TO HAVE AND TO HOLD such property unto Lender and Lender's successors and assigns, forever, together with all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances after-acquired title or reversion in and to the beds of ways, streets, avenues and alleys adjoining the Property, and rents (subject however to the rights and authorities given herein to Lender to collect and apply such rents), royalties, mineral, oil and gas rights and profits, water, water rights, and water stock, insurance and condemnation proceeds, and all fixtures now or hereafter attached to the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Mortgage; and all of the foregoing, together with said property (or the leasehold estate if this Mortgage is on a leasehold) are hereinafter referred to as the "Property"; as to any property which does not constitute a fixture (as such term is defined in the Uniform Commercial Code) (UCC), this Mortgage is hereby deemed to be, as well, a Security Agreement under the UCC for the purpose of creating a security interest in such Property, which Borrower hereby grants to Lender as Secured Party (as such term is defined in the UCC).

To Secure to Lender on condition of the repayment of the REVOLVING LINE OF CREDIT indebtedness evidenced by a Line of Credit Agreement, Note and Disclosure ("Agreement") of even date herewith in the maximum principal sum of U.S. \$ 12,600.00, or so much thereof as may be advanced and outstanding, with interest thereon, providing for monthly installments of interest, with the principal balance of the indebtedness, if not sooner paid or required to be paid, due and payable 15 years from the date thereof; the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Mortgage; and the performance of the covenants and agreements of Borrower contained herein and in the Agreement. This Mortgage permits and secures future advances which have the priority of the original advance. All advances will be made within 20 years of the date of this Mortgage.

Notwithstanding anything to the contrary herein, the Property shall include all of Borrower's right, title, and interest in and to the real property described above, whether such right, title, and interest is acquired before or after execution of this Mortgage. Specifically, and without limitation of the foregoing, if this Mortgage is given with respect to a leasehold estate held by Borrower, and Borrower subsequently acquires a fee interest in the real property, the lien of this Mortgage shall attach to and include the fee interest acquired by Borrower.

Borrower covenants that Borrower is the lawful owner of the estate in land hereby conveyed and has the right to grant, convey and mortgage the Property, and that the Property is unencumbered except for encumbrances of record. Borrower covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record. Borrower covenants that Borrower will neither take nor permit any action to partition or subdivide the Property or otherwise change the legal description of the Property or any part thereof, or change in any way the condition of title of the Property or any part thereof.

Borrower acknowledges that the Agreement calls for a "variable interest rate," and that the Lender may, prior to the expiration of the term of the Agreement cancel future advances thereunder and/or require repayment of the outstanding balance under the Agreement. In this regard, the Agreement provisions set forth verbatim below relate to the variable interest rate and the Lender's option to require repayment prior to expiration of the term of the Agreement or to cancel future advances for reasons other than default by the Borrower.

The paragraph of the Line of Credit Agreement, Note and Disclosure entitled "FINANCE CHARGE" provides as follows:

FINANCE CHARGE. We will charge a one time only \$ N/A Origination Fee. We will also charge a Daily Rate which will be adjusted as described below. We will multiply the Daily Rate by the Average Daily Balance and the number of days in the billing period to determine the FINANCE CHARGE for each month. We calculate the Average Daily Balance by adding the balances outstanding at the end of each day during the billing period and dividing that amount by the total number of days in the billing period. The balances outstanding at the end of each day reflect transactions charged and payments received during that day. They do not include any unpaid credit life insurance charges. On the first billing statement only, the FINANCE CHARGE will also include the Origination Fee. The Origination fee will not be included in the daily balance in calculating the Average Daily Balance. Under this method of calculating the Average Daily Balance, there is no period in which credit extended may be repaid without incurring FINANCE CHARGE. The FINANCE CHARGE will begin, for the first transaction, today. The FINANCE CHARGE will begin, for any Draft advance, on the date we honor such Draft. The Daily Rate will never be less than 10.19178% (7.00% ANNUAL PERCENTAGE RATE) or more than 16.45% (10.45068% ANNUAL PERCENTAGE RATE). Other than the Daily Rate will be tied to the "Prime Rate" announced from time to time by the Wall Street Journal. Any change in the Daily Rate will be effective beginning at the end of every 3rd billing period. Such change will govern the periods covered by the next 3 billing period(s). The new Daily Rate will be determined by adding 2.25% to the Prime Rate in effect on the 25th day of the month in which every 3rd billing period ends and dividing that sum by 365. The Daily Rate for the periods covered by the first 3 billing period(s) will be 10.28930%. This corresponds to an ANNUAL PERCENTAGE RATE OF 10.45%. If this box [X] is checked, the following disclosure in brackets applies: [The initial Daily Rate and ANNUAL PERCENTAGE RATE are not tied to this formula. If they were, the Daily Rate for the first 3 billing period(s) would be 10.33562%. This corresponds to an ANNUAL PERCENTAGE RATE OF 12.25%.] The Daily Rate will not be changed more than N/A% (N/A% per year) at any one time. An increase in the Daily Rate may increase the monthly payment. If the term "Prime Rate" comes to have a different meaning than it does today or if it is no longer announced by the Wall Street Journal, we have the right to select a comparable index to determine the Daily Rate.

The paragraph of the Line of Credit Agreement, Note and Disclosure entitled "CONDITIONS" provides in its entirety as follows: 90541172

All expenditures and expenses of the nature in this paragraph mentioned, and such expenses and fees as may be incurred in the protection of said Property and the maintenance of the lien of this Mortgage, including the fees of any attorney employed by Lender in any litigation or proceeding affecting this Mortgage, the Agreement or the Property or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Borrower, with interest thereon at the default interest rate.
