4. All moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorney's fees, and any other moneys advanced by Trustee or the holders of the note to protect the mortgaged premises and the lien hereof, plus reasonable compensation to Trustee for each matter concerning which action herein authorized may be taken, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at a rate equivalent to the post maturity rate set forth in the note securing this trust deed, if any, otherwise the prematurity rate set forth therein. Inaction of Trustee or holders of the note shall never be considered as a waiver of any right accruing to them on account of any default hereunder on the part of Mortgagors.
5. The Trustee or the holders of the note hereby secured making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.
6. Mortgagors shall pay each item of indebtedness herein mentioned, both principal and interest, when due according to the terms hereof. At the option of the holder of the note, and without notice to Mortgagors, all unpaid indebtedness secured by this Trust Deed shall, notwithstanding anything in the note or in this Trust Deed to the contrary, become due and payable (a) immediately in the case of default in making payment of any installment of principal or interest on the note, or (b) when default shall occur and continue for three days in the performance of any other agreement of the Mortgagors herein contained.
7. When the indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the note or Trustee shall have the right to foreclose the lien hereof. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at a rate equivalent to the post maturity rate set forth in the note securing this trust deed, if any, otherwise the prematurity rate set forth therein, when paid or incurred by Trustee or holders of the note in connection with (a) any proceeding, including probate and bankruptcy proceedings, to which either of them shall be a party, either as plaintiff, claimant or defendant, by reason of this trust deed or of any indebtedness hereby secured; or (b) preparations for the commencement of any suit for the foreclosure hereof after accrual of such right to foreclose whether or not actually commenced; or (c) preparations for the defense of any threatened suit or proceeding which might affect the premises or the security hereof, whether or not actually commenced.

Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any of the times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payment in whole or in part of: (a) The indebtedness secured hereby, or by any decree foreclosing this trust deed, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale; (b) any deficiency in case of a sale and deficiency.

11. Trustee or the holders of the note shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.
12. Trustee has no duty to examine the title, location, existence or condition of the premises, or to inquire into the validity of the signatures or the identity, capacity, or authority of the signatories on the note or trust deed, nor shall Trustee be obligated to record this trust deed or to exercise any power herein given unless expressly obligated by the terms hereof, nor be liable for any acts or omissions hereunder, except in case of its own gross negligence or misconduct or that of the agents or employees of Trustee, and it may require indemnities satisfactory to it before exercising any power herein given.
13. Trustee shall release this trust deed and the lien thereof by proper instrument upon presentation of satisfactory evidence that the indebtedness secured by this trust deed has been fully paid; and Trustee may execute and deliver a release hereof to and at the request of any person who shall, either before or after maturity thereof, produce and exhibit to Trustee the note, representing that all indebtedness hereby secured has been paid, which representation Trustee may accept as true without inquiry. Where a release is requested of a successor trustee, such successor trustee may accept as the genuine note herein described any note which bears an identification number purporting to be placed thereon by a prior trustee hereunder or which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as the makers thereof; and where the release is requested of the original trustee and it has never placed its identification number on the note described herein, it may accept as the genuine note herein described any note which may be presented and which conforms in substance with the description herein contained of the note and which purports to be executed by the persons herein designated as makers thereof.
