During he Revolving Ame of Credit Term and for the one hundred twenty-first (121st) (C) Agreed Periodic Pe Billing Cycle, you agree to pay on or before the payment due date shown on each periodic Billing Statement the Minimum Payment Due for that Billing Cycle. The minimum payment due is the sum of the following charges accrued or incurred in the Billing Cycle: (1) Finance Charges; (2) premiums for Optional Credit Life and/or Disability Insurance; (3) the Annual Fee; (4) all other fees and charges incurred pursuant to the Agreement except fees and charges charged to your Account at the inception of the Agreement as permitted by Paragraphs 11(B) and (C) of the Agreement; (5) principal necessary to reduce the Outstanding Balance of your account to your Credit Limit; and (6) any past due payments. The payment due date for each Billing Cycle is approximately twenty-five (25) days after the close of the Billing Cycle. During the Closed-End Repayment Term you agree to pay on or before the payment due date shown on each Periodic Billing Statement a minimum payment due computed in the same way as above, plus 1/240th of your Initial Closed-End Principal Balance (the Principal Balance owed by you to us at the end of the Revolving Line of Credit Term). (If you have used an Equity Source Account check that has not been posted to your account as of the Conversion Date, as defined in the Agreement, and that check is subsequently paid by us as provided in paragraph 2 (C) of the Agreement, your minimum payment thereafter will include, instead of 1/240th of your Initial Closed-End Principal Balance, a fraction of the outstanding principal balance after payment of that check that has a numerator of 1 and a denominator equal to the number of Billing Cycles left in the Closed-End Repayment Term, so that your account is fully paid in substantially equal principal installments by the Maturity Date.)

(D) Interest During the Revolving Line of Credit Term. You agree to pay interest (a "Finance Charge") on the Outstanding Principal Balance of your Equity Source Account during the Revolving Line of Credit Term as determined by the Agreement.

The rate of interest ("Annual Percentage Rate") will be determined and will vary based upon a "Reference Rate". This Reference Rate shall be the prime rate of interest as published in the Money Rates Section of the Wall Street Journal on the first business day of each rooth, regardless of when such rates were quoted by the Commercial Banks to the Wall Street Journal. The Reference Rate is defined by the Wall Street Journal as the base rate on corporate loans at large U.S. Money Center Commercial Banks. In the event more than one Reference Rate is published by the Wall Street Journal for any applicable day, the lowest rate so published shall apply. If the event such a Reference Rate ceases to be published by the Wall Street Journal, we will select a new Reference Rate that is reced upon comparable information, and if necessary, a substitute "Margin", so that the change in the Reference Rate results in substantially the same "Annual Percentage Rate" required under the previous Reference Rate.

The Reference Rate so determined shall be effective for any Billing Cycle that begins in that month. However, the Reference Rate effective for your initial Billing Cycle shall be determined in one of two ways. If your initial Billing Cycle Billing Date occurs in the same month as the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the preceding month. If your initial Billing Cycle Billing Date occurs in the month after the effective date of this Agreement, the Reference Rate shall be the one determined on the first business day of the month in which the effective date of this Agreement occurs.

1. 25 our rate of interest ("Annual Percentage Rote") shall be the Reference Rate plus a "Margin" of "ONE & 1/4" of "No percent for the applicable Billing Cycle."

Finance Charges will be assessed on a daily basis by in plying the Daily Periodic Rate (the "Daily Periodic Rate" is the Annual Percentage Rate applicable to that Billing Cycle, divided by 365) to the Daily Principal Balance on your Equity Source Account for each day of the Billing Cycle in which there is an Outstand Principal Balance.

(E) Interest During the Closed-End Repayment Term. You agree to pay interest (a Finance Charge) during the Closed-End Repayment Term on the Outstanding Principal Balance or you Equity Source Account which has not been paid beginning on the day after the Conversion Date and continuing until the full Cut standing Principal Balance has been paid. Your Outstanding Principal Balance at the beginning of the Closed-End Repayment To wis that sum disclosed on the periodic Billing Statement for your One Hundred Twenty First (121st) Billing Cycle as the Outstanding Principal Balance and is referred to herein as the "Initial Closed-End Principal Balance". If you have used Equity Source Account checks that have not been posted to your account as of the Conversion Date, and those checks are subsequently paid by us, your Initial Closed-End Principal balance will be increased on subsequent periodic Billing Statements to reflect such Loans.

The rate of interest (Annual Percentage Rate) during the Closed-End Repayment ferm will be determined and will vary based upon the Reference Rate described in the Agreement and in Paragraph 1 (D) hereo.

The "Current Reference Rate" is the most recent Reference Rate available sixty (60) days prior to each "Change Date", (defined below).

Each day on which the interest rate effective during the Closed-End Repayment Term may change, and the first day of the Closed-End Repayment Term, is a "Change Date". Interest rate changes during the Closed-End Repayment Term may occur on the first day of the Closed-End Repayment Term and on the same day of the month every twelve (12) months thereafter.

Each new interest rate will become effective with each Change Date, and will be reflected in the payment due immediately after that Change Date.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by us, you shall pay to us on the day periodic payments are due under the Agreement until this Mortgage is released, a sum ("funds") equal to one-twelfth of: (a) yearly taxes and assessments which may attain priority over this Mortgage; (b) yearly leasehold payments of ground rents on the property, if any; (c) yearly hazard insurance premiums; and (d) yearly mortgage insurance premiums, if any. These items are called "escrow items." We may estimate the funds due on the basis of current data and reasonable estimates of future escrow items.

The fund shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including us if we are such an institution). We shall apply the funds to pay the escrow items. We may not charge for holding and applying the funds, analyzing the account or verifying the escrow items, unless we pay you interest on the funds and applicable law permits us to make such a charge. You and we may agree in writing that interest shall be paid on the funds. Unless an agreement is made or applicable law requires interest to be paid, we shall not be required to pay you any interest or earnings on the funds. We shall give to you, without charge, an annual accounting of the funds showing credits and debits to the funds and the purpose for which each debit to the funds was made. The funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the funds held by us, together with the future monthly payments of funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at your option, either promptly repaid to you or credited to you on monthly payments of funds. If the amount of the funds held by us is not sufficient to pay the escrow items when due, you shall pay to us any amount necessary to make up the deficiency in one or more payments as required by us.
