Mortgagor has executed a Revolving Credit Note dated the same date as this Mortgage payable to the order of Mortgagee (the "Note") in the principal amount of \$ 50,000.00 (the "Line of Credit"). Interest on the Note shall be calculated on the daily unpaid principal balance of the Note at the per annum rate equal to One (1.00%) percent per annum in excess of the Variable Rate Index. As used in the Note and this Mortgage, "Variable Rate Index" means the rate of interest, or the highest rate if more than one, published in The Wall Street Journal in the "Money Rates" column as the "Prime Rate" on the last business day of each month for the preceding business day. As used in the Note and this Mortgage "business day" means any day other than a Saturday or Sunday or general legal holiday on which The Wall Street Journal is not published. The effective date of any change in the Variable Rate Index will be the first day of the next billing cycle after the date of the change in the Variable Rate Index. The Variable Rate Index may fluctuate under the Note from month to month with or without notice by the Bank to the undersigned. Any change in the Variable Rate Index will be applicable to all the outstanding indebtedness under the Note whether from any past or future principal advances thereunder. In the event The Wall Street Journal discontinues the publication of the "Prime Rate" in the "Money Rates" column, the Mortgagor will select a comparable interest rate index and will notify the Mortgagor of the index selected. Interest after Default, (defined below), or maturity of the Note, whether by acceleration or otherwise, shall be calculated at the per annum rate equal to Two (2.00%) percent per annum in excess of the Variable Rate Index. Mortgagor has the right to prepay all or any part of the aggregate unpaid principal balance of the Note at any time, without penalty. The maximum per annum rate of interest on the Note will not exceed 18%.

**\*To Be Deleted When This Mortgage Is Not Executed By A Land Trust.**

Mortgagor promises to repay all amounts of principal and interest on the Note. On or before the payment date shown on the Mortgagor's monthly account statement, the Mortgagor shall pay to the Bank the amount due in accordance with the payment option selected below:

Monthly payment equal to the accrued interest on the Note.

Monthly payments equal to one sixtieth (1/60th) of the principal balance outstanding on the Note or \$100.00, whichever is greater.

The entire unpaid balance of principal and interests on the Note, if not sooner paid, shall be due and payable on Dec. 17, 1995.

To secure payment of the indebtedness evidenced by the Note and the Liabilities (defined below), including any and all renewals and extensions of the Note, Mortgagor does by these presents Convey, Warrant and Mortgage unto Mortgagee, all of Mortgagor's estate, right, title and interest in the real estate situated, lying and being in the County of Cook and State of Illinois, legally described as follows:

2. Mortgagor shall pay, when due and before any penalty attaches, all general taxes, special taxes, special assessments, water taxes, assessments or charges against the Premises.
