrower must pay all sums accrued by the lessor of either (i) the amount of principal and interest then due and payable or (ii) the amount of principal and interest then due plus interest accrued thereon at the rate of 12% per annum for the period from the date of the notice to the date payment is made.
