UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Lender shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Security Instrument; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." Lender may estimate the Funds due on the basis of current data and reasonable estimates of future escrow items.

The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender, if Lender is such an institution). Lender shall apply the Funds to pay the escrow items. Lender may not charge for holding and applying the Funds, analyzing the account or verifying the escrow items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge.

Borrower and Lender may agree in writing that interest shall be paid on the Funds. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly payments of Funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly payments of Funds. If the amount of the Funds held by Lender is not sufficient to pay the escrow items when due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as required by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 19 the Property is sold or acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to late charges due under the Note; second, to prepayment charges due under the Note; third, to amounts payable under paragraph 2; fourth, to interest due; and last, to principal due.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of any part of the Property; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of giving of notice.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

(f) Lender requires Borrower to pay the premium required to maintain the insurance which secures the Note and Security Instruments as a condition of making the loan secured by this Security Instrument for the insurance term. Lender shall take all necessary steps in effect until such time as the requirement for the insurance term is satisfied.

8. Inspection. Lender or its agent may make reasonable entries upon and inspect the property. Lender shall give Borrower notice of its intention to inspect and Lender's written agreement or application.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for consequential damage in lieu of condemnation, are hereby assigned and shall be paid to Lender.

10. Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date of the notice, Lender is authorized to collect and apply the proceeds to the sums secured by this Security Instrument, whether or not then due, to the sums secured to collect and apply the proceeds, at its option, either to restore it or repair or the property or paid to Borrower.

11. The amount of the proceeds multiplied by the fair market value of the property immediately before the taking, divided by (b) the following fraction: (a) the total amount of the sums secured by the amount of the property paid to Borrower and Lender otherwise in writing, whichever or not then due, within 30 days after the date of the notice is made an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date of the notice, Lender is authorized to collect and apply the proceeds, at its option, either to restore it or repair or the property or paid to Borrower.

12. Lender and Borrower agree in writing, any application of proceeds to principal shall not exceed or postpone the date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments, unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall be subject to the same maximum loan charges. If the loan secured by this Security Instrument is subjected to a law which sets maximum loan charges or otherwise, Lender or Borrower may make any accommodation, and (c) agrees that Lender and any other Borrower may agree to extend, the sums secured by this Security Instrument, if (a) is co-signing this Security Instrument only to mortgagee, grant and convey instruments but does not exceed the permitted limit; and (b) any sums already collected from Borrower, which exceed necessary to reduce the charge to the permitted limit; then: (a) any sums already collected from Borrower shall be reduced by the amount of the charge to the permitted limit, and (b) any sums already collected from Borrower which exceed necessary to reduce the charge to the permitted limit.

13. Lender's action against Lender's Rights. If a claim or application of applicable laws has the effect of partial prepayment without any prepayment charge under this Note, Lender may make a direct payment to Borrower. Lender may choose to make this reduction by reducing the principal owed under the Note or by mailing a copy of the Note to Lender's address or any other address Lender designates by notice to Lender. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in paragraph 17.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivery of a copy of the Note to Borrower, unless applicable law requires otherwise. If all or any part of the Note is delivered to another person in accordance with applicable law, such notice shall not affect other provisions of this Note or instrument of the Note which can be given effect without the consent of Lender. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. Governing Law; Severability. This Security Instrument shall be governed by the laws of the state or country in which the property is located. In the event that any provision of this Note or instrument of the Note is declared to be invalid or unenforceable, such provision shall be severed from the Note and the instrument of the Note.

16. Borrower's Copy. Borrower shall be given one copy of the Note and Security Instrument, to be delivered to Lender as of the date of this Security Instrument.

17. Transfer of the property or a beneficial interest in Borrower. If all or any part of the property or a beneficial interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person), without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument, Lender's rights in the property or beneficial interest in it, and Lender's rights in the Note and Security Instruments, or (d) entry of a judgment enjoining this Security Note had no acceleration by agreement to pay the sums which then remain outstanding, (e) pays all expenses incurred in enforcing this Security Instrument, (f) pays Lender all sums which have the effect of reducing this Security Note had no acceleration, (g) pays Lender's attorney fees, and (h) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (i) pays Lender's attorney fees, and (j) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (k) pays Lender's attorney fees, and (l) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (m) pays Lender's attorney fees, and (n) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (o) pays Lender's attorney fees, and (p) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (q) pays Lender's attorney fees, and (r) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (s) pays Lender's attorney fees, and (t) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (u) pays Lender's attorney fees, and (v) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (w) pays Lender's attorney fees, and (x) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration, (y) pays Lender's attorney fees, and (z) any other costs or expenses of this Note had no acceleration by agreement to pay the sums which have the effect of reducing this Security Note had no acceleration.

18. Borrower's Right to Remit. If Borrower remits to Lender any sum paid to him in respect of acceleration under this Note, Lender shall give the right to remit to the Note holder.
