(the "Lender") of the same date and covering the property described in

[Propagets Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST LATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of ..08.750.%. The Note provides for changes in the interest rate and the monthly payments as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities ad usted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index liquid available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Polder will choose a new index which is based upon comparable information. The Note Holder will give me nous, of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO & THREE QUARTERS. percentage points (.2.75....%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate and the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greated an 10.750 % or less than 06.750 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than TWO percentage points (2, %) from the rate of interest I have been points for the preceding twelve months. My interest rate will never be greater than 13.375 ... %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment, beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent. Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

OWNER-OCCUPANCY REQUIREMENT COOK COUNTY RECORDER

As an inducement for Lender to make the loan secured by the Security Instrument, Borrower has agreed to

(1) occupy, as Porrower's primary residence, the real property commonly known as

209 DAK BIKOOK COURT, BARTLETT, ILLINOIS ("Real Properv") within 30 days of the date the Security Instrument is recorded and

(2) continue to occupy said Real Property through the one-year anniversary date of the recordation of the Socurity Instrument. Lender may waive this one-year occupancy requirement if Lender, in its soly o scretion, determines that Borrower failed to meet this requirement for reasons beyond his are not control.

Borrower acknowledges that Lender would rot have agreed to make the loan if the Real Property were not to be owner-occupied and that the interest rate set forth on the face of the Promissory Note, as well as other terms of the loan, were determined as a result of borrower's representation that the Real Property would be owner-occupied

Borrower further acknowledges that, among other things, purchasers of loans (including agencies, associations and corporations created by the federal and state governments for the purchases of loans) typically require that properties securing loans acquired by such purchasers be owner occupied, and will reject loans for which the security properties are not own ar-accupied, the risks involved and the costs of holding and administering a loan are often higher in the case of a loan where the security property is not owneroccupied, and, if and when Lender makes a loan on non-o wie -occupied property, Lender typically makes such a loan on terms different from those of loans secured by owner-occupied properties.

Accordingly, in the event the Real Property is not occupied as Borrower's primary residence within 30 days of the recordation of the Security Instrument and through the one-year anniversary date of the recordation of the Security Instrument, the holder of the Promissory Note may, soley at the holder's option, either:

- (a) declare all sums owed under the Promissory Note and secured by 1.19 Security Instrument to be immediately due and payable, or
- (b) if the loan 's interest rate is fixed, increase the interest rate set forth in the Fromissory Note by one percentage point (1.00%), effective the date the Security Instrument was recorded, with all subsequent monthly payments adjusted accordingly; or if the loan's interest rate is adjustable, increase the interest rate, the margin and the limits on adjustments to the interest rate by one-half of one percentage point (50%), effective the date the Security livet organit was recorded, with all subsequent monthly payments adjusted accordingly.

Not withstanding the above, in no event shall any of the provisions contained herein result in an interest rate in excess of the maximum permitted by law.

If any court of competent jurisdiction determines that any term, covenant, condition or provision herein, or the application thereof to any circumstance is invalid, void or unenforceable, the same shall be deemed severable from the remainder and shall in no way affect any other term, covenant or provision or the application thereof to circumstances other than those to which it is held invalid

The rights if the Lender hereunder shall be in addition to any other rights of Lender under the Security Instrument or as allowed by law.

- 12. Loan Charges. If the loan secured by this security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the intere t or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such to in charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make his retund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Legislation Affecting Lender's Rights. It enactment or expirat on of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms.
